The ATTORNEY GENERAL said that the answer of the public debt.

The ATTORNEY GENERAL said that the answer would be ready on Monday next. He was not aware that it was absolutely necessary that it should be laid before the House before. He know that once a covere has the second of the public service, but the second of the public service. rely on my excitons to diminish ex-all practicable economy. I have all practicable economy. I have for exertal epportunities for re-bat have presented themselves, and to pursue the same course when-a may appear to be consistent with

Gentlemen and Gentlemen of the House been given that Responsible Government would be carried out, it was absolutely necessary that each member of Parliament should see that every the carried out, it was absolutely necessary that each member of Parliament should see that every the content of the House of be carried out, it was absolutely necessary that the welfare of United Canada may be welfare of United Canada may be our joint labors. To that great end our earnest efforts, and you may be as my hearly cooperation in every measure was in accurate out the last session of Parliament should not be calculated to secure peace and y justice and happiness to this Prevince, hage entrusted to me by our Novereign pentance to administer according to the edged principles of our Provincial Consum with a view to the wants and wisher community.

The entrusted of the consumer of the speech of the state of the house, and then the Members of their appears to most speedy opportunity of expressing their sense on the speech. As this was the commencement of a necurrence of vacancies in several of important offices of administration, I key endeavored to fill them by the appear of Gentlemen supposed to possess the test of the People. Extraordinary obstandards a delay in the accomplishment of pass, not withstanding my incessant exceediently believing that the several branch elegislature in the full covers at that the Members of that House should have speedly communications of the intentions of Her Majesty's Mi. isters on all matters. He believed, however, that the British practice was not exactly as Mr. Aylwin had stated it. In England, the Brother of the proposition

exactly as Mr Aylwin had stated it. In England, the House usually adjourned for two hours, a Legislature in the full exercise of their though powers, will maintain the harmony also the well being of the people for amendment, though there were instances of post-

In previous columns will be found the news by the Britannia, which arrived at Boston on the be observed at once by every body, that 22d ult, bringing accounts from Liverpool to the 5th of November, and from London to the 4th. has been agitated between his Excel. As we anticipated, the news is of little importand the country—the question on which ance, presenting no point on which to hang a paved the late Assembly, and summened ragraph. It is some satisfaction, however, to ne. It was supposed that a question know that trade is improving in Great Britain, so important as to require a d.solu- and wages are better. This has an importan Parliament for its solution, would have bearing on the comfort of the operative classes ne netice taken of it in the Speech to the and thereby on the peace of the country. The Parliament, summoned to try this very Britannia was sixteen days and a half on her samong others, and to try it first o all, passage to Bo-ton, having experienced continued

It will be seen that the formation of a Road The Speech, the matter which matter which matter subject of his Excellency's from Kingston to the Ottawa is referred to in his Excellency's opening Speech. We take it for granted that this notice will be followed up by the passed over as if it were a trifle of a subject to the purpose of th the reason of this silence were to avoid of surveying a route and making this road.

barrass the government; but we neither said ARTHUR'S LADIES' MAGAZINE. from which the Times has taken wix lines, said that the reform members ought to, and probably would, support government measures, if these were as liberal as they had been declared to be Yet, in the teeth of this, the Times makes the statement above, and follows it up by saying in his paper of the 27th, that we had recommended the reform members to embarrass the government and stop its measures, which is a direct falsehood, for we recommended the very reverse, And the falschoods of the Times have been copied into the Colonist; a fair specimen of the regard for truth that is possessed by the Tory

Our thanks are due to John A. Macdonald, Esq., member for Kingstor, for a copy of the Go-vernor General's Speech in opening Parliament.

"A "DEVILISH" QUEER MENDER —At the Cunservative "leed" at the Boll Alley, in Toronto, Mr. Dickson, member 6 r Ningare, made a speech, and the Patriot furnishes the following extract from it. He said: "Gentlemen, you see before you the man who has put out the President of the Reform Association! The electors of Ningara are a devilish independent set of fellows, and have therefore returned me; and I, let me inform you, am also a devilish independent tellow." We online that "Jimmy Johnston? will not be without companions in the present Parliament—[Hamilton Journal.

Cn Tuesday last, William Cole, a native of Kerry, and who has been about six months in this Town and neighborhood, net his death in the following manner. He was proceeding with a load of wood by the macadam zed road on the noomatin, and when turning on the brow of the hill leading to John Street, the wheels of the waigon on the side on which the unfortunate man was walking sunk in a deep hole, and, upsetting the wagon, the load of word tell on the poor man and crushed him to death. Cole was a man of about 10 years, soher and industrions. He was working to carn money to jay the last instalment on land which he has purchased tear Brochville, and has left a wire and family in Ireland, for whom he intended to send when he had paid for his farm. It is said he has a brother living back of Brockville. The part of the road where Cole was killed is in a most dangerous state, and the persons whose business it is to superintend he received where the said should be received the said about the persons whose business it is to superintend the received of the said about the persons whose business it is to superintend the received of the said about the tendentend the received the said about the tendentend the received the said about the said about the said about the received the received the said about the received the receive state, and the persons whose business it is to superintend the repairs of the road, should lose no time in preventing as far as possible the recurrence of the loss of life of another human being.

[b.]

We regret to learn that Wm. Gooding, E.q., one of the oldest setters of Goderich, together with I-sane G. Clark, and Randell Good, were unfortunately drowned in L.ke Huron a tew days since. It appears they went to assist in getting off an American schooner on shore some unless unless distant from Goderich, which they succeeded in affecting but and the control of t

ness at.

