POWELL'S BALSAM OF ANISED,

FOR COUGHS, COLDS, SHORTNESS OF BREATH, ASTHMAS, &c. THIS invaluable Medicine has the extraordinary property of immediately relieving Coughs, Colds, Hoarseness, difficulty of Breathing, and Hoarseness in the Throat.—It operates by dissolving the congested Phlegm, consequently causing a free expectoration. Those who are troubled with that unpleasant tickling in the Throat, which deprives them of rest night after night, by the incessant Cough which it provokes, will, by taking one dose, find immediate relief; and one bottle in most cases will effect a cure. Numerous cases have come to the Proprietor's knowledge, where young people have been troubled with Coughs, Spitting of Blood, and gradual Wasting away, with every appearance of going into a decline; who, by taking two or three bottles, have been entirely cured. In Asthma, Chronic Coughs, difficulty of Breathing, &c. no pen can describe the wonders that have been performed by this invaluable Medicine: many, who for years have been unable to lie down, in the most violent attack of this complaint, have, by the accumulation of Phlegm, which invariably causes a dreadful Cough, others, who with difficulty could breathe at all in a recumbent posture, have, by taking one dose of this excellent Balsam, been enabled to lay down comfortably in their beds. But the testimonials of those who have experienced its wonderful effects, will do more to recommend and ensure it the support of the Public than any thing the Proprietor can say in its favour, and by particular request he has published the following extraordinary cases. Extract of a letter forwarded by James Fair, Esq., of Lastruther, Roxburghshire. Mr. Kenneth of Jedburgh, who forwarded it to Mr. Powell. Lastruther, 18th Jan. 1830.

"Dear Sir, You know that I was sceptical with regard to the wonders performed by the administration of Patent Medicines to the numerous complaints of afflicted patients—I have now altered my opinion, and am as far as to the effect produced on me by two doses of 'Powell's Balsam of Anised.' In fact it was quite magical! Having been for some time afflicted and tormented with what is termed a 'Gouty Cough,' I took one tea-spoonful of the bottle sent me, mixed with a wine-glassful of cold water, in the morning, and the same in the evening on stepping into bed; although prevented from sleeping the whole of the previous night, found myself entirely cured, not having even coughed from that time to this, a period of at least a week! Had one of the 'Serpentine Pills' descended from Heaven and said 'be ye whole,' the effect produced could not have been more immediate or effectual."

"You are at liberty to make what use you may think proper of this letter, for its contents are no less true than those of the 'Kingston Upper Canada,' 28th June, 1831. Mr. Wm. Hough, Montreal. Sir—Having been for a very long time troubled with a severe cough, with difficulty of breathing (particularly when lying down) so much so, as at times almost to produce suffocation, and after trying several remedies in hopes of a cure but without effect, I was induced through my late friend, Montreal, to purchase a Bottle of Powell's Balsam of Anised, having heard of its extraordinary properties, and I beg to assure you that the effect it had upon me, after taking one or two doses, was almost instantaneous cure. I am happy to observe that you have forwarded a supply of this invaluable Medicine to Mr. H. Smith, of Kingston, and I have no doubt the demand for it will be as extensive in Upper Canada (in proportion to the population) as in any other part of the world where its virtues are known. You are at liberty to make any use of this letter you may think proper, and I hope it may prove one of the means of increasing the sale of the Balsam and thereby benefiting mankind. I am, Sir, Your most obedient Serv't. DUNCAN VANALSTINE. Prepared and Sold by THOMAS POWELL, Black Friars Road, London; and 28, Newington Place, Kennington. Sold also by appointment by Mr. Wm. Hough, Drugs, St. Paul Street, Montreal; and Mr. H. Smith, in Kingston and Halifax, Upper Canada, in Bottles at 1s. 6d. and 3s. each.

