Kingston, July 17, 1838.

VALUABLE LAND FOR SALE. N South Crosby, County of Leeds, District of Johnstown:—Being No. 5, in 1s Con., and No. 4, in 2d Con. of said town ship—situated on what is called the While fish branch of the Gananoque Lake, and oc cupying one entire side thereof—consisting entirely of broken fronts and containing

about 94 acres.

This land is generally of excellent qualty, and is particularly valuable on account of its communication with the Rideau Cinal, its near proximity to a mill, and is being near where the Perth road connects with the back road to Kingston; from which latter place it is distant only about 25 miles.

This estate is well worthy the attention by distinguished Composers—harmonized for the accounts of its effects: Gems of Poetry—Sacred, Moral, and Historical: Elegant and Useful Literature:

This flattering encouragement has enabled who feels a disposition to aid the circulation for surpassing the most sanguine expectations of its founders.

This flattering encouragement has enabled to make in the province of th

the British Periodicals, which are so remarkable for their lively and sparkling tal ent, selected with a diligence and care that has drawn forth general approbation. Apr

ject of importance, either of general or cal interests, is found in one or the other these very cheap and comprehensive Jo

NEW WINE AND SPIRIT

ucation should, in general, appear so little to regard its improvement or prosperity—in fact it is treated as a subject quite remote from common life, by nearly all who are not immediately engaged in it. They perhaps cannot allow themselves to believe that agriculture alone can furnish the means by which trade and commerce can be carried on successfully in Canada.

I sincerely hope to induce all who may take the trouble of readidg my book, to reflect on the subjects I shall submit for their consideration, and that they will join heartily in promoting necessary improvements, and thus advance the wealth and prosperity of the land of their birth, and of their choice.

As a work of this description cannot be published in English and French without incurring considerable expense, it would be necessary for me to have as many subscribers as would insure my expenses. Subscription lists will be left at the several Book-Stores in Montreal. The work, I expect, will not exceed four parts, at 1s. 3d, each mat. The

in Montreal. The work, I expect, will not exceed four parts, at is. 3d. each part. The first part to be published when there are a sufficient number of Subscribers. I expect the whole might be published before the first of May next.

The four parts will contain from 250 to 300 pages, and may be bound in one volume. I shall do all in my power to make the book worthy of the patronage of all who desire to promote the prosperity of Agriculture, as well as of those who practice the art.
