I have used Ayer's Cherry Pectoral for over 5 year, and sincerely believe I should have been in my grave, had it not been for this medicine. It has cured me of a dangerous affection of the ungs, for which I had almost despaired of ever finding a remedy. - D. A. McMullen, Windsor, Province of Ontario.

Ayer's Cherry Pectoral saved my life. Two years ago I took a very severe Cold which settled on my lungs. I consulted physicians, and took the remedies they prescribed, but failed to obtain relief until I began using Ayer's Cherry Pectoral. Druggists, Halifax, N.S. Gentlemen,-I have been terribly troubled with rheumatic stiffness of the cords of my hands, and for seven years I have not been able to do any needle-work or sewing. Halloway's Pills,

No part of the human machine requires more constant supervision than the nervous system-for upon it our health-and even life-depends. These pills strengthen the nerves, and are the safest general purifiers of the blood. Nausea, headache, giddiness, numbness, and mental apathy yield to them. They dispatch in a summary manner those distressed dyspeptic symptoms, stomachic pains, fulness at the pit of the stomach, ab dominal distension, and regulate alike capricious appetites and confined bowelsthe commonly accompanying signs of defective or diminished nerve tone. Holloway's pills are particularly recommended to persons of studious and sedentary habits, who gradually fall into a nervous and irritable state, unless some such restorative be occasionally taken.
