POWELL'S BALSAM OF ANISEED,

COUGHS, COLDS, SHORTNESS OF BREATH, ASTHMAS, &c.

BREATH, ASTHMAS, &c.

THIS invaluable Medicine has the extraordinary property of immediately relieving Coughs, Colds, Hoarseness, difficulty of
Breathing, and Huskiness in the Throat.—
It operates by dissolving the congealed
Phlegm, consequently causing a free expectoration.

These who are troubled with that upplease.

Those who are troubled with that unpleasant tickling in the Throat, which deprives them of rest night after night, by the incessant Cough which it provokes, will, by taking one dose, find immediate relief; and one bottle in most cases will effect a cure.

Numerous cases have come to the Proprietor's kowledge, where young people have been troubled with Coughs, Spitting of Blood, and gradual Wasting away, with every appearance of going into a decline; who, by taking two or three bottles, have been entirely cured.

by taking two or three bottles, have been entirely cured.

In Asthmas, Chronic Coughs, difficulty of Breathing, &c. no pen can describe the wonders that have been perfermed by this invaluable Medicine: many, who for years have been unable to lay down in their beds without a danger of being choked by the accumulation of Phlegm, (which invariably causes a dreadful Cough) others, who with difficulty could breathe at all in a recumbent posture, have, by taking one dose of this excellent Balsam, been enabled to lay down comfortably in their beds. But the teatimonials of those who have experienced its wonderful effects, will do more to recommend and ensure it the support of the Public than any thing the Proprietor can say in its favour, and by particular request he has published the following extraordinary cases.

Extract of a letter forwarded by James Fair, Esq., of Lustruther, Roxburghshire, to Mr. Renwick, of Jedburgh, who forwarded it to Mr. Powell.

Lustruther, 18th Jan. 1830.

"Dear Sir,

"You know that I was sceptical with regard to the wonders performed by the administration of Patent Medicines to the numerous complaints of 'afflicted patients,'—I have now sitered my opinion, at least in so far as to the effect produced on me by two does of 'Powell's Balsam of Aniseed.' In fact it was quite magical! Having been for some time afflicted and tormented with what is termed a 'Stomach Congh,' I took one tea-spoonful of the bottle sent me, mixed with a wine-glassful of cold water, in the morning, and the same in the evening on stepping into bed; although prevented from stepping into bed; although stepping into bed; although stepping into bed; although stepping into bed; although

THE subscriber respectfully begs leave to announce that he has taken the house lately occupied by Mr. Thomas Bamford, known as the Steam-Boat Hotel, but better by the comfort it conferred on travellers, under his respectable management; and hopes by assiduity and attention to preserve that excellent establishment in full reputation and credit. To this end every possible care will be taken to provide all things conducive to comfort of the best that money can purchase, and he doubts not but that all my who honour him with their patronage, will find pleasure in recommending their friends to the same treatment and attention they themselves shall have received.

The stabling and other accommodations for horses and carriages are extensive and of the first class, and diligent and well approved persons will be constantly employed to keep them in all respects ready, and applicable to the immediate use of travellers.

Soon as it is pessible, the house will be constantly furnished with the New-York, Montreal, and other provincial papers; and the subscriber begs to announce that he has already taken means to procure for the benefit of his guests, the Daily London Times, as understanding it to be the most interesting of all the London prints. During the season it is his purpose to keep a never failing supply of the finest oysters that can be obtained.
