consistency.

in their new Collegiate Bill they insist the absence of tests in Ireland, is an anoil not an absurdity. The debate was the An and an absurdity. The debate was the widnaging which the Ministry has experient, and the feeling of the House was so was, and the feeling of the House was so was, and the feeling of the House was so well as the state of the feeling of the feel

yet occurred to the crops which cannot be repaired, and the yield may probably fall little short of an average one.

The uncertainty which prevailed respecting the weather has caused more activity in the corn trade, when rain fell frequently, the market was in a state of considerable excitement. Speculators were active, and wheat per bushel improved to the extent of 6d to 8d, and flour 1s per bbl. Some rather heavy sales of Canadian were made at 27s 6d per bbl. and United States in bond. at 19s 6d. The weather having shown symptoms of improvement, there has been less doing, and if it continues, prices will recede to the figures from which they advanced. The accounts of the Irish crops are not over-promising; the harvest, it is suspected, will be late, and a late harvest is always uncertain.

AMERICAN HEMP.—The American bark Westheag, which arrived at Dundee in the early part of this month brought a quantity of Hemp, intended to be used for purposes to which only flax has been hitherto applied. It is said to make very excellent yarn, of small sizes; but it is feared that it will not bleach so well as flax. The price is so low that it stands the spinner considerably less than flax, even after the expense of soften-(£3 to £4 per ton) has been added. We understand that Mr. Sharp of Dundee, holds a patent for softening the article prior to its being used by the spinner.

The Electrons in Great Britain.—The

for Trade and American Stocks. Money in add is plenty and the market in a healthy it.

The Cambria brought five passengers from repool to Halifax, 97 from Liverpool to Bose, and eight from Halifax to Boston—110 in all. Pallianent is dragging on rads a close. The withdrawal of measures the cannot be carried, owing either to the first of time or to the fierceness of opposition—a performed with due solemnity, by Sir Rother 1961. The Queen and her husband will be on the wing; members and ministers, have passed the dog days amid the toil and the St. Stephen's will follow their example, it has been makes have been worked harder. REPEAL ASSOCIATION—July 7.—The weekly meeting of the association was crowded, in consequence of Mr. O'Connell's return to Dublin. A letter was read from Mr. Thomas Steele, giving an account of his mission to the north. Mr. O'Connell gave an account of his recent mission to England. He denied that he had ever said that he should totally absent himself from his parliamentary duties—he declared himself averse to mixed education—he confessed that he had returned to Dublin to rouse the people of Ireland againgt the Irish Colleges bill. He alluded to repeal, ribbonism, and Molly-Maguire-ism; and condemned the practice of arming the police when they were sent to fairs. The rent for the week was declared to be £407.

The meeting field on the 14th inst, was inter-

stand the whipper-in found the greatest will be saving his friends. Indeed, it is said, it had the opposition marshalled their force out, or even moderate zeal, the Government would have been defeated. On this occasion, Lord John Russell came out "strong," as phrased, and said some cutting things, in abterest and most telling manner. The substitutes and most telling manner. The substitutes are strong if it be porsevered in, will be useless, and missers, who cannot help feeling their high Ministers, who cannot help feeling

had presumed to beard the House, anticipating the probability of being sent to Newgate or the Tower, begging parties of the Commons and were discharged. One Million and a Half Acres of Land ISP PPPER CASPADA.

TO OLD SETTLERS, EMIGRANTS AND OTHERS.

THE CANADA COMPANY offer about the above stated quantity of Land particularized in their Printed Lists of this date. It consists of Lote of from 100 to 200 Acres each, scattered throughout the country—of Blocks containing from 1,000 to 10,000 Acres in the Western District, and of a very important territory of 700,000 in the Huron Tract—90 miles South of Owen's

and of a very important territory of 700,000 in the Huron Tract—90 miles South of Owen's Sound.

These Lands are offered on the most advantageous and beneficial terms to suit the means or views of Settlers of every description,—they may be had for Cash down—one fifth Cash, and the remainder of the Purchase Money in five Annual Instalments, with interest—or by way of LEASE for TEN YEARS—NO MONEY BEING REQUIRED DOWN. The Rents payable lat February in each year—being equal to about the interest upon the present value of the Land. The peculiarity of the Company's Leases is, that under them the Company's Settler has secured to him the entire benefit of his improvements, and increased value of the Land,—as he is guaranteed the right of purchase of the Land at a fixed price named in the Lease, at which he may at any time during the Ten Years, demand the Deed for the Freehold: thus, for example, by paying the moderate Annual Rent of \$12, and no more, tipon 100 Acres of Land now selling at 10s. per acre, he secures the use of the Land for Ten Years; and then, if he chooses, he may purchase or reject it altogether, as he may find it to his advantage,—the option being entirely with the Lessee.

The SETTLERS' SAVINGS BANIA, by which the Company allow their Lessees Interest at 6 per cent. per annum on Monies deposited,—the amount being always at their disposal without notice, with daily interest accrued,—will enable the provident and industrious Settler to accumulate sufficient means to purchase the Land he leases, if he choose so to do.

By the EMIGRANTS' DEPOSIT BANK, the Company allow Interest at the rate of 4 per cent. per annum, upon monies deposited by Emigrants, for any period not less than 90 days—the money being always at the disposal of the Emigrant without notice.

The Company will REMIT any sum of money for SETTLERS to their friends at HOME, by placing the Lmounts in the hands of the parties for whom they are destined free of all cost expense and risk, accompanied by every kind of useful information upon Canada.

The new Printed Lists (to be seen at every Post Office, St. Helen's Place, London.

The new Printed Lists (to be seen at every Post Office and Store in Upper Canada,) and any information can be obtained, free of charge, upon application (if by letter, post-paid,) at the Company's Office, Goderich, as regards the Buron Lands—at Frederick Street, Toronto, as regards all other Lands—Remittances and Deposits of Money, &c.
