An Act to enable the Trustees holding a cer-

tain Lot in the Town of Simcoe for the use of a Church, to sell and convey the same or any por-

ties (except Theology) from the general Professors, they may under certain circumstances be within the control and guidance of members of

The Editor of the Toronto Herald, who is at Montreal, gives the following account of this We should not object to this, but alteth section provides for the apa Police Magistrate, who, of course, pad. The Mayor is to be a Magistrand the Theorem 19 to the section provides for the aparabolic Magistrate, who, of course, pad. The Mayor is to be a Magistrand the Theorem 20 to the section provides for the section provides for the section provides for the section provides for a salary to measure, a synopsis of which has, he says, been privately circulated among the members of the Assembly.

"So far as the provisions of the enactment "So far as the provisions of the enactment have found their way into general conversation— though doubtless much of what we have heard must be looked as mere rumour—we have rea-son to believe the prominent trait of the change the and if he be paid for his services, at the wants of the Town require, all warrant. It would be the height to the tax payers to burden them lies of two paid Magistrates. It is aw, that the fees will pay the salary to Magistrate, but we doubt it very of denominational theological Colleges as appendages—the University to confer degrees in Area

its way. This appointment of a stranger to a valuable office is too much even for New Bruns

On the whole the proposed amendments to the Act of Incorporation are highly desirable. The chief objections that we urge are, the payment of the Police Magistrate in addition to the Mayor, and the tavern licensing. It is somewhat doubtful whether an Act for these changes can be passed this session, but an effort ought to be made to effect it; and as it is a subject that will not involve any patty or political questions in the

We are indebted to Henry Smith, Jun., Esq., for a copy of the following resolution brought before the House by Mr. Papineau.

KING'S COLLEGE. Mr. Draper's address to the electors of London ontains the following statement respecting the Government measure for King's College :-

the Government measure for King's College:

"I feel gratified in being able to assure you that a measure is nearly to be submitted to Parliament relative to the great question of King's College, by which I believe a satisfactory settlement of it will be attained. The principle of the measure being to leave open the course of general instruction to all religious denominations, and at the same time to secure the means of Christian and Theological instruction to each body which shall belong to the University according to their several faiths. In other words, that while all the students of the University are receiving their education in the arts and faculties (except Theology) from the general Profes-

their own Church as to religious instruction and attendance on Divine worship."

ait of horses, with a sleigh, belonging to a emain town, get away, by some means, the driver, and were running with full speed home, when they dashed, full tit, into do home dashed ground, and tenants of the University, and the Principal cellor, (elected by the Convocation every four years,) a Viec Chancellor, (elected by the Convocation every four years,) a Viec Chancellor, (elected by the Convocation every four years,) a Viec Chancellor, (elected by the Convocation every four years,) a Viec Chancellor, (elected by the Convocation every four years,) a Viec Chancellor, (elected by the Convocation every four years,) a Viec Chancellor, (elected by the Convocation every four years,) a Viec Chancellor, (elected by the Convocation every four years,) a Viec Chancellor, (elected by the Convocation every four years,) a Viec

are said to be in favor of the stand taken by the retiring Councillors, so that his Excellency will come into collision with the Assembly. The octrine of Responsible Government is forcing

The Hon. Win. H. Draper was elected for London last Wednesday, Mr. Farley, the Reform candidate, having resigned about 4 o'clock, when Mr. Draper was 70 a head. This result was expected by every one, but we think it would have been better if Mr. Farley had continued polling

It is rumored that the British Government have demanded an explanation from the Govern-ment of the United States, of a letter addressed
