LIFE DEPARTMENT.

The Corporation has granted Assurances on Lives for nearly a Contury and a Half, having issued its First Policy on the 7th June, 1721. Two-thirds of the entire Profits, without any deduction for expenses of management, are adetted to the Assured. This arrangement will be found to be more advantageous to the Policy-holders than an apparently larger proportion of the Profits, subject to the expenses of management. The Profits are declared at the end of every five years, and the Customs duty to be paid by the jor- !. share of the Policy holders may be appropriated either in increase of the &am As-
