WAR RUMORS INCREASING

A CONFLICT BETWEEN RUSSIA AND AUSTRIA INEVITABLE.

Zussia on the Alert-Stormy Debate in the

Reichstag-Germany's Aim - Austria's Position Defined by the Hungarian Prime Minister-The Sinews of War,

PESTH, Jan. 29.-In the Hungarian Diet yesterday Premier Von Tisza emphatically declared that there was no ground to doubt the reciprocal bona fides of the Powers allied for the preservation of peace and for their own security. In consequence of the marked displacement of Russian troops and their transfer in the direction of the Austrian frontiers, the Government, without doubting the Czar's pacific declarations and avoiding all semblance of provocation, considers it its duty to see that necessary measures are taken to assure the safety of the frontiers and the efficiency of the army in case of an mergency.

Russia on the Alert.

St. Petersburg, Jan. 29.—The semi-official announcement is made that the political situation is unchanged, but that Russia must be on the alert in consequence of the continued increase of the arman ents of Germany,

War Accepted as Inevitable.

Berlin, Jan. 29.-Herr Von Tisza's statement in the Hungarian Diet yesterday has confirmed the conviction that war between Austria and Russia is accepted by both sides as inevitable. Private advices from Vienna state that the diplomatic negotiations recently opened between Prince Lobanoff, the Russian Ambassador, and Count Kalnoky have been abandoned. The condition of affairs now existing between the two governments is simply that each is lying in wait for the first chance to strike.

Reports received at the War Office from agents on the Polish frontier intimate a renewal of activity among the Russian troops. Austrian war officials suspect that the object in view is the invasion of Bulgaria and that the aim of the Czar's strategy is to entrap Austria into sending the bulk of her forces into Galicia while the real coup is delivered in the Balkan peninsula. If Russia enters Roumania, Austria will hold the step to be a casus belli.

The sinews of war has been obtained by the Russian treasury by a loan arranged in Amsterdam, the amount of which is said to be £4,500,000. Herr Von Tisza has concluded negotiations with the Frankfort Rothschilds for a loan of 29,000,000 florins.

Stormy Debate in the Reichstag.

Berlin, Jan. 29.—There was a stormy debate in the Reichstag yesterday, on the Anti-Socialist Bill. In the lobbies the consensus of opinion was that the Government would be defeated if they persisted in attempting to pass the bill.

Germany's Aim.

Berlin, Jan. 29. - In committee on the Military Bill, Dr. Windthorst said the Government had obtained the assent of the Reichstag to the Septennate Bill by representing that the measure would be a guarantee of a pacific future. Now they come again demanding more sacrifices in men and money. When these demands are satisfied, what assurance is there that the country will have anything sufficient to give it rest from its military burdens? Count Von Schellendorf, Minister of War, curtly responded that if the approval of the Septennate Bill had been associated with any promise of permanent peace it was a mistake. The Government's aim was to protect the country, and the best way to do so was to make it strong against all attacks.

POLITICS IN MANITOBA.

Independent Conservatives Indignant at the Attempt to Compromise.

WINNIPEG, Jan. 29.-J. B. McKilligan, a proninent Conservative, publishes an open letter to Mr. Scarth, M.P., in which he declines on behalf of the independent Tories to accept any compromise on the monopoly question, and refuses to accept the advances made by Mr. Scarth and Sir John's agents on the matter. He also sends in his resignation as a member of the Winnipeg Conservative Association.

The tollowing are said to be the terms offered as a reward for the abandonment of the anti-monopoly agitation: That disallowance cease in May, 1891; that the improvement of the Red River and the Assiniboine be vigorously prosecuted; that grain freight rates be reduced; that an experimental farm be immediately located in the Province; that the Canadian Pacific make the desired extensions

to the Souris River. A great many Liberals are of opinion that the Cabinet made a mistake in not going to the country, as owing to the strained relations of the Tories at present Mr. Greenway could sweep the country with a big majority. The new Premier, however, says he will fulfil his promise of a new Redistribution Bill before appealing to the country.

A well known Conservative M.P.P. being asked about the compromise question to-day, said the Conservative party was being strangled to death at present. He suggested that as it was very sick it should be put to bed for a month or so and tenderly nursed.

Pugilistic Brokers.

