A Creaking Hinge

Is dry and turns hard, until oil is applied, after which it moves easily. Which the joints, or hinges, of the body are stiffened and inflamed by Rheumatism, they cannot be moved without causing the most excruciating pains. Ayer's Sarsaparilla, by its action on the blood, relieves this condition, and restores the joints to good working order.

Ayer's Sarsaparilla has effected, in our city many most remarkable cures, a number of which baffled the efforts of the most experienc ed physicians. Were it necessary I could give the names of many individuals who have been cured by taking this medicine. In my own case it has certainly worked wonders, relieving

I was, during many months, a sufferer from chronic Rheumatism. The disease afflicted me grievously, in spite of all the remedies I could and, until I commenced using Ayer's Sar aparilla. I took several bottles of this preparation, and was speedily restored to health. J. Fream, Independence, Va.

Mrs. Winslow's Soothing Syrup should always be used when children are cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to the taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bewels, and is the best known remedy for diarrhora, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for Mrs. Winslow's Soothing Syrup, and take no other kind.

"Well, the fact is, he takes the same funny paper that I do."

I have been bothered with catarrh for about twenty years. I have lost my sense of smell entirely for the last fifteen years, and I had almost lost my hearing. My eyes were getting so dim I had to get some one to thread my needle. Now I have my hearing as well as I ever had, and I can see to thread as fine a needle as ever I did. My sense of smell is partly restored; it seems to be improving all the time. I think there is nothing like Ely's Cream Balm for catarrh-Mrs. E. E. Grimes, Rendril, Ohio.
