**CANKER OF THE MOUTH.**  
 Soremouth from canker, ulcerated or sore throat, pain in the breast are speedily cured by a few doses of Libby's Pills. These unpleasant and painful complaints are all cured by purifying the blood.

While merrily and bleeding, and other delicate remedies are becoming more and more unpopular, Libby's Pills are extending the sphere of their usefulness by the appreciation of a discerning public.

It is now well understood how much disorders of the mind depend for their cure upon a due attention to the body. It is now understood how infinite is that medicine which will remove morbid accumulations without weakening the bodily powers. It is now understood that there is a reciprocal influence between the mind and the body. It is now understood that purging with Libby's Pills will remove melancholy, and that even insanity is cured by perseveringly using them. It is now understood how much domestic happiness depends upon the healthy state of the digestive organs.

It is now well known that Libby's Pills have cured thousands of hopeless and helpless persons even when the first physicians had pronounced them beyond all human means of relief. It is now not only well known that Libby's Pills do cure, but it is also understood how they cure; and that it is by their purifying effect on the blood that they restore the body to health. For sale by CHARLES HEATH, Princess Street, Kingston, COMSTOCK & TYLER, New York, Wholesale Agents.

**DOCT. DELAMATER'S RHEUMATIC LINIMENT and RHEUMATIC INDIAN SPECIFIC,** is warranted to cure all cases of common Rheumatism; and any persons who procure articles and will use them faithfully according to directions, so as to be willing to testify to its effects, without being cured, shall have the purchase money refunded from the place where the articles are bought. To be had of CHARLES HEATH, Princess Street, Kingston, COMSTOCK & TYLER, New York, Wholesale Agents.

**DR. LIBBY'S BITTERS** are a certain cure of Dyspepsy and Nervous Affections; they are peculiarly adapted to remove these distressing complaints, not by constantly physicng, but by strengthening the system. No greater mistake can be made than to suppose that Dyspepsy, or any other disease arising from debility, can be cured by frequent forced action on the bowels with purgative medicines. Where these complaints exist, the system is already too weak, and every additional dose tends to make it more so. The Bitters, on the contrary, acting as a tonic, strengthen the digestive organs and assist them to perform their functions as nature designed. Hence it is found to be efficacious also in those diseases peculiar to females, which arise more frequently from weakness than from any other cause. The aged and infirm of both sexes, and persons recovering from the prostration of disease, who have suffered from loss of appetite, have experienced great benefit from them. In convalescence from fevers, and other acute disorders, it restores strength; and individuals afflicted with Nervous Headache, and other derangements of the nervous function, have been entirely cured by this remedy. For sale by CHARLES HEATH, Princess Street, New York, COMSTOCK & TYLER, New York, Wholesale Agents.

**DOCTOR ALLEN'S BALSAM OF HOARHOUD, LIVERWORT & PLEURISY ROOT,** for coughs, colds, consumption & liver complaint. Consumption is a disease often secretly lurking in the system for years before there is the least complaint of the lungs; and in this stage it can be cured as effectually and as certainly as any other disease. Let not persons delay the use of medicine, until their lungs are sensibly affected, but in the season resort to Dr. Allen's Balsam of Liverwort. This medicine has proved even the "Conqueror of Physicians," for which all mankind will have abundant cause to bless the hand of providence.

**Liver Complaint Cured.**—Dr. Allen—Dear Sir:—I have used your Balsam of Hoarhound, Liverwort and Pleurisy Root, in my practice for some months past, and from the wonderful effects it has had, I am fully satisfied that it possesses very superior virtues in the cure of Liver Complaint and Consumption. I do strongly recommend it to the public and the faculty.

Respectfully, J. D. RICHARDSON, M. D. West Long and Ross of York County—Mary Eliza, eldest daughter of Col. J. Adam, had suffered from weak lungs since the age of 11 years, had generally a cough, pale countenance, and loss of strength; this weakness of lungs increased until she was unable to speak a loud word. Her medical adviser gave it as his opinion that she was in consumption, and that no reasonable hope could be entertained of her recovery. The first of last March she commenced using Dr. Allen's Balsam of Hoarhound, Liverwort and Pleurisy Root; the effect it had upon her was astonishing; she regained her voice and health, and is perfectly free from all symptoms of consumption or weak lungs. The above is a true account of my daughter's case. COLVIN J. ADAMS, Salem.

More astonishing Effects of Dr. Allen's Balsam. A short time ago an old lady, came into our lot to get a bottle of Dr. Allen's Balsam of Hoarhound, Liverwort and Pleurisy Root, for her daughter, who, she said, was almost gone in consumption. She had not been able to leave her bed in some weeks. The old lady took a bottle home and gave it to her daughter. She had not taken the medicine out four days before she was able to go out, and actually called at our store almost perfectly cured. Such, dear reader, is the effect of this wonderful medicine. Not an instance can be produced of its having failed. For sale, wholesale and retail, by Wm. A. Tyler, 88 Barclay Street, New York; Also, by CHARLES HEATH, Princess Street, Kingston.
