United States Finances.

Washington correspondents tell that the statement of the public debt this month but that a material reduction will be exhibited in the February statement.

The forthcoming United States Army Appropriation Bill will ask about \$41,000 .-000 for the army for the next fiscal year. This estimate is about \$3,000,000 larger than that of last year, which was \$33,000,-000. The increase has been caused by the Indian wars and the cost of transportation to the Indian country. The sum now asked is about \$3,000,000 less than the amount required by the War Depart-