PITTSBURG, Jan. 29.-Just previous to the hour for closing yesterday the proceedings of the Oil Exchange were disturbed by a physical contest in which fists were used freely. Mr. Bredm and M. L. Jenkins, brokers, had been engaged in earnest conversation when Mr. Bredin suddenly struck Mr. Jenkins on the ear. While mutual. friends were interfering J. N. Richards, partner of Mr. Jenkins, joined the altercation and struck Mr. Bredin. The combitants were parted and retired amid intense excitement.

A CRISIS AT HAND.

An Attempt to be Made to Break up the Reading Strike.

P. Ca. Ming, Pa., Jan. 29. - The reports from the coal regions are not so favorable. The storm having interfered with the working of collieries and fransportation of coal, the strikers took advantage of the delay and by exercising an influence over the miners have again aroused a feeling in favor of standing by the railroad employes and continuing the strike. An effort will now be made to operate several of the largest individual colheries with nonunion men. It is said if these bands go to work in the mines next Monday there will be trouble. Several non-union miners while on their way to work at the Henry Clay and Bear Valley collieries were halted while crossing the mountain at 5.30 o'clock yesterday morning and commanded to return home, which command they obeyed. They were stopped at various points on the mountain paths, but were unable to recognize the parties who halted them, as it was quite dark. They were told if they persisted in going to work they would be killed. The coal and iron police are daily escorting some of the men who were threatened to and from work.

The Strike in Congress.

WASHINGTON, Jan. 29. - The report of the Commerce Committee on the Anderson resolution for an investigation of the Reading Railroad strike will be submitted to the House on Tuesday and a motion will be made for unanimous consent to take it up for immediate consideration. The majority report will recommend the reference of the matter to the Inter-State Commerce Commission, Representative Raynor, of Maryland, will present the minority report in favor of investigation by a special committee of Congress.

The Usual Tactics.

MONTREAL, Jan. 29.—What appears to be a veritable tempest in a teapot has been caused by reports published in some of the Conservative newspapers that Mr. L. O. David, M. P. P. for Montreal East and a leading light of the National party, had in an address, delivered at Holyoke, declared in favor of the annexation of Canada to the United States. The Loyalist organs at once took, him to task for his alleged utterances, and charged him with a gross lack of patriotism in desiring to do away with the French-Canadian nationality. It now turns out that Mr. David did not make use of the expressions attributed to him; and that, in fact, he did not even refer in his speech to the question of annexation. The Conservative press, however, are endeavoring to make capital out of the incident, notwithstanding Mr. David's emphatic denial.

Beath of an Aged Lady at London.

LONDON, Jan. 29 -Mrs. Eliza M., widow of the late Samuel Glass, died very suddenly yesterday from paralysis, in the 77th year of her age. The deceased lady, who was born in Armagh, Ireland, came to this section of the country in 1849, while the site of London was yet a dense forest. In 1876 Mr. and Mrs. Glass celebrated their golden wedding, Mr. Glass dying one year later, while his widow enjoyed uninterrupted health until yesterday. Five sons survived Mrs. Glass: William, who is Sheriff of Middlesex; Samuel and Archibald, also residents of this city; David Glass, Q.C., of Winnipeg, and James, a resident of Detroit. Mrs. Glass was a worthy member of the Methodist denomination and was highly esteemed by a wide circle of acquaintances and friends.

No hopes are now entertained of the recovery of Vicar-General Bruyere, who is suffering from paralysis,

Proceedings to Oust Oshawa Councillors. OSHAWA, Jan. 29.—Three of the Oshawa councillors who have sat at the Council board since the inaugural meeting of 1888, one of whom is second deputy reeve, have been served with writs alleging that they are not qualified. It is rumored that one of them will resign in a day or two and that the other two will try to qualify.

Colored Carolintans Lynched. PLYMOUTH, N.C., Jan. 29. - Jack Blount, his brother, Matthew Bleunt, and Patterson Spruitt, all colored, were taken from jail by a masked mob on Thursday night and shot to death. They were charged with killing John Dawson, a pedlar, on New Year's Pay.

Naptha Explosions at Binghamton. BINGHAMTON, Jan. 29. - John Sullivan, an employe of the Binghamton Gaslight Company, was fatally burned yesterday by an explosion of naphtha. During the excitement following this accident, naphtha flowed into the street and finding its way into the State street sewer, caused several explosions in business
