If proof of Settlement Duties, as above required, with or without residence, be not produced to the surveyor General within one year and a half, the lot shall be again open to Location.

And further, that in respect to all Locations made before this date, the Grantee shall have the option of performing the Settlement Duties either according to this regulation, or to the regulations which were in force before the making of this order.

Coughs, Asthmas, and Consumptions.

THE Public are respectfully informed that ANDERSON'S COUGH DROPS, and PECTORAL POWDERS as prepared by James Mellen, & Co. have from an extensive use for 10 years past proved themselves to be one of the most valuable remedies ever yet discovered, for the cure of Coughs, Colds and other affections of the breast and lungs leading to Consumptions. Thousands have experienced the happy effects of this Healing Balsam, and many of the highest respectability have voluntarily given certificates, some of which will accompany each Bottle, that will satisfy every unprejudiced mind that the most extraordinary and unexpected cures have been performed by the use of this medicine in cases of long standing, in which other medicine had produced no favourable effects, and where the most skillful physicians had given them up as hopeless. It is not pretended that they are an infallible cure in all cases, but such as are incurable, there are but few cases of Coughs or even seated Consumptions but may be relieved by a timely use of this Healing Balsam. Each Dollar Bottle contains about 70 doses, which proves it to be a cheap Medicine considering their virtues.

New Certificates. To James Mellen, Hudson, N. Y. In the spring of 1818, Mr. Eleazer Harris, a man in very indigent circumstances, and who had laboured for me occasionally for more than a year, was violently seized with an affection of the lungs, accompanied by a tight dry cough, frequently unable to raise any thing for nearly half an hour, and then, coughing and spitting blood. His cough was so severe and incessant, that he soon became much emaciated, his eyes glassy, and his strength left him to that degree that he was wholly unable to labour. Compassionating his situation, a friend of mine and myself procured for him one bottle of Anderson's Cough Drops, by the use of which, in about three weeks (to my astonishment) he was so far restored as to be able to perform his usual labour. Hillsdale, Feb. 19, 1828.

Robert Kidney, of Rochester, Monroe County, N. Y. do hereby certify that for a long time I was reduced by an affection of the lungs, attended with pain in the breast, difficulty of breathing, &c. that my life was despaired of, and given up as incurable by a council of five Physicians, but by the advice of Doct. G. Hitchcock, of Rochester, was induced to make trial of your Anderson's Cough Drops, and by using one bottle was restored to perfect health. I would therefore recommend all those afflicted with a similar complaint, to make use of the same as early as I am perfectly satisfied that it will save my life. ROBERT KIDNEY, Rochester, March 11, 1828.

CAUTION. BEWARE OF COUNTERFEITS. Every purchaser who values health must be careful to see that the bottles are stamped in the glass with the name of the proprietor, prepared by J. Mellen, and that the directions are signed JA'S MELLE.—Be careful and examine before you purchase, as there are two spurious kinds in market. The above is the true postscript of the original. E. LESSLIE, & SONS, and C. HEATH, Kingston.
