CURE FOR WORMS.

B. A. FAHNESTOCK'S VERMIFUGE, PREPARED BY B. A. Fahnestock & Co. Pittsburgh, Pa.

THIS preparation has now stood the test of several years' trial, and is confidently recom- mended as a safe and effectual medicine for expelling worms from the system. The unex- pected success that has attended its administra- tion in every case where the patient was really afflicted with worms certainly renders it worthy the attention of Physicians.

The proprietor has made it a point to ascertain the result of its use in such cases as came within his knowledge and observation; and he invariably found it to produce the most salutary effects; he has therefore recommended all the or- dinary preparations recommended for worms had been previously resorted to without any permanent advantage. This fact is attested by the cer- tificates and statements of hundreds of respecta- ble persons in different parts of the country; and should induce families always to keep a vial of the preparation in their houses. It is mild in its operation, and may be administered with perfect safety to the most delicate infant.

The genuine Vermifuge is now put up in one ounce vials, with this impression upon the glass, "FAHNESTOCK'S VERMIFUGE," and the directions accompanying each vial have the signature of the proprietor; any medicine put up in plain tin, or in any other manner which does not correspond with the above description, is not my Genuine Vermifuge. The subscriber deems it his duty to use the above precautions in order to guard the public against mistaking other worm preparations for his deservedly popular Vermifuge. The above medicine can be had at wholesale of C. Bristol No. 207 main st., Buffalo N. Y., or in New York City of Messrs. Hoadley, Phelps & Co. No. 143 water st. B. A. Fahnestock & Co. For sale in Kingston by Charles Heath, Noble Palmer, and J. W. Brent, Esqrs.

CAUTION.

The public are cautioned against a spurious article lately put forth by a worthless counterfeit in New York City, which is represented to be the "same as Fahnestock's." This article is entirely worthless having none of the virtues of our ex- cellent remedy, the only security to the public is to be very particular to enquire for B. A. Fahne- stock's Vermifuge and avoid all preparations hav- ing similar names.

MAGNETIC ODONTICA.

THE TEETH! THE TEETH! THE INCOMPARABLE TOOTH PREPARATION. THIS fact is proved, and the most incredulous and doubting are fully convinced of its great utility, as we have the evidence from the sale of about 25,000 boxes of the Odontica, with- out any exception, for its softening and penetrat- ing quality, to produce a good head of hair—to prevent it from falling off when baldness is apprehended—to restore it when baldness has taken place, and to prevent it from turning gray. It is more nourishing than pomatum, antique oil, or Cologne water. It is a beautiful article for ladies' curls—it makes the hair soft and lively, and produces uncommon brilliancy. Thousands have tested its superior virtues and ex- cellence, and in every instance it stands unrivalled. It is an infallible cure in all affections of the skin on the head—as dandruff, &c. &c. Every family should be supplied with a bottle of this oil, that by its application to the head and hair of children, the beautiful and ornamental appen- dages of a fine head of hair, which nature has bestowed upon us may be preserved.

EIGHT HUNDRED THOUSAND ACRES OF LAND

To be disposed of in Canada West, (late Upper Canada.) NO MONEY REQUIRED DOWN.

To Old Settlers, Emigrants, AND OTHERS.

THE CANADA COMPANY offer about EIGHT HUNDRED THOUSAND ACRES OF THEIR LANDS mentioned in the printed List of this year, which are in Blocks containing from 2000 to 8000 Acres each, situated in almost every Township in Canada West, on terms, it is believed, the most liberal and advantageous that have yet been made public.—By this new plan, the Company dispose of their Lands by way of LEASE for a term of TEN YEARS.

No Money being required down. The Rents payable annually being only equal to the Interest upon the present upset value of the Lands—thus for example, suppose 100 Acres, being now worth 10s. per Acre is £50, the Interest thereon is £3, which latter sum, and no more, is the amount of Rent to be paid each year.—full power being secured to the Settler to Purchase the Freehold, and take his Deed for the Land he occupies, at any time during the Lease, when most convenient to himself, at a fixed advance upon the present upset price; and of course, thereby saving all future payment of Rents. Assuming the value to be as above, (10s. per acre), the advance required for the Deed would be 1s. 3d. if paid within the first five years from date of Lease—or 2s. 6d. per Acre advance, if paid subsequently and previous to the expiration of the Lease.

