#### The Assessment Act.

The Hon. Mr. Cameron, in moving the Assembly into Committee of the Whole on among other things, the taxable property of the country would be considerably increased. proportionate saving of the per centage. Under the head of exemptions, the first was the exemption of the official income of the exempt before. A further exemption was the taxes. It was turther provided by the new was conveyed. bill that so much of the income of a person as was derived from money invested in mortgages should be exempt. Also, that owed by him, unless they were owed in re- printed, spicy and readable sheet. ference to the personal property subject to taxation. Also that in addition to the stipend or salary of a Minister of religion, exempted amendment made was, that rental, or other income derived from real estate, should be exemptions. The most important amendment day. The Stages are very commodious, made in the Bill was the doing away with the sliding scale with regard to the assess-Instead of adopting the sliding scale as be-\$150 for the \$300 beyond the \$900, he is liable to one days additional labour. Some | will be invisible in this country. other changes were also made. A change sion was made that where lands were sold for in the same deed. In some sections this was went his way rejoicing. found to be necessary where a number of small lots were sold to one person. These were the principal amendments made in the ALLEN'S LUNG BALEAM! measure, which had now undergone the revision of two committees. There was another charge of considerable importance to which he would reter. Provision was made here that an appeal might take place from the equalization by the County Council to the judge of the County Courts.

#### The Times on Confederation.

In its annual review of the events of the past year, the London Times of the 1st inst. | number of years and has gained for itself a says :- 'The new organization of the Dominion of Canada appears likely to be successful, but the people of Nova Scotia are and the formula from which it is prepared i still disestisfied with the preponderance of bighly commended by Mediesl Journals. Call interests which they consider opposed to their at the Druggists and get a Pamphlet. own. Their Legislature sent deputies to England to protest against the maintenance of the Union, and Mr. Bright was induced to advocate their cause in the House of Comnone; but on discussion it clearly appeared that the previous Legislature had assented to the catablishment of the Dominion, and was evident that the measure was in its nature irrevocable. The leader of the Nova scotia dissidents has since abandoned the by the good sense of the Canadian Parlia-
