The Signing of Bonds.

Mayor Carson will have pleasant work before him in a few days. He must sign his name about 10,000 times to the city bonds, purchased by Cox & Co., Toronto. Ald. Thompson, the firm's agent here, is having enquiries about the bonds, and has already sold \$25,000 worth to the representives of one institution.

Hurrah for the Mines!

A harvest home will be held in Captain Boyd Smith's grove, Eagle Lake phosphate mines, on Saturday next, with a programme of games, speeches, music and base-ball. The mines will be in full operation and can be seen to advantage. Eagle Lake is noted for its abundance of game and its boating and fishing.

Dr. Millman Stays Here. Some weeks ago it was announced that But Green's August Flower brings health Dr. Burgess, of the London asylum, was to be removed to Kingston, and that Dr. Millman was to be transferred to Hamilton, but to-day notification was received that the proposed changes had been abandoned, that Dr. Burgess would be sent to Hamilton and Dr. Millman returned at Rockwood.

Did Not Take it. About two months ago a coat was missed from the O. K. house, on Ontario street, and one Peter Besaw, of Howe Island, was accused of taking it by a fellow resident. He called at this office at the time and contradicted the accusation which had been made against him in private; again he has been sneered at by the same man, whom he asserts knew the real facts about the taking of the coat. He once more desires to emphatically state that he did not take the garment alluded to.

Quietly Married Yesterday.

Lieut.-Col. Smith, the gallant commander of the 14th P. W. O. Rifles, was quietly married in St. John's church, Portsmouth, yesterday to Mrs. Barrow, widow of the late Major Barrow. Ald. Smith acted as groomsman and Miss Smith as bridesmaid, Rev. K. L. Jones gave the bride away. Immediately the couple were driven to the G. T. R. station, where they embarked on the train for Quebec. To-morrow they sail for Europe on the steamer Oregon. They will absent about two months. The colonel is heartily congratulated, and had he remained in the city a sufficient length of time would have been cordially greeted by his regiment.

Miscellaneous Notes.

The Wanderers and Toronto bicycle clubs, Toronto, have organized details of a fifty miles' road race, to take place on Sept. 3rd,

for a \$60 challenge trophy to go to the win-Saturday's defeats of the Capitals and Ottawas have convinced the lovers of lacrosse that there is not room in Ottawa for two first-class clubs, and the formation of a new

club out of the best elements of the two is freely spoken of. Three pacing stallions have records of

2.171, two of which were made last year and one this season. They are Brown Hal, Cohannet and L. C. Lee. The stallion record at the pacing gait, however, was reduced by Duplex, who won the fifth heat of the 2.24 pace at Detroit in 2.171. The stallion Duplex is six years old. He was bred in Marshall county, Tenn.

Twenty-Two Reporters.

Manager Jenkins, who took tickets at the base ball match yesterday, says that twentytwo were passed in on representing themselves to be reporters attached to the Kingston papers. Two News reporters witnessed the game and presented tickets .- Daily News of Saturday.

The above, not noticed by us until called to our attention yesterday, is one of three or four recent attempts at those amicable relations the publisher was so sincerely anxious for a month since. The evident intention of the paragraph is to make the public believe that a number of WHIG deadheads or sponges witnessed that game. However, there were only four persons from this effice present, two having paid cash at the gate, and two having had tickets. No explanation is necessary to satisfy the public of Kingston that the Whice office is not the one which does the deadheading here. But we value the respect of our goptemporaries and outside friends, and to them we may say that no paper has more strongly set its face against deadheading than the WHIG; and that the reason for this has been the gossip attending the practice on the part of gentlemen attached to the News. We are determined that as little as possible of this discredit shall be attached to us, either wilfully or otherwise.
