Holloway's Pills.

Changes of temperature and weather frequently upset persons who are most careful of their health, and particular in their diet. These corrective, purifying and gentle aperient Pillsare the best remedyfor all defective action of the digestive organs. They carry off all that is noxious from the system. Holloway's Pills are composed of rare balsams, unmixed with baser matter, and on that account are peculiarly well adapted for the young delicate, and aged. As this priceless medicine has gained fame in the past, so will it preserve it in the future by its renovating and invigorating qualities, and the impossibility of its doing harm.

"Isn't the name Green ?" "I dunno, sir. All I know is that they've got a boy bigger'n me, and that I've licked him twice and am aching to do it again."

Great Gain. "I used a great deal of doctor's medicine for kidney complaint during five years; was getting worse until I tried B.B.B. I took

Blood Bitters to be a good medicire." Thus testifies John Walton, of Springfield, N.B. After Long Years. "I was troubled with liver complaint for a number of years, finding no cure. I tried
