WESLEYAN-METHODIST ALMANAC And general Religious Calendar, FOR THE PROVINCE OF CANADA, For the Year of our Lord & Saviour Jesus Christ

1845: Being the Eighth Year of the Reign of Her Majesty Queen Victoria.

Majesty Queen victoria.

THE principal design in publishing an Almanac at this office was to supplant the silly and immoral publications imported in large quantities from the United States and to afford to the Methodist, and the Religious public generally, a useful and cheap lit-tle book of reference. Only the expectation of a very large sale would authorize the ex-ceedingly low price of it. But we go on the principle which has been found to work well in many cases, that a large sa'e at a low price is more profitable than a small sale at a large price. We hope that every Methodist fam-It is sold by every itinerant Preacher in the Church. Other Christians will find nothing objectionable in the contents. The amount of correct information relative to Methodism will to them be rather a virtue in the publica-tion than a fault. It will prevent their seeking information on the subject elsewhere.

JUST PUBLISHED,

From two to eight times cheaper Than before, or nothing if the user is not delighted with it.

AN article that every Family must consider indispensable when they know its power and value, and which has heretofore been sold too high to reach all classes, has now been reduced in price, with a view that rich and poor, high and low, and in fact every human being may enjoy its comforts; and all who get it shall have the price returned to them if they are not delighted with its use. We assert, without the possibility of contradiction, that ALL BURNS AND SCALDS, EVERY EXTERNAL SCRE, old or fresh, and all external pains and aches, no matter and all external pains and aches, no matter where, shall be reduced to comfort by it in five nimutes—saving life, limb, or sear. No burn can be fatal if this is applied unless the vitals are can be fatal if this is applied unless the vitals are destroyed by the accident. It is truly magical, to appearance, in its effects. Enquire for "Connel's Magical Parn Extract or Saive," at Comstock & Co's., 21 Cortlandt Street, New York. Price 25 cents. or four times as much for 50 cts. and near ten times as much for a Dollar.

We assure you, on the responsibility of our characters, that sympathy for human suffering independent.

we assure you, on the responsibility of our characters, that sympathy for human suffering induces, at least in part, our earnest solicitation that a simple trial should be made in any affection named below. We think it not imprudent or too much to say, that nothing like it ar in any degree so effectual, has ever been discovered in Medicine. You will please observe it is no "sovereign remedy for all complaints," but only intended for External application and will cure the following:—Burns, Scalds, Frosted Parts, Chillblains, Chafe or Galls, Chaps, Tetter, Pimple, Blotch, Felon, Ulcer, Sprains, Erysipelas, Stabs, Cuts, Bruises, Strain, Ear. and Tooth-ache. Mumps, Sore Throat, Runrounds, Whitlows, Piles, Ringworm, Salt Rheum, Barber's Itch, Carbunele, Eruption, Sore Eyes and Lids, Weak Sight. Sore Lips, Punctures, Biles, and Warts, Feer Pains, Pain in Back and Side, Tender Feet, Inflammatory Rheumatism, Tic Doloreux, Ague in Face and Breast, Ferer Sore, Old Burn Scars, Prickly Heat, Inflamed Skin, Broken Breast, Sore Nipples, Rough Hands, Blistered Surfaces, Sore Nipples, Rough Hands, Blistered Surfaces Dressing for Bitsters, White Swellings, Cold in Wounds, Sore Corns, General Sores, Smallpox

Though we have named numerous affections, experience has taught us that they are not too many. It will be necessary to know that the article called Conxel's is the only one we can recommend; but must caution against some imitations that we have reason to believe are of no use but injurious. We will present it to the poor who have actual need of it, and whom you may send for it. Remember it is CONNEL'S Magical Pain Extractor.

All Country Merchants are requested to take it to their Towns on commission, as the greatest blessing to mankind that has been discovered in Medicine. This is strong language, but you may depend its power will fully justify it. Callon all the Agents for a pamphlet gratis to all, and very interesting, also the names of all the Clergymen in New York.

CAUTION.—Be sure and get Connel's, as counterfeits and worthless appear under other names. Though we have named numerous affections

Use of Mercury, &c.

The great popularity of Sarsaparilla, and its established efficacy, render it superfluous to enter me any encomium of its virtues, or adduce any evidence in its favor.

The Sarsaparilla is warranted positively as good as any other that can be made at One Dollar, at just half the price of those so much advertised, and as strong and in as large bottles, viz:

Fifty cents per bottle, or Five Dollars per

dozen.

This article has cured Scrofula of 30 years, after the Dollar articles had been used in vain.

To be had of the agents of Comstock and Co., only, throughout the country, in New York only, at 21, Cortlandt Street. THE REASON.

Some people are foolish enough to believe that we cannot afford to make as good an article of Sarsaparilla Extract and sell it for 50 cents per bottle or \$5 per dozen, as all others that sell for just double that money. The simple fact is this, and all will now be convinced. While Five Hundred dollars are squandered by others in a column or two of advertisements, we do not spend Five. Therefore we make the public pay but half as much for as good or better article as any one else, the real cost in making the article is probably more than others, as we use nothing but the best Sarssparilla Root, &c. We sell three bottles, to one of the dollar priced bottles, now the public know what we charge for it, and its virtues are such as not to require half a newspaper to sustain its reputation. bottle or \$5 per dozen, as all others that sell for paper to sustain its reputation
