PROVINCIAL PARLIAMENT.

HOUSE OF ASSEMBLY. Tuesday, Feb. 6th, 1827.

Mr. Secretary Cochran was admitted, and sented a Message from His Excellency. ith the Public Accounts and Estimate for 27; also recommending a General Penientiary; also an appropriation for £1805, verdrawn by Sir Francis Burton while adistering the Government.

Mr. Secretary Cochrane, was admitted ith the following Messages from His Exellency the Governor in Chief:

The Governor in Chief informs, the Asmbly that the necessary expenses of the hen made in the last Session in such ex-sid Revenues and to provide for such ex-pences, he has been under the necessity of advancing the amount thereof, being a sum other French papers. f £2318 19s. Od. sterling out of the unappropriated monies, according to the sums tated in the estimate submitted to the Asaccounts from many directions still speak of negotiations at Constantinople, between the Assembly to make good the amount so advanced for indispensable public services on the pressing emergency of the case, and also the amount advanced for pensions and other services not provided for, as shewn by

The Governor in Chief also lays before the Assembly, a list of sums advanced by m on accountable warrants for the salaries of the officers of the Legislature and other alaries and expences of Government for the hist year, which were left unprovided for at the most satisfactory intelligence with respect to the affairs of Portugal. re. These advances having been made would thereby h ve been exposed, he made her voyage home in six days.

Castle of St. Lewis, Quebec 7th Feb. 1827. "The Governor in Chief recommends to the Assembly to provide for the annual expenses incident to the execution of the Militia Act, by making an appropriation for the pay if the officers of the staff of the militia as formely, and also for the necessary litia as formely. itia as formely, and also for the necessary by whom it was received with every demonstration of gratitude and enthusiasm.

The extraordinary rapidity with which the succour of England had reached the shores of Portugal excited general admiration.—While they were only hoping to hear of promised aid, British ships and British the Act."

Activity of the department; and also for the necessary expenses under the extraordinary rapidity with which the succour of England had reached the shores of Portugal excited general admiration.—While they were only hoping to hear of promised aid, British ships and British the Act."

Activity of the department; and also for the necessary expenses who mit was received with every demonstration of this decree will be considered as a crime against the state, and punished according to the laws:

6th. The Grand National Convention will be convoked, conformably to the decree of the 17th of December, in order to open the Act."

From 70 to 240 Gallons; Sugar Kettles, or of port Ash Coolers, from 7 to 25 Gallons; Dutch of promised aid, British ships and British the Act."

Civen at Porto Cabello, January 1st. 1827.
