MEDICINES

Is dry and turns hard, until oil is applied, after which it moves easily. When the joints, or hinges, of the body are stiffened and inflamed by Rheumstism, they cannot be moved without causing the most exeruciating pains. Ayer's Sarsaparilla, by its action on the blood, relieves this condition, and restores the joints to good working order.

Aver's Sarsaparilla has effected, in our city, many most remarkable cures, a number of which baffled the efforts of the most experienced physicians. Were it necessary, I could give the names of many individuals who have been cured by taking this medicine. In my own case it has certainly worked wonders, relieving me of

Rheumatism.

after being troubled with it for years. In this, and all other diseases arising from impure blood, there is no remedy with which I am acquainted, that affords such relief as Ayer's Sarsaparilla. - R. H. Lawrence, M. D., Baltimore, Md.

Ayer's Sarsaparilla eured me of Gout and Rheumatism, when nothing else would. It has eradicated every trace of disease from my system. — R. H. Short, Manager Hotel Belmont, Lowell, Mass.

I was, during many months, a sufferer from chronic Rheumatism. The disease afflicted me grievously, in spite of all the remedies I could find, until I commenced using Ayer's Sarsaparilla. I took several bottles of this preparation, and was speedily restored to health. - J. Fream, Independence, Va.

Holloway's Pills. Though good health is preferable to high honour, how regardless people often are of the former-how covetuous of the latter Many suffer their strength to drain away ere maturity is reached, through ignorance of the facility afforded by these incomparable pills of checking the first untoward symptoms of derangement, and reinstating order without interfering in the least with their pleasure or pursuits. To the young especially it is important to maintain the highest digestive efficiency, without which the growth is stunted, the muscles become lax, the frame feeble, and the mind slothful. The removal of indigestion by these pills is so easy that none save the most thoughtless would permit it to sap the springs of life.

Try And Be Cured.

Lame back and nervous debility, associated with rheumatism, is sometimes met with in every day life, but as a rule we find not more than two of these complaints in the same party. Be this as it may. The only sure and perfect cure is electricity and the best form of administering it is by Norman's electric belts and insoles. W. J. Wilson is agent, and from him you can procure testimonials and circulars relating to any of your complaints.