IMPORTANT CAUTION. Observe that the words 'Thomas Powell, Black Friars Road, London,' are (by permission of His Majesty's Hon'ble Commissioners of Stamps) Engraved in White Letters upon a Red Ground, in the Government Stamp, pasted over the top of each Bottle, without which it cannot be genuine. LANDS FOR SALE

THE CANADA COMPANY have for sale 2,293,000 Acres of Land of the following description:— 1st. Crown Reserves. These are Farms generally of 300 Acres, which were reserved when the Land was originally surveyed, and have been sold by the Crown to the Canada Company, who are now selling them out to individuals wishing to settle on them: they are scattered in almost every Township throughout the Province, which gives to Emigrants who have friends or relations already settled in the Province the means of choosing a situation in their vicinity. For the benefit of Emigrants who cannot afford to purchase a whole Lot, the Company divide their 300 Acre Lots into two and sell a half Lot; this is a Farm of about 150 Acres, that suits the convenience of purchasers. When the Colony was first settled several Townships were surveyed without reserving one seventh for the Crown; but the Crown's proportion of Land was reserved in Blocks, in the unsurveyed, or partially surveyed, Townships: these Blocks are situated chiefly in the Gore and Western Districts:—The first of these is Godrich, situated about 21 miles from the head of the Lake Ontario; it consists of about 42,000 Acres, of which about 15,000 are still for sale; it contains nearly 1,300 inhabitants, and a Village in which are a good Grocer and Saw Mill, Stores, Taverns, a School, and all kinds of Mechanics and Tradesmen; a Presbyterian and Episcopal Church are in progress, and a Catholic Church has been erected; a Minister of the Kirk of Scotland resides there, and a Catholic Priest and Church of England Clergyman occasionally visit it. From the class of Emigrants that have lately gone there, and from the convenience attending settlement of some standing, it will be found a desirable residence for persons of moderate Capital, and would probably make a good investment for Capital. Persons desirous of purchasing parcels of Choice Farms, can generally procure them in the Township. The other Blocks are all excellent Land, and would be desirable purchases for communities of Settlers. 2d. The Huron Tract. After the experience of five years, and after every part of it having been thoroughly explored, the Commissioners can with confidence recommend the Land of this tract as superior to any body of Land of equal magnitude, either in the Province of Upper Canada or the States of New-York, Pennsylvania, Ohio, or the Territory of Michigan. The tract is rich in the Sugar Maple, Sugar Maple, Basswood, Elm, Beech, and Cherry—Timber, which is known in this Country to indicate the very best land. It is a Table Land, being from 150 to 250 feet above the level of Lake Huron, but its soil is diversified and rolling; it is watered by numerous streams, and possesses every quality which ensures a good settlement. The Town of Godrich is the Capital of the Huron Tract, which is the seat of the River Mill, the Basin of which forms an excellent Harbour; it contains several Stores, and there is a good Brick and Saw Mill in its immediate vicinity. Another Town, on a large scale, is situated on the River Sable, and three Grist and as many Saw Mills will be commenced in the course of this Season. One great advantage which the Huron Tract possesses over other world Lands is its Roads; these have been cut at an immense expense, in the very best manner that Roads are constructed in this Country. The Harbour of Godrich gives a facility of Shipping produce at the one end of the Tract, while the Grand River runs through it this Summer he rendered navigable; and it is thus proposed to run the Nine or ten miles giving a water communication to each end of the Tract. Depots of Provisions and Tools are forming along the main Road, and Taverns are established at convenient distances from each other. To encourage the settlement of their lands, the Canada Company have, for the present Season, resolved to give settlers who purchase from them in the scattered Crown Lands, not less than 200 Acres, in the Township of Guelph and the Huron Tract, 100 Acres, a Passage free of expense to the Head of Lake Ontario, in the following manner:—The Emigrant deposits with the Company's Agent at Quebec a sum of money equal to the price of his conveyance to the Head of the Lake, and takes a Receipt for it, getting at the same time a Pass Ticket to the Company's Forwarder on the route; who has his first upon his Land, he shows this Receipt to the Agent, or presents it at the Company's Office in York, and it taken in part payment of his second instalment. As to the whole, the Commissioners have used every means in their power to give the settler the best information, the cheapest modes of conveyance, and done every thing they possibly could to assist and facilitate all his undertakings to render himself comfortable and independent.