From the French we have also given many fact-rate articles. "The Privy Counsellor." &c. &c. &c. It Thismes 'Lall.

From the French we have also given many fact-rate articles. "The French we have given to the proposed Lovers."—

From Marmontel, with fine the french of the purity on Excellence; now know better that the work of the purity on Excellence; now know better the year.

From the French we have also given many fact-rate articles. "The would be the work of this people. But flow of lines. At this formation, we shall continue to let they do, how much that is o'jeti-walle abounds in the high because of this many for the purity of the public articles. The work of the public articles are getting to understand the public are getting to made and the publ

kare done.

To meri, wherever we find it, we will give the right hand of fellowship. We would not accept a poor article from the most celebrated writer in the country; but a good one; let it come from where it wall, shall find a welcome.

In all sources, at home and abrua!, we shall seek the Good, the True and the Brautiful. For some time, and with too much in these with a True and the discussion that the articles. the Good, the True and the Brawtiful. For some time, and with too much justness in the allegation, our Magazines have been charged with being too light and trashy. This we have from the first steadily avoided. "ARTHUR'S MAGGAZINE" will continue to sustain a high character for Excellence in all its Departments. Something more than more love tales will be given. Its stories, while full and deep and absorbing interest or, speckling with within heppy feeling, will have in them a sool—a living soul of geodeness and truth. Reviews, essays and sketches, with nearly that shall be truly call. and sketches, with poetry that shall be tru

Thus much in regard to the literary department of our Magazine. Another matter claims our attention—that of

PICTORIAL EMBELISHMENTS. Custom and taste have rendered them indispen-sible in a literary work like ours. We scall not sand to argue the matter with Custom and Taste, but proceed to open up our intentions on this head. First, then, we have determined to present the subscribers to "ARTHUR'S MAGAZINE," during the year, with

A Novelty, of a highly attractive character.

No less than a series of Six Female ChanActers from Sharspeare! Engry ved on
seel in a highly finished style. This Shakspeare Gallery of Beauty will present emboded
to the eye, some of the noble bard's most beautiful creations of the minit, as well as one of two
celebrated characters in history, around his magic pour has thrown a new charm. What lover
of this Poet's miniotral creations, will not be engter to secure this sphendid scries of Engravings?
Not one, surely. Every possessor of a copy of
Shakspeare, and whose library does not compain
his works? will higher, at a more tomical cost,
six exquisite illustrations, not to be obtained in
a y other way. This is certainly a great desailcratum. But, besides these beauties from
Shakspeare, we are making arrangements to
procure a series of female figures, laf surpassing,
in loveliness and form and face, and exquisite
finish, any thing that has yet appeared in any No less than a series of Six Female Chanfinish, any thing that has yet appeared in any

CELEBRATED VIEWS. In 'h's and other countries, will also be a leading leature in our work. For the January number we shall give a highly wrought wew of The Bridge of Doon, over which Tam O'Shauter fled in such hot haste from the kirk and the witches. This splendid sieel plate will accomwithos. This splendid steel plate will accompany the first of our Shaasjeare leauties, and will make that number of our work a highly attractive one. No less so will be that for February. Nor shall there be any falling off in the style of cube lishment, or in the character of the hierary contents of the work. From the first, we have amed at a gradual improvement. We do not issue one or two good humbers, and there afterome his of subscribers is filed up, fall off. But we endeavor to make every number better than the one that precinced it. Excelence, as we have he fore such, is our aim. But, here're our Shakspeare Gallery, Our Gallery of Female Beauty, Our Celebrated Views, we shall introduce it in time to time, other attractions in the way of embethshments. In addition to the aforegoing, there is yet another feature, to less than a New American Notel for the Pen of the Editor! Which will be conjuncted in the January number, and continued until completes.

subscribe for the Magazine during 1845, will receive this new work. These who have read "Bell Martin," "Fanny Dale," "Insubordination," "Six Nights with the Washingtonians," "Sweethearts and Wives," &c., &c., from the new of Mr. Arthur, need not be told that this

feature will be a leading one.

An addition to this, Mr. Arthur will also continue to furnish for its pages, his chorter stories, those pointed moral essays, told with so much skill, beauty, and power.

The Attractions of the Editor's own Pen, Will, in fact, form a feature of peculiar interest to our work, which no other magazine can pos-sess. While to one or two other periodicals be furnishes a story occasionally, each number of his own massage will contain many pages of his inimitable writings, and the whole work hear the impress of his pure taste, and sound judgment.—

SIZE OF THE WORK. " Arthur's Magazine" will contain 48 pages of reading matter, the same quantity that is given by the three dollar magazines, and give two Sice Engravings in each number, while the price is ONLY TWO DOLLARS PER ANNUM, PAYABLE IN

Believe that they can offer to the public most substantial claims to parrouage. The first and second volumes have been acknowledged on all hands to be equal and, in many respects, superior, in character, strength, intenest and attractiveness, to any of the magazines issued. The aim of the Editor is a high one. He repudiates the long prevalent system of basing his work upon the reputation of contributors, whose articles, no matter what they have done are, in too many instances, below medicarity.

Nothing gains admission into the pages of this Magazine, which is not excel ent in itself. The source from which an article conces is secondary, its mentic always primary. Such a rule, strictly carried out, must give character to any work.—

It has given "ARTHUR'S MAGAZINE" TINICE.

phur, Salad Oil, with a variety of other articles.
