APPLES FOR ENGLAND. - The steamer "Picton" loaded at South Bay last week 2,000 barrels of apples, which she took to Montreal for shipment to England. The apples grown in this part of Canada are probably the best in the world in

MASONIC HALL MOVEMENT. -The Committees of the three local lodges appointed to meet an confer on the subject of a united Masonic Hall are called gether for Wednesday evening at half past seven o'clock in the British American Hotel. No further notification will be given to the members.

Snow. - This morning the house tops and sidewalks were covered with a virgin quilt of snow-the first of the season in reality. Indian summer is supposed to nights, and had no appetite Since taking the follow the first snow, but from the feeling of to day's atmosphere we judge that if it be on the way at all it is following at a respectful distance.

Doing Wall .- This summer Mr. G. W. Playfair built a first class grist mill, containing five run of stones, on the line of the K & P. Railway at Verona, in Portland, and is getting as much gristing say that this is as compact and perfect a mill of the kind as they ever saw. Passengers on the road will, no doubt, remember the nest new mill, for it cannot

A OCEBEC INCIDENT. -The national superstition of the French Canadian has been vivified near Quebec. The man Conway, who was recently so cruelly murdered by Farrell, at Valcartier, is said to be constantly haunting the spot where he was shot. A young farmer of the neighbourhood recently saw him, as he thought, and has ever since been laid up with fright. It is some time since Canada had a real live ghost story, and we gladly welcome this one.

FABLES BY G. WASHINGTON ÆSOP .-A collection of the clever and witty fables that have appeared in the New York World, is published in book form. Their author, Mr. George T. Lanigan, is a Canadian journalist, (of Montreal), though for some years connected with the American press, most recently with the World. Some of the fables are amusing parodies on Æsop, others teach new lessons in a quaint way, and point morr's. Its attractiveness is increased by rare and mirth provoking illustrations by Mr. Church.

Despatch learns that Mr. A. Deuel, of Cape Vincent, was taken for the absconding Treasurer (Angell) of the Pullman Car Company, and had it not been for a friend the detective would have arreated him. But we may add that Angell is a superior looking, elegant American, and the chief suspicion that the detective had against Deuel was his near approach to that kind of a person. Still he will never be taken for the other kind of Angel, that is after the police have recover- | tain, Wm.
