

POWELL'S BALSAM OF ANISEED,
FOR
COUGHS, COLDS, SHORTNESS OF BREATH, ASTHMA, &c.

THIS invaluable medicine has the extraordinary property of immediately relieving Coughs, Colds, Hoarseness, difficulty of Breathing, and Housiness in the Throat. It operates by dissolving the congealed Phlegm, consequently causing a free expectoration.

Those who are troubled with that unpleasant tickling in the Throat, which depresses them of rest night after night, by the incessant Cough which it provokes, will, by taking one dose, find immediate relief; and one bottle in most cases will effect a cure.

Numerous cases have come to the Proprietor's knowledge, where young people have been troubled with Coughs, Spitting of Blood, and gradual Wasting away, with every appearance of going into a decline; and by taking two or three bottles, have been entirely cured.

In Asthma, Chronic Coughs, difficulty of Breathing, &c. no pen can describe the wonders that have been performed by this invaluable medicine; many, who for years have been unable to lay down in their beds without a danger of being choked by the accumulation of Phlegm, (which invariably causes a dreadful Cough) others, who with difficulty could breathe at all in a recumbent posture, have, by taking one dose of this excellent Balsam, been enabled to lay down comfortably in their beds. But the testimonials of those who have experienced its wonderful effects, will do more to recommend and ensure its support than the Proprietor can say in its favour, and by particular request he has published the following extraordinary cases.

Extract of a letter forwarded by James Fair, Esq., of Leamington, Roxburghshire, to Mr. Newwick, of Jedburgh, who forwarded it to Mr. Powell.

"Dear Sir,
"You know that I was sceptical with regard to the wonders performed by the administration of Patent Medicines to the numerous complaints of afflicted patients. I have never altered my opinion, at least in so far as to the effect produced on me by two doses of 'Powell's Balsam of Aniseed.' In fact it was quite magical! Having been for some time afflicted and tormented with what is termed a 'Stomach Cough,' I took one tea-spoonful of the bottle sent me, mixed with a wine-glassful of cold water, in the morning, and the same in the evening on stepping into bed; although prevented from sleeping the whole of the previous night, I found myself entirely cured, not having even coughed from that time to this, a period of at least a week! Had one of the 'Sarcophag' descended from Heaven and said 'be ye whole,' the effect produced could not have been more immediate or effectual.

"You are at liberty to make what use you may think proper of this letter, for its contents are no less true than wonderful."
Kingston, Upper Canada, 28th June, 1831.
Mr. Wm. Hough, Montreal.

Sir—Having been for a very long time troubled with a severe cough, with difficulty of breathing (particularly when lying down) so much so, as at times almost to produce suffocation, and after trying several remedies in hopes of a cure but without effect, I was induced during my late visit to Montreal to purchase a Bottle of Powell's Balsam of Aniseed, having heard of its extraordinary properties, and I beg to assure you that the effect it had upon me, after taking one or two doses, was an almost instantaneous cure. I beg to certify to you that you have forwarded a supply of this invaluable medicine to Mr. H. Smith, of Kingston, and I have no doubt the demand for it will be as extensive in Upper Canada (in proportion to the population) as any other part of the world where its virtues are known. You are at liberty to make any use of this letter you may think proper, and I hope it may prove one of the means of increasing the sale of the Balsam and thereby benefitting mankind.
I am, Sir,
Your most obedient Servant,
DUNCAN VANALSTINE.

PRING IMPORTATIONS.
J. W. ARMSTRONG, & Co.

RESPECTFULLY announce their first spring importations for the Summer season, just received per ships Droie, Cherub, John Welsh, and Rapid, from Liverpool, and Ottawa from London; together comprising an extensive and well assorted stock, which they are enabled to offer at unprecedentedly low prices.

Their Woollen department will be found to comprise the choicest selection of Gentlemen's superfine BLACK, BLUE, BROWN, OLIVE, CLARET, MULBERRY, and other fancy CLOTHS and CASSIMERES: Fine Merino and common do.

In Cotton, Worsted, and Silk Staples, their assortment is very complete; and particular attention has been paid to the selection of their FANCY GOODS.

From their personal attention in the English market, as well as to the decline in value of the present season, they have necessarily to require comment.

COUNTRY MERCHANTS will find it to their interest to call and examine: J. W. & Co. being firmly determined, that no commodity shall be brought to market unless they are satisfied to represent as genuine, a superficial article, or look for more than the smallest remunerating profit; and regarding the system of Multifarious prices, as not only distasteful in itself, but also exposing the unwary purchaser to fraudulent charges; have marked their goods at the lowest possible prices, for Cash, from which no deviation can be made.
