# Perfect Hair

Indicates a natural and 'ealthy condition of the scalp, and of the glands through which nourish ment is obtained. When, in consequence of age and disease, the hair becomes weak, thin, and grey, Ayer's Hair Vigor will strengthen it, restore its original color, promate its rapid and vigorous growth, and impart to it the lustre and freshness of youth.

I have used Ayer's Hair Vigor for a long time, and am convinced of its value. When I was 17 years of age my hair began to turn grey. I commenced using the Vigor, and was surprised at the good effects it produced. It not only restored the color to my hair, but so stimulated its growth that I have now more hair than ever before, -J. Brilliant Results.

The breath of a chronic catarrh patient is often so offensive that he cannot go into society and he becomes an object of disgust. After a time ulceration sets in, the spongy bones are attacked, and frequently entirely destroyed. A constant source of discomfort is the dripping of the purulent secretions into the throat, sometimes producing inve terate bronchitis, which in its turn has been the exciting cause of pulmonary disease. The brilliant results which have attended its use for years past properly designate Ely's Cream Balm as by far the best, if not the only real cure for hay fever, rose cold and catarrh.

Try And Be Cured.

Lame back and nervous debility, associated with rheumatism, is sometimes met with in every day life, but as a rule we find not more than two of these complaints in the same party. Be this as it may. The only sure and perfect cure is electricity and the best form of administering it is by Norman's electric belts and insoles. W. J. Wilson is agent, and from him you can procure testimonials and circulars relating to any of your complaints.

#### Still the Style.

"'Ow can you hever hexpect to sell so many chairs?" "Wall," said the Yankee, "I guess settin" down ain't gone out of fashion yet."
