WESLEYAN-METHODIST ALMANAC

And general Religious Calendar, FOR THE PROVINCE OF CANADA.

For the Year of our Lord & Saviour Jesus Christ 1845.

Being the Eighth Year of the Reign of Her Majesty Queen Victoria.

The principal design in publishing an Almanac at this office was to supplant the silly and immoral publications imported in large quantities from the United States, and to afford to the Methodist, and the Religious public generally, a useful and cheap little book of reference.

Only the expectation of a very large sale would authorize the exceedingly low price of it. But we go on the principle which has been found to work well in many cases, that a large sale at a low price is more profitable than a small sale at a large price.

We hope that every Methodist family in the Upper Province will obtain a copy. It is sold by every itinerant Preacher in the Church. Other Christians will find nothing objectionable in the contents. The amount of correct information relative to Methodism will to them be rather a virtue in the publication than a fault. It will prevent their seeking information on the subject elsewhere.

Cheap Newspaper.

THREE DOLLARS FOR FIFTEEN MONTHS.

THE PROPRIETOR OF THE MONTREAL TRANSCRIPT,

WISHING, if possible, to do away with the credit system, so ruinous to Newspaper Proprietors in Canada, will, in future, only charge Fifteen Shillings for Fifteen Months' Subscription to the TRANSCRIPT, or ONE SHILLING PER MONTH.

The Transcript is printed three times a week, on Tuesdays, Thursdays, and Saturdays; but to save one third of the postage all the reading matter, without exception, of Thursday's and Saturday's paper, is put into one sheet, by excluding unnecessary Advertisements; but any one wishing to have it three times a week, can do so at the same price, by expressing their wish when they transmit their subscriptions.

Subscriptions will be received for five, ten or fifteen months. One dollar will pay for five months - two dollars for ten months, and three dollars for fifteen months.

The Transcript will give the Speeches of the Members of the Provincial Parliament in a condensed and comprehensive form, and the Debate of the preceding night is invariably given in next morning's Transcript. This, we hope, will ensure the Transcript a liberal share of public patronage. As Parliament has scarcely yet commenced the real business of the country, parties intending to subscribe, should lose no time in sending their names and subscriptions.

Orders must be post-paid, and accompanied with the Cash, or they will not be attended to. Whenever the period for which subscribers have paid is expired, their papers will be discontinued, without any notice whatever, unless a fresh sum is sent in advance for another period. When no remittance is sent for renewal of subscription, the Proprietor will of course come to the conclusion that the Transcript is no longer wanted.

A few copies of the Transcript are still on hand containing the proceedings of Parliament since its second meeting.

All orders addressed to the undersigned, will be duly attended to.

D. McDONALD, Proprietor of the Montreal Transcript Hospital Street.

Montreal, 18th January, 1845.

Editors of Newspapers with whom we exchange, will oblige us by giving the above a few insertions, and we shall be happy to pay them in the same way, whenever called on.

FOR SALE, BY THE SUBSCRIBER

50 CASKS PORT HOPE WHISKY.

J. H. GREER, Kingston, March 14th, 1844.

From two to eight times cheaper

Than before, or nothing if the user is not delighted with it.

AN article that every Family must consider indispensable when they know its power and value, and which has heretofore been sold too high to reach all classes, has now been reduced in price, with view that rich and poor, high and low, and in fact every human being may enjoy its comforts; and all who get it shall have the price returned to them if they are not delighted with its use. We assert, without the possibility of contradiction, that ALL BURNS AND SCALDS, EVERY EXTERNAL SORE, old or fresh, and all external pains and aches, no matter where, shall be reduced to comfort by it in five minutes - saving life, limb, or scar. No burn can be fatal if this is applied unless the vitals are destroyed by the accident. It is truly magical, to appearance, in its effects. Enquire for "Connell's Magical Pain Extract or Salve," at Constock & Co's, 21 Corlandt Street, New York. Price 25 cents, or four times as much for 50 cts. and near ten times as much for a Dollar.

We assure you, on the responsibility of our characters, that sympathy for human suffering induces, at least in part, our earnest solicitation that a simple trial should be made in any affection named below. We think it not imprudent or too much to say, that nothing like it or in any degree so effectual, has ever been discovered in Medicine.

