It is supposed to have caught where the pipe enters the flue in the chimney. The building, frame, was entirely destroyed, tokether with some of the forniture. Insured for \$150; loss about \$300.

> Special Sermons .- Sermons in tehal ed, accompanied by one Pine, a son-in of missions will be preached by Rev. G law, and another man named Pine, or H. Thompson in the P. M. Church, Brock Street, to-morrow morning and evening. Missionary Meeting on Mon. day evening in the same place. Thompson has the reputation of being an excellent preacher. He will also ad, dress the congregation on Monday even-

THE MARKET. - There was another great attendance on the market to-day The supply of produce was all that the most particular, or the most saving. house keeper could wish for. Poultry was very plenty. The best of turkeys sold at 70c.; geese at 45c.; chickens at 40c. per pair. Butter was 18c to 20c. for the best; eggs 20c. per dozen; potatoes 80c. per bag for the best.

ADVERSE OFINION. - The Queen's College Journal thus speaks out on the examination question: From the day of its introduction we have been opposed to the present system of fall examinations for undergraduates; and the more we think over it the less we esteem it. It makes the course too easy, and so lowers the value of degrees in proportion. Thirteen subjects in four sessions is easy enough work for any ordinary student without the aid of "consolation" examinations,

mis informed as to the discovery of attempt at burning Mr. Abram's stable. The fire was seen by the younger Mr. Abrams upon his return from Cataraqui with the horses and carriage, and the extreme danger averted. Temperature had been spread amongst the combustible materials and six tons of hay were in the loft. The blaze that the malicious incendiary would have created in the rear of the property can be estimated.

ACDIDENT IN PITTSBUBG .- Robt. Green, a young lad of Pittsburg, was among a the premises. When the potatoes were Canada or her politics, which at present crowd of Hallowe'en ramblers. Church, Belleville, Ont., has been re ceived by the Rev. L. DesBrisay, of St Lost, -A poor man this week lost in Luke's Church, Montreal, and he has taken it into consideration. -Joanna McEwen, a Montreal woman who was missed from her home in Fullum Street, was discovered at the Bonaventure Depot yesterday morning trying to

get a ticket for Kingston. She was restored to her husband by the police.

Sudden Deaths.

On Sunday evening, October 20th, Mrs. James Harding, of Pittsburg, when about retiring for the night, was taken suddenly ill, and had to be assisted to bed. She did not recover consciousness and after an hour or so a doctor was summoned, who pronounced it a case of ap-FIRE. - Yesterday morning about 11 poplexy. The Gananoque Reporter says

The Picton Gazette tells of anothe sudden death that occurred in the Town ship of Hillier on Saturday night. L Or that day Mr. Gilbert Murphy was i Picton, and towards evening started for home. He reached Covert's Hotel, where he remained a short time and then starthorse back. After riding about two miles he was taken with vomiting, during which he leaned heavily against the other occupant of the vehicle. Pin called to his associate on horse back, tell ing him that he feared that something serious was the matter. When examin ed it was found that Murphy was dead ----

Friends Must Part.

The cartoon accompanying Grip this week is a happy conception. It shows Sig John Macdonald in office, reclining in a easy chair, smoking a cigar, while the members of his Cabinet stand by regaling themselves in the most approved manner. The sweets of office seem to be very sweet. In the midst of all this enjoyment an in truder appears, "Hard Times," who tattered and torn in clothing, deposits his bundle on the floor and reminds the Premier of an appeal made by him some weeks ago, that he should "stay, stay oh stay, until after the general elections. Sir John is not in the mood for parley. and pointing his finger to the door with out changing his position, he remarks "Well, good bye, old fellow, thanks very much for your help during the campaign, but don't let me detain you now; good bye, ou recor, adieu, farewell, tra-la-la, ta-ta, etc." To which "Hard Times" re-THE INCENDIARY FIRE. - We were plies: "Certingly, but I ain't gone yet,

Short Weight.

This morring Alderman Gaskim, Chair man fah. Market, made a bargain for several bushels of potatoes and asked to have them weighed. The farmer refused, and police officer Nesbitt was called upon to sustain the Alderman's rights in the matter, the market by-law making it obligatory on the part of the seller to make the weight satisfactory to the buyer. The honest farmer then saw his duty in HISTORY AND ITS LESSONS.

