Any help this 'mission can send flowers, fruit or small sums of money to the president, at its meeting on Monday night. Mies Mair, 126 Union street.

New Diet For Boldlers.

This week Dr. Breden, Montreal, visited "A" field battery to introduce a new diet for eoldiers, coming with authority from surgeon Lieut. Col. Neilson, director general medical staff, in concurrence with orders from the militia department. The diet consists of a light brown powder of vegetable matter, and at noon when in camp dinner comprises beef tea, made from emall equares of jelly, in which the powder is afterwards placed. When in bivouse at night the powder can be made into bread by baking. Each soldier can carry ten days' provisions without in. convenience. Hospital sergeant Cotton New York and orderly Williams, of the battery, have been pleced on twenty eight days' dies to give the matter a trial.

Should Use Pressed Brick.

The contractors think the government is making a great mistake in finishing off the interior of the drill shed with common brick, which will, when touched, leave a reddish mark on the person. Pressed brick should be used by all means. All other drill sheds are faced with preseed brick.

One of the steam hoists at the drill shed site has been placed in position and is ready for work. The foundation of the column devotes considerable space to an shed will be laid about the middle of account of the Twelfth Night club's first April. The late storm has greatly inter-

The Salary Fixed At \$300

The salary of the new chief of police will be placed at \$800. The present incumbent receives \$1,1MM, but \$2M of that is for acting as clerk of the court, a duty im. posed upon the city clerk, who must in tuture do this work. The new chief will be required to do street duty, that is, he

tained in the station during the day.
