WESLEYAN-METHODIST ALMANAC And general Religious Calendar, FOR THE PROVINCE OF CANADA,
For the Year of our Lord & Saviour Jesus Christ

And general Religious Calendar,
For the Province of Canada.
For the Year of our Lord & Saviour Jesus Christ

1845:

Being the Eighth Year of the Reign of Her Majesty Queen Victoria.

THE principal design in publishing an Almanac at this office was to supplant the silly and immoral publications imported in large quantities from the United States, and to afford to the Methodist, and the Reignious public generally, a useful and cheap little book of reference. Only the expectation of a very large sale would anthorize the exceedingly low price of it. But we go on the principle which has been found to work well in many cases, that a large sale at a low price is more profitable than a small sale at a large price. We hope that every Methodist family in the Upper Province will obtain a copy. It is sold by every itinerant Preacher in the Clurch. Other Christians will find nothing objectionable in the contents. The amount of correct information relative to Methodism will to them be rather a virtue in the publication than a fault. It will prevent their seeking information on the subject elsewhere. CONTENTS.

The great popularity of Sarsaparilla, and its established efficacy, render it superfluous to enter into any encomium of its virtues, or adduce any evidence in its favor.

The Sarsaparilla is warranted positively as good as any other that can be made at One Dollar, at just half the price of those so much advertised, and as strong and in as large bottles, viz:

Fifty cents per bottle, or Five Dollars per dozen. dozen.

This article has cured Scrofula of 30 years,