You will please observe it is no "sovereign remedy for all complaints," but only intended for External application and will cure the following: - Burns, Scalds, Frost Bites, Chilblains, Chaps or Galls, Chaps, Tetter, Pimple, Blotch, Felon, Ulcer, Sprains, Erysipelas, Stabs, Cuts, Bruises, Strain, Ear and Tooth-ache, Mumps, Sore Throat, Runrounds, Whitlows, Piles, King's-eorn, Salt Rheum, Barber's Itch, Corns, Eruptions, Sore Eyes and Lids, Weak Sight, Sore Lips, Punctures, Bites and Warts, Fever Pains, Pain in Back and Side, Tender Feet, Inflammatory Rheumatism, Tic Doloré, Ague in Face and Breast, Fever Sore, Old Burn Scars, Prickly Heat, Inflamed Skin, Broken Breasts, Sore Nipples, Rough Hands, Blistered Surfaces, Dressing for Blisters, White Swellings, Cold in Wounds, Sore Corns, General Sores, Smallpox Marks.

Though we have named numerous affections, experience has taught us that they are not too many. It will be necessary to know that the article called Connell's is the only one we can recommend; but must caution against some imitations that we have reason to believe are of no use but injurious. We will present it to the poor who have actual need of it, and whom you may send for it. Remember it is CONNELL'S Magical Pain Extract.

All Country Merchants are requested to take it to their Towns on commission, as the greatest blessing to mankind that has been discovered in Medicine. This is strong language, but you may depend its power will fully justify it. Call on all the Agents for a pamphlet gratis to all, and very interesting, also the names of all the Clergymen in New York.

CONNELL'S is the only one we can recommend; as counterfeits and worthless appear under other names. See that it is direct from Constock & Co. or never touch it.

CONNELLY & Co. Physicians and Chemists.

SUPERIOR QUALITY & HALF PRICE FOR THE CURE OF

Scrofula, Chronic Rheumatism, General Debility, Cutaneous Diseases, Scaly Eruptions of the Skin, Tetter, Mercurial and Syphilitic Diseases, Bites from an impure habit of body, Ulcerations of the Throat and Leg, Pains and Swellings of the Bones, Liver Affections, Pimples or pustules on the Face, and all Diseases arising from impure state of the Blood, Exposures and Impurities in Life, Excessive Use of Mercury, &c.

The great popularity of Sarsaparilla, and its established efficacy, render it superfluous to enter into any encomium of its virtues, or adduce any evidence in its favor. The simple fact is, and is probably more than others, as we use nothing but the best Sarsaparilla Root, &c. We sell three bottles, to one of the dollar priced bottles, now the public know what we charge for it, and its virtues are such as not to require half a newspaper to sustain its reputation.

Inquire always for Constock & Co's Sarsaparilla, at Fifty cents, and have no other.

PROSPECTUS OF THE THIRD VOLUME OF ARTHUR'S LADIES' MAGAZINE.

PRICE ONLY 2 DOLLARS PER ANNUM, Forty-Eight Pages Reading matter, besides two Elegant Steel Plates, in Each Number!

The Publishers, in sending forth their Prospectus for the third volume of their Magazine, which is exclusively and permanently under the editorial control of

T. S. ARTHUR.

Believe that they can offer to the public most substantial claims to patronage. The first and second volumes have been acknowledged on all hands to be equal, and in many respects, superior, in character, strength, interest and attractiveness, to any of the magazines issued. The aim of the Editor is a high one. He repudiates the low prevalent system of basing his work upon the reputation of contributors, whose articles, no matter what they have done, are, in too many instances, below mediocrity.

Nothing gains admission into the pages of this Magazine, which is not excellent in itself. The source from which an article comes is secondary, its merits always primary. Such a rule, strictly carried out, must give character to any work. It has given "ARTHUR'S MAGAZINE" a character already acknowledged in all respectable quarters where it has been received. Among the literary sources that open up to the hands of a literary editor, GERMAN and FRENCH LITERATURE offer a wide field for selection. - Into this region, with an admirable Corps of Translators, we are steadily penetrating, astonished at every step by the riches we meet. Especially in this case is Literature. Already we have given some splendid articles from the hands of the most pure, truth, and forcible illustrations of the power of goodness. "Silent Love," "The Governor and his Successors," "The Unknown Patient," "The Russian Prince," "The Privy Counsellor," &c., &c., all of which we read with remembrance with delight.

From the French we have also given many fine articles. "The Perplexed Lover," from Madame de Genlis, also, "The Lesson of Misfortune," and "The Error of a Good Father," from Marmontel, with fine tales from Dumas, Lacroix, Noddy, Balzac, and other authors of celebrity. In selecting from the French, our Translators are guided by a strict regard to the English language. None know better than they do, how much that is objectionable abounds in the light literature of this people. But, flowing along by the side of this impure current, is another, as lucid and clear as crystal. From this source we are steadily penetrating, astonished at every step by the riches we meet.
