D R. LIBBY'S BI I TERS are a certain cure of Dyspepsy and Nervous Affections; they re peculiarly adapted to remove these distressing on plaints, not by constantly physicing, but by strengthening the system. No greater mistake can be made than to suppose that Dyspepsy, or any other disease arising from debility, can be cured by frequent forced action on the bowels with purching and cines. Where these complaints exist. the disease arising from debility, can be cirred by frequent forced action on the bowels with purgative med cines. Where these complaints exist, the system is already too weak, and every additional disease tends to make it more so. The Bitters, of the contrary, acting as a tonic, strengthen the digestive organs and assist them to perform their functions as nature designed. Hence it is found to be efficacious also in those diseases peculiar to females, which arise more frequently from weakness than from any of err cause. The aged and infirm of both sexes, and persons of sedentary hybrits prone to costiveness, who have suffered from less of appetite, have experience great benefit from them. In convalescence from fevers, and other acute disorders, it restores strength; and individuals afflicted with Nervous Headache, and other derangements of the nervous function, have been entirely cured by this remedy. Liver Complaint Cured.—Dr. Allen.—Dear Sir:—I have used your Balsam of Hoathound, Liverwort and Pleutisy Root, in my practice for some months past, and from the wonderful effects it his had. Adam had suffered from weak lungs since the age of 11 years, had generally a cough, pale countenance and loss of strength; this weakness of lungs inleeased until she was unable to speak a loud word Her medical adviser gave it as his opinion that she was in consumption, and that no reasonable hope could be entertained of her recovery. The first of last Match she commenced using Dr. Allen's Brisam of Hoathound, Liverwort and Pieurisy Root; the effect it had upon her was astonishing she regained her voice and health, and is perfect

More Astonishing Effects of Dr. Allen's Balasm. A short time ago an old lady came into our lotre to get a bottle of Dr. Allen's Balsam of Hoarhound, Liverwort and Pleurisy Root, fot her daughter, who, she said, was almost gone in consumption. She had not been able to leave her bed in some weeks. The old lady took a bottle home and gave it to her daughter. The proprietor has made it a point to ascertain the result of its use in such cases as came within his knowledge and observation; and he invariably found it to produce the most salutary effects; not unfrequently after nearly all the ordinary preparations recommended for worms had been previously resorted to without any permanent advantage. This fact is at tested by the certificates and statements of hundreds of respectatificates and statements of hundreds of respecta-ble persons in different parts of the country: and should induce families always to keep a vial

EIGHT HUNDRED THOUSAND ACRES OF LAND To be disposed of in Canada West, (late Upper Caada.)

SPO MOSPELIS REQUIRED DOWS.

To Old Settlers, Emigrants,

AND OTHERS.

THE CANADA COMPANY offer about Eight Hundred Thousand Acres of their Land mentioned in the printed List of this year, which are in Blocks containing from 2000 to 9000 acres each, situated in the Western District, and in Scattered Lots, containing from 80 to 200 Acres each, situated in almost every Township in Canada West, on terms, it is believed, the most liberal and advantageous that have yet been made public. By this new plan, the Company dispose of their Lands by way of Lease for a term of Ten Years,—

No Money being required down.

The Rents payable annually being only equal to the Interest upon the present upset value of the Lands—thus for example, suppose 100 Acres, being now worth 10s. per Acre is £50, the Interest thereon is £3, which latter sum, and no more, is the amount of Rent to be paid each year—full power being secured to the Settler to Purchase the Freehold, and take his Deed for the Land he occupies, at any time during the Lease, when most convenient to himself, at a fixed advance upon the present upset price; and of course, thereby saving all future payment of Rents. Assuming the value to be as above, (10s. per acre,) the advance required for the Deed would be 1s. 3d., if paid within the first five years from date of Lease—or 2s. 6d. per Acre advance, if paid subsequently and previous to the expiration of the Lease.

to the expiration of the Lease.

The Lands offered (excepting only the Park and Town Lots in Guelph) vary in price from 2s up to 13s 9d. per Acre—the Rents upon which would be respectively as follows, viz.—

Upon 100 Acres upset price being 2s. per Acre, { the whole yearly } 0 12 0 - 0 18 0 - 1 4 0 do = - 8s. do = do = - 4s. do do = -48.

In order to afford every assistance to industrious and provident Settlers, the Canada Company will receive any sum, no matter how small the amount may be, for which their Settlers may not have immediate want, on Deposit,—allowing Interest at the rate of Six per cent. per annum for the same; but it is clearly understood, that the full amount with interest accrued, shall at all times be at the disposal of the Settler, without notice. For this purpose the Company have opened an Account, which is termed "Settler, without notice. For this purpose the Company have opened an Account, which is termed "Settler's Provident or Savings Bank Account,"—thus affording to the provident Settler, every facility for accumulating sufficient money to purchase the Freehold of the Land which he Leases, whenever he chooses to do so, within the term of Ten Years; but should had Harvests, or any other unforseen misfortunes visit him he has always the amount deposited, with Interest accrued, at his disposal to meet them.

The Lands are also to be disposed of upon the Company's former plan, viz.—for Cash down, or by One-fifth Cash, and balance in five equal Annual Instalments, with Interest.

The Company will remit from Canada any sum of money, however small the amount, to any part of the United Kingdom and Europe free of all charge. The Company will also remit any sum of money from Europe to Canada, by Letters of Credit upon their Company is not province free of expense, thus insuring the benefit of the premium of Exchange to the Emigrant, and likewise saving him from the inconvenience and too frequent loss arising from bringing his money with him in coin.
