THE reputation of these Pianos is fully established and their qualities appreciated throughout the Province, and still turther improvements have been introduced in the action by Mr. Cunningham, which renders them unparalleled for BRILLIANCY AND EQUALITY OF TONE, ELASTICITY AND INSTANTANEOUS REPETITION OF TOUCH, which last is of much importance in the performance of rapid passages. In addition to these the Aigraffe System has been introduced, extending throughout the Scale. Another great improvement in the action of these Pianos is the bushing of all pivot bearings, which renders the action perfeetly noiseless after being in use for
