## THE CANADA COMPANY.

One Million and a half Acres of Land TO BE DISPOSED OF IN CANADA WEST, (LATE UPPER CANADA.) NO MONEY IS REQUIRED DOWN.

TO OLD SETTLERS, EMIGRANTS, AND OTHERS.

THE CANADA COMPANY have for disposal about the stated quantity or LAND mentioned in the printed Lists of this Date. They consist of LOTS of from 100 to 200 ACRES EACH, scattered throughout the Country, and most of them surrounded by Old Settlements: of Blocks, containing from 1,000 to 10,000 Acres, situated in the WESTERN DISTRICT: and of a very extensive and important Territory, of 800,000 Acres, in the HURON DISTRICT, situated 90 Miles South of Owen's Sound.

The Lands are offered on the most liberal Terms, and are highly beneficial to the Settlers By this Arrangement, the Company dispose of their Lands by way of LEASE, for a TERM OF TEN YEARS;

NO MONEY BEING REQUIRED DOWN,

The Rents payable 1st February, in each Year, being less than the interest upon the Price Thus, for example, suppose the Purchase Money for 100 Acres to be 12s. 6d. per Acre, which is £62 10s, the Rent required thereon is £3; full Power being secured to the Settler to Purchase the Land be occupies at any time during the Term, upon Payment of the Price stated in Lease. The Company will make a liberal allowance upon the price, according to the period when the Settler pays, by anticipation, the Amount, and thereby save himself from further Rent.

These Lands, and others not included in the Leasing List, are also to be disposed of upon the Company's former plane viz., for Cash down, or by One Fifth Cash, and the Balance in Five equal Annual Instalments, with Interest.

In order to afford every assistance to industrious and provident Settlers, the Canada Company will receive any sum, no matter how small the amount may be, for which their Lessee Settlers

In order to afford every assistance to industrious and provident Settlers, the Canada Company will receive any sun, no matter how small the amount may be, for which their Lesseé Settlers may not have immediate want, on deposit; allowing Interest at the rate of Six per cent, per an unifor the same; but it is clearly understood, that the full amount, with interest accrued, shall at all times be at the disposal of the Settler, without notice. For this purpose the Company have opened an Account, which is termed "Settler's Provident or Savings Bank Account," thus affording to the provident Settler every facility for accumulating sufficient money to purchase the Frenchold of the Land which he Lezses, whenever he chooses to do so, within the term of Ten Years; but, should bad barvests; or any other unforeseen misfortunes visit him, he has always the Amount deposited, with Interest accrued, at his disposal, to meet them. The advantages of this account are confined to the Company's actual Lessee Settlers; during the continuance of their Leases.

REMITTANCE OF MONTES.

Anxious to assist Setflers, and others desirous of sending home Monies to their Friends, the Company will engage to place the Amounts in the hands of the parties for whom they are destined, free of all cost and expense, thus shving the Settlers all care and trouble in the business. The Company last year remitted to the United Kingdom and Germany nearly £3,000, in 329 Sums, averaging about £9 each: by this means, and during the last four months; they have already sent home a similar amount. The arrangements of the Company for this purpose are so complete, that the sums are placed in the parties' hands in Europe, free from any deduction, within about three days from the arrival of the Mail in England, accompanied by every kind of useful Information upon Canada.

The Company will also remit any sum of money from Europe to Cunada, by Letters of Credit upon their Commissioners in the Province, free of expense; thus insuring the benefit of the premium of Exchange to the Emigrant, and likewise saving him from the inconvenience and too frequent loss arising from bringing his money with him in coin.

The Company, with a view to accommodate Emigrants having no immediate use for their, funds, will allow Interest, at Four per Cent, per annum; for money left with them for any period not less than Ninety days—the money, however, being always at the Emigrants' disposal; without notice.

Every kind of information upon Canada, and directions, that can possibly be useful to intending Emigrants to Canada, will be readily furnished, free of all c arge, by applying personally, or by letter, to the Company's Office in England,—Canada House, St. Helen's Place, Bishopsgate Street, London.

The new printed Lists of Lands, (which may be seen in every Post Office and Store in Canada West,) and any particulars may be obtained, free of charge, upon Application, if by Letter, Post-paid, to the Company's Office, at Goderich, as regards the Huron Lands; at Freder ck Street, Toronto, as to all other Lands and Remutances of Money.

privileges of "Britons." And, while upholding the Monarchial power in the exercise of all its functions and prerogatives, it will, nevertheless, be found to be, on all occasions, the firm opponent of any attempt to trench upon the rights and immunities of the people. Adhering to this policy, The Fresholder will advocate the principles of Responsible Government—as enunciated by the Resolutions of September, 1841—as interpreted by Lord Durham's Report—and as understood by the great body of the people of Canada. A considerable portion of its columns will be devoted to the interests of Agriculture and Commerce, and space will always be reserved for the exposition occasionally of such facts touching the management and condition of "local affairs" in the Eastern District as may be thought of public interest. The Subscriber pledging himself that no pains will be spared to render The Fresholder an effectual remotion of the want of an independent Journal of Liberal principles, for the bold and impartial expression of the public sentiment, so long and so seriously feit by a large portion of the wealth and intelligence of this District.

Arrangements have been made to issue the First Number of this Joural about the end of the present month. The terms of subscription will be 12s. 6d. per annum if paid in advance, 15s. if paid at the end of 6 months, and 17s. 6d. if paid at the end of the year, exclusive of postage.
