THE MARMORA

These works are situated in the Township of Marmora, in the County of Hastings, in the Midland District of the said Province, and are esteemed one of the most valuablproperties in the foundery line, in British North America; and one, it is considered, which cannot fail, under proper manage ment, to realize to a purchaser, profits sel tom arising to Capitalists from other investments of Capital.

These works (in the establishment of which, upwards of thirty thousand pounds sterling have been expended) consist of two Furnaces, the one capable of yielding two tons, and the other one ton of Iron in the twenty-four hours, with the necessary buildings connected there with ;-a Forge for the manufacture of Bar Iron, with four Fires and two Hammers, a Saw Mill, Flour Mill, Bark Mill and Tannery, all impelled by water, of which there is an abundant supply-Carpen-

and 8534 acres in the adjoining Township of Belmont, in the New Castle District, for which a deed in fee will be given, and upon which are inexhaustible mines of Ore, genrally of a good quality, with 1500 acres of Land granted conditionally in perpetuo by he Government, as fuel reserves, the con lition being, that the works are never pernitted to cease, three successive years.

The distance at present, at which the tween two and three miles-the Lake Ore their cargoes, and every description of pers brought by water, five miles-and other sonal Property, against Ore useful to be employed in the making of good Iron, is breaght by land, a distance of six miles.—Ore of the purest quality known in the British Provinces, may be had at an unfixed expense of mming, within a few hundred yards of the Works, mixed with which, is yellow ochre, red earth, and

lack lead in great quantities. These Works are established on Crow River, a mile below the Crow Lake-this River, interrupted by many large rapids, for loss will be liberally adjusted and promptonnects with the River Trent-the distance by land to the North of the Trent, the head of navigation, is 31 miles.

The limits of an advertisement will not admit of an enumeration of the many advantages of this property, neither is it the purpose of the proprietor, by any exaggerated statement, to induce persons desirous to pur chase, to trust to his representation, and ave the trouble of personal inspection.

That it is at least equal to the representation here made of it-any persons viewing plans of the Works left at the different adertising offices in London, Liverpool, New Works are sufficient to supply the Province of King's Bench, and to me directed, in favor of Upper Canada with Bar Iron and Iron of our Sovereign Lord the King against James Ware, and at a price much lower than they Ware, and at a price much lower than they an be brought from the Lower Province.

The object in selling, is to fulfil the conlitions upon which this property was pla namely, to pay over the proceeds to the creditors of Mr. Charles Hayes, the original proprietor, sach sale being demanded by the najority, in amount of debts of the said crelitors.—For further information, applica-ion to be made to Messrs. GOULD, DOW E & Co. in London, Mr. MANAHAN, at the Works, or to the subscriber in PETER M'GILL.