'History and its Lessons.' In commencing electricities they sometimes rush together Mr. Allen said that a great thinker told | with deadly force. I must not, however, to man. It must be so ever. Men and purely conservative or purely progressive, their doings will command our interest but only that, relatively, the one princis currents through our common humanity, so long as love and hate and wonder exist, so long must the record of men's The principles in themselves are, the one ways and words and wisdom and achieve- prospective; the other, retrospective; the ments and failures be infinitely interest- one based on hope, the other on caution; ing to those who, environed by the same | the language of the one, strike for what circumstances, and having to battle with you have not, of the other, keep what the same difficulties, actuated by the you have; the one lives more in the fusame motives, and struggling towards the ture amongst the beautiful possibilities of same ends, behold in the great past the time, the other in the time-honoured compound of littleness and greatness, of the one loves more the ideal -abstract. nobility and selfishness, of weakness and | the other the real and the concrete: the of strength, of low ambition and of lofty one is more hardy, enterprising, ventureaspiration, of debasing passion and beaut some, the other more staid and solid and tifying love, which, in their union, make | mature: the one loves theory and move-If history enfolds but one great charac- tions that have stood the shocks of time; undaunted courage,

really harmless as a dead lion's paw

the remote future may be as great

of any given period to its cause or causes, a crushing and cruel despotism ? It was an idea very prevalent for centuries tored intellect and enlarged observation, before and immediately preceding the joyed a pleasant requion, the occasion with regard to the purity or viciousness French Revolution-amongst worthy and thoughtful people too, that the SCHOOLMASTER ABROAD was hardly an advantage, indeed a gen eral suspiciousness in regard to the benefits of the education to the peasanty was generally entertained and though few could perhaps be found hardy enough to formulate the doctrine that ignorance was the parent of piety, yet, the idea floated in many a good man's head that learning had anything but a tendency to fester goodless. Again, seeing how many wrongs have been wiped out, are we not warranted by history in expecting that everybody will be gradually redressed? Again, i

There is no other help for us. It only is the solid base, which every time we rest on it, as in the case of the giant of the old myth, will renew our strength and make us inviscible. Sophistry cannot touch us, if we stand on the firm earth. we can be strangled only by being hold aloft from her energizing force. To this of any help, but resolving always to see things with our own eyes; for few writers of history are without their pot theories. The unhistoric person is one who looks on life with his own experience only, one vast and varied and complex problem of given for its full discussion, and all its who has made but one experiment on the humanity. But in history we get the net results of a myriad experiences and oxperiments made for us. This is our like the re-I Indian of a new continent, like the Egyptian in the infancy of the world, with no past behind him, to guide his uncertain steps-no chart to steer by on untravelled seas. It is not so with us. individuals, of their failures and successes, we know something of the shoals and micksands and sunkengrocks by which they suffered shipwreck, and, if wise, are the gainers by their terrible loss, and a responsibility, the result of privilege, attaches itself to our conduct, which, in an

as, in a great picture or heroic poem, the great man into relief; so in histories, the people are only 1st citizen, 2nd citizen, 3rd citizen, that a Cassar or an Anthony may shine resplendent, that their matchless eloquence or unrivalled actions may flash forth. Thus the histories of man kind are little better than imperfect kiographies of a few of its great men-of its and Mahomet, and Cromwell, and Namer, and the immortal Shakespeare, the Magnus Apollo of our intellectual humanity, the crown and king of men.

POLITICAL REVIEW. am going to say has little reference to action, wholly right. Indeed I think But who on earth can say I am not pious !" SHARPER.

E SWINDLES A WESTERN STUDENT OUT O SIXTY DOLLARS.

The Montreal Post tells the following named John McKenzie, who describes himself as a student at the College at them that man was peculiarly interesting be supposed to affirm that every man is Kingston, arrived in this city from Prescott Junction. On the way he made the acquaintance of a nice young man, who, into his confidence. He explained that he was a merchant doing business in western town, and was on his way to this city in order to pay the amount of his indebtedness to a wholesale firm named Turner. On reaching the station the sharper-for such he proved to be--met a man whom he introduced to Mr. Mc Kenzie as the wholesale merchant to whom he had come to make the payhe found his cheque was only for \$850 white the bogus merchant's account was \$910. The swindler asked the accommo dating Mr. McKenzie for the loan of \$60, which he obligingly handed over borrower that the account would be re homesteads suit us, none of your new | which was recently cashed by an obligacontinents here, please, and none of your ing clergyman for one of these shar-BARRIEFIELD SCHOOL

Extracts from a Letter from C. H. S.

I was unable, in the summer, to walk any distance without much fatigue. I can now take my gun and truvel all day, and fel first rate at night, and cat as much as any lumber man. Have not bled any since I took your preparation, and can now inflate my lungs without feeling any soreness, and I can inflate then up to full measurement same as before I was sick, have also gained in flesh, my weight in the summer was 173 pounds, and now it is nearly 190 nounds, which is prutty well up to
