**PROSPECTUS OF A MONTHLY MAGAZINE, ENTITLED THE EVANGELICAL HERALD.**

IT has long been lamented by the friends of Evangelical Truth, and those who have the best interests of society at heart, that in the Canadas there was no periodical publication solely appropriated to the diffusion of Divine truth, and conveying to our numerous, but widely scattered inhabitants, a knowledge of the state and progress of Religion in our own country, and various parts of the world, and at the same time forming an instructive and entertaining Miscellany for the use of the rising generation.

The Editors of the *Evangelical Herald* have for many years been fully aware of the want of such a work and the advantage which would result from its circulation, to the Church of Christ and the country at large. They now come forward to attempt to supply the deficiency, and solicit the patronage of the public, and friends of vital godliness, to carry into effect their well meant design.

It is proposed that the *Evangelical Herald* shall be printed once a month, and shall contain not less than 32 pages, 8vo. neatly executed in letter-press, in the usual form of a magazine. The price not to exceed one shilling each number, (Halifax Currency.)

Besides a variety of useful and entertaining matter, original and selected from British and American periodical publications and authors of acknowledged merit, the *Evangelical Herald* will exhibit biographical sketches of eminent characters, obituary notices, contain essays and dissertations on moral, theological and philosophical subjects; sacred and profane history will form a compendium of domestic and foreign intelligence, giving an impartial account of revivals of religion, the formation and success of missionary and bible societies, and such institutions as are interesting to the pious and benevolent mind. It will also contain original and selected poetry. The whole forming a volume of practical divinity calculated to promote true piety, by exciting a love of reading, and at the same time directing the mind to the only pure fountain of religious knowledge, the *Holy Scriptures*.

No pains will be spared by the conductors of this journal to render it respectable and worthy of public patronage. Every reader who feels interested in the perusal and propagation of scripture truth, will find the pages of the *Evangelical Herald* faithfully devoted to his service.

Communications (post paid) which may advance the interest and prosperity of the Redeemer's Kingdom, will be thankfully received by the Publisher, Mr. H. C. Thomson, Kingston, or by the editor at Brockville, Elizabethtown, and those from the upper part of Canada, by the editor at Fredericksburgh, and find a ready insertion in this miscellany.

Subscriptions received at the office of the *Upper Canada Herald*.
