D. R. LIBBY's BI I TERS are a certain cure of Dyspepsy and Nervous Affections; they are prouliarly adapted to remove these distressing complaints, not by constantly physicing, but by strengthening the system. No greater mistake can be made than to suppose that Dyspepsy, or any other disease arising from debility, can be cured gy frequent forced action on the bowels with purtative medicines. Where these complaints exist, the system is already too weak, and every additional dose tends to make it more so. The Bitters, on the confirm as a long, strengthen the orthe contrary, acting as a tonic, strengthen the digestive organs and as ist them to perform their functions as nature designed. Hence it is found to be efficacious also in those diseases peculiar to females, which arise more frequently from weakness than from any of ar cause. The aged and infirm of both severa and persons of sedentary has ness than from any of ar cause. The aged and infirm of both sexes, and persons of sedentary habits prone to costiveness, who have suffered from loss of appetite, have experience great benefit from them. In convalescence from fevers, and other acute disorders, it restores strength; and individuals afflicted with Nervous Headache, and other detangements of the nervous function, have been

DOCTOR ALLEN'S BALNAM OF HOAR-HOUND, LIVERWORT & PLEURISY ROOT, for coughs, colds, consumption & liver complaint. Consumption is a disease often secretly lurking in the system for years before there is the least complaint of the lungs; and in this stage it can be cured as effectually and as certainiy as any other disease. Let not persons delay the ase of medicine, until their lungs are sensibly affected, but in due season resort to Dr. Allen's Balsam of Liverwort. This medicine has proved even the "Conquerer of Physicians," for which all mankind will have abundant cause to bless the hand of providence.

all mankind will have abundant cause to bless the hand of providence.

Liver Complaint Cured.—Dr. Allen.—Dear Sir:—I have used your Balsam of Hoathound, Liverwort and Pleurisy Root, in ny practice for some months past, and from the wonderful effects it has had. I am fully satisfied that it possesses very superior virtues in the cure of Liver Complaint and Consumption. I do strongly recommend it to the public and the faculty.

Respectfully, J. D. RICHARDSON, M. D. Weak Lungs and Liss of Voice Cured.—Mary Eliza, eldest daughter of Colvin J. Adam, had suffered from weak lungs since the age of 11 years, had generally a cough, pale countenance, and loss of strength; this weakness of lungs increased until she was unable to speak a loud word. Her medical adviser gave it as his opinion that she was in consumption, and that no reasonable hope was in consumption, and that no reasonable hope could be entertained of her recovery. The first of last March she commenced using Dr. Allen's Belsam of Hoarbound, Liverwort and Pleurisy Root; the effect it had upon her was astonishing; she regained her voice and health, and is perfect-

A short time ago an old lady came into our latte to get a bottle of Dr. Allen's Balsam of Hearhound, Livetwort and Pleurisy Root, fot her daughter, who, she said, was almost gone in contamption. She had not been able to leave her need in some weeks. The old lady took a bottle home and gave it to her daughter. She had not taken the medicine but four days before she was able to go out, and actually cailed at our store amost perfectly cured. Such, dear reader, is the effect of this wonderful medicine. Not an instance can be produced of its having failed. For sale, wholesale and retail, by Wm. A. Tyler, 88 Barclay Street, New York, Also, by CHARLES HEATH, Princess Street, Kingston.
