THINGS WORTH KNOWING.

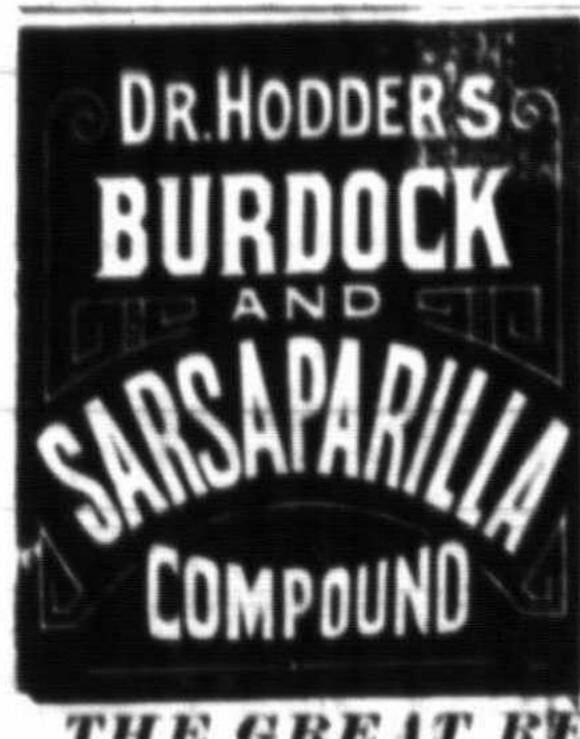

THAT

Is what may be called an EVERY DAY MED ICINE, and does not perform miracles, nor cure every disease, but as a remedy for the many complaints which are usually treated by Liniments it is unsurpassed by any other pre-paration and has well been called THE HOUSE-HOLD REMEDY.

It affords the Proprietors much pleasure to say they are continually receiving kind words and good wishes in its favor. MESSRS, BROWN BROTHERS & Co. Druggists, Halifax, N.S.

Gentlemen,-I have been terribly troubled with rheumatic stiffness of the cords of my hands, and for seven years I have not been able to do any needle-work or sewing. I spent a great many dollars in trying to find relief, but without success until six months ago. I used a bottle of Simson's Liniment which has acted like magic. My fingers have regained their suppleness, which I despaired of ever retaining, and now after applying the contents of two bottles I can sew for hours without fatigue to my hands. Yours truly.

Last night the finance committee accepted the tender of Messrs. Cox & Co., Toronto, for the purchase of debentures to the amount of \$173,600 at 104 55-100. This decision is of course subject to the ratification of the city council. As the tender was the highest the aldermen will endorse the action.

Sale of a Fine Head.

Henry Stratford has sold the magnificent moose head on which he took a special prize at the colonial exhibition to R. G. Mitchell, jr., of Great Neck, Long Island. The price was \$175. The head will be placed in a New York college, affidavits to this effect having been made before the government allowed its removal from Ontario. .

There Was No Robbery.

The Brock street hotel keeper says that James Hunter, of Opinecon, was not robbed of \$45 as alleged. Hunter began spending his money quite recklessly Friday night, and had \$10, and, after spending \$1 for the drinks, a neighbor, James Kinney, took the other \$9 to keep for Hunter until he sobered up. The money was returned the next morning.

The Greatest Bargains in the City.

Z. Prevost, of the New York clothing store, having given a large order for fall importations which will reach here by August has decided to make a large reduction in clothing made to order on purpose to induce close buyers to purchase now, and enable him to make him room for the incoming goods. Our \$13.50 suits reduced to \$12.50; our \$15 suits reduced to \$13.50. All other lines reduced in proportion. Remember we guarantee a first-class fit.

Visitors to the City.

John Branette, a native of Kingston, and Messrs. Johnston and Rogers, of Lowell, Mass., visited the city last week. They are Forresters and came from Chicago, where they had been attending a convention of the brethern. Branette is a printer, and served his apprenticeship in the WHIG when it was not issued from as large an office as the present one. Although twenty-six years have rolled by since he left the city he has not forgotten his old friends, or the good times he had while here. The visitors left for Montreal, and will start from that place for their homes. Branette is in the employ of J. C. Ayer & Co., medicine manufactur-

Give Them a Chance! That, is to say, your lungs. Also all your breathing machinery. Very wonderful machinery it is. Not only the larger air passages, but the thousands of little tubes and cavities leading from them.

When these are clogged and choked with matter, which ought not to be there, your lungs cannot half dotheir work. And what they do they cannot do well.

Call it cold, cough, croup, pneumonia catarrh, consumption of any of the family of throat and nose and head and lung obstructions, all are bad. All ought to be got rid of. There is just one sure way to get rid of them. That is to take Boschee's German Syrup, which any druggist will sell you at 75 cents a bottle. Even if everything else has failed you, you may depend upon this for certain.