The Lands offered (excepting only the Park and Town Lots in Guelph) vary in price from 2s. up to 13s 9d. per Acre—the Rents upon which would be respectively as follows, viz—	
Upon 100 Acres upset price being 2s. per Acre.	£ s. d.
Do - do - - - - 3s. do -	0 12 0
Do - do - - - - 4s. do -	0 18 0
Do - do - - - - 5s. do -	1 4 0
Do - do - - - - 6s. 3d do -	1 10 0
Do - do - - - - 7s. 6d do -	1 17 6
Do - do - - - - 8s. 9d do -	2 5 0

Do - do - - - - 12s. 6d do -	3 27 6
Do - do - - - - 13s. 9d do -	4 2 6

In order to afford every assistance to industrious and provident Settlers, the CANADA COMPANY will receive any sum, no matter how small the amount may be, for which their Settlers may not have immediate want, on Deposit, allowing Interest at the rate of Six per cent. per annum for the same, but it is clearly understood, that the full amount with interest accrued, shall at all times be at the disposal of the Settler, without notice. For this purpose the Company have opened an Ac- count, which is termed "Settler's Provident or Savings Bank Account,"—thus affording to the pro- vident Settler, every facility for accumulating sufficient money to purchase the Freehold of the Land which he Leases, whenever he chooses to do so, within the term of Ten Years; but should he have harvest, or any other unforeseen misfortunes visit him he has always the amount deposited, with Interest accrued, at his disposal to meet them.

The Lands are also to be disposed of upon the Company's former plan, viz.—for Cash down, or by One Cash, and balance in free equal Annual Instalments, with Interest.

The Company will remit from Canada any sum of money, however small the amount, to any part of the United Kingdom and Europe free of all charge. The Company will also remit any sum of money from Europe to Canada, by Letters of Credit upon their Commissioners in the Province free of expense, thus insuring the benefit of the premium of Exchange to the Emigrant, and likewise saving him from the inconvenience and too frequent loss arising from bringing his money with him in coin.

The Company, with a view to accommodate Emigrants having no immediate use for their funds, will allow Interest, at Four per cent. per annum, for money left with them for any period not less than Ninety Days—the money, however, being always at the Emigrant's disposal, without notice.

Every kind of INFORMATION UPON CANADA, and directions, that can possibly be useful to intend- ing Emigrants to Canada, will be readily furnished, free of all charge, by applying, personally or by letter, to the Company's Office in England,—Canada-House, St. Helen's Place, Bishopsgate-Street, London.

The new printed Lists of Lands, (which may also be seen in every Post-Office and Store in Cana- da West,) and any particulars, may be obtained, FREE OF CHARGE, upon application (if by letter, Post-paid) to the Company's Office in Toronto.

DR. EVANS' BEAUTIFYING LOTION.

HIGHLY esteemed for curing all Eruptions, Chancres, Redness, and Pimples on the Face, Neck or Hands, and effectually cleaning the complexion and removing all diseases of the skin.

Nothing contributes so much to our general success in life, as an engaging first appearance. This Lotion is admired as a most fragrant, mild, safe wash, and greatly esteemed for its virtues in cleaning, softening, and purifying the skin of all eruptions, so injurious to female beauty, and restoring it to a high degree of purity.

A beautiful and healthful complexion is the pride of all who possess it, and the envy of those who are deprived of it.

A good appearance is the best recommendation; and as the Beautifying Lotion purifies the skin and removes all Pimples, Blotches, Tans, Sunburn, and Redness, and produces a beauti- ful hue, it is the only cosmetic a lady should use at her toilet.

Gentlemen will also find this delightful rem- edy to remove all Roughness, Pimples, Ring- worms, Spots, Redness, Soreness of the face and nose, & every kind of eruption on the surface of the human body. It is particularly recom- mended to gentlemen to be used after shaving, as it will prevent the otherwise certain effect of all common soap in turning the beard prematurely grey.
