NEW-YORK AMERICAN, The Tri-Weekly American contains the same that is given in the DAILY paper, and differs from it only in being published every other, instead of every day. This is the only Tri-Weekly paper published in New-York. It is a very convenient medium of intelligence, at a very cheap rate, for Gentlemen in the country, who wish not only to read the news of the day, but also to learn what is doing in the business community. In the Tri-Weekly, as well as in the Daily New-York American, will be found, in addition to the news and advertisements of the day, an extensive Marine List, Sales of Stocks and of Real Estate, Prices Current, and Bank Note Table, and all for the moderate price of five dollars a year in advance, or just one half the price of a daily paper, as it is of the postage. Although it contains as much reading and advertising as the daily paper, the advertisements are not so often published in it as in the daily, which enables us to give all the reading matter of the Daily.

TERMS, FIVE DOLLARS per year, in advance. AMERICAN RAILROAD JOURNAL AND ADVOCATE OF INTERNAL IMPROVEMENTS, Volume 2d.—This Journal was commenced on the 1st of January, 1832, with a single subscriber. It has now just commenced its second volume, with one thousand subscribers, scattered in every state in the Union. It was at first devoted to the subject of Rail-roads & Internal Improvements, news of the day; but it now embraces in addition to the above, a department for Agriculture, and another for the Mechanics Arts, wherein will be found an account of most new inventions. Such, indeed, has been the encouragement held out, that the publisher is induced to extend its usefulness, by making it, not only a journal of the progress of Internal Improvements by means of Railroads, Canals, and Steam Carriages, in our own country and in Europe, but also by making it a journal of mechanical improvements and inventions, and thereby collecting a greater variety of useful information, relating to such subjects into a smaller compass, and at a less cost than can be found in any other publication now before the public. Arrangements have been made to give engravings or illustrations of such new inventions as may be deemed important to the community. The American Railroad Journal and Advocate of Internal Improvements, will also contain much interesting and useful literary and news reading, with such public documents as may be deemed worth recording for future reference. It will also contain Miscellaneous Tales, &c. at Montreal, N. C. New York City, Charleston, S. C. together with others kept at intermediate places. We have also the promise of one kept on Red River, in Louisiana; also, Prices of Stocks, Sales of Real Estate, Prices Current, and Bank Note List, &c. &c. according to quality.

TERMS, THREE Dollars per annum, in advance, and will not be sent without, as at its present price, it will not pay a commission for circulating, nor be less arising from want of punctuality on the part of subscribers. THE AMERICAN FLOUR-BOY. This is a small agriculture paper, designed more particularly for those who do not choose to take a more expensive work and yet are desirous to understand how other manage agricultural affairs. It will in a measure be confined to giving details of the practical operations of practical farmers, rather than the speculations of the more scientific. It will draw considerably upon the columns of the New-York Farmer and Gardener's Magazine, as well as other agricultural publications. It will also give many interesting items of news and occurrences of the day, and devote one page out of four to advertisements, is required.

TERMS, \$1.50 per annum, in advance to single subscribers; or twelve copies will be sent for \$15, if paid in advance. All communications for any of the above works may be addressed to the Proprietor, D. K. MINOR.
