ad horrible murder has created, as well it hould, an intense excitement in Toronto, and so milk an intense excitement in Toronto, and be surrouding country. One Stephen Turney alter arrested, and has undergone several expensations. He has attempted to inculpate as man man by the name of John Biggins, by statigat Biggins committed the murder, whilst may remained outside the shop. Biggins has to be a urrested, but, fortunately, proved an offile has since been discharged. The Tost milk has, at considerable expense, the biggins has, at considerable expense, the biggins has a to be a surface of the primary transfer and so striking is the resemblance. studer—he having honored the Provinctal desting with his company on more than one son. There seems to be no doubt of Turguil, but it may be difficult to furnish ocnosed of the fact. It is earnestly to be hoposeser, that the perpetrator of so foul a will be brought to severe and condign punct. We have no mawkish sympathy to upon fiends who shed their fellows blood beliberate a manner as he who committed free from crimes of so deep a die. May i

When the Provincial Penitentiary was first mesered, the subject was freely discussed, this Kingston and elsewhere in the Province, therethe system of hard labor and solitary affirment, as adopted in the States Prisons of American Union, would produce that regene-ing effect upon culprits, which its advocates, dindeed all good subjects desired. The ques-n, we say, was well canvassed, in the public imbe and leathsome to the great majority of such worst of criminals, and consequently as a timing moral effect upon them; others singularly the mind soon becomes habituated able kneemeness of its situation; that instead the walls of the prison appearing gloomy and while, the inmates lose all their sensitives as a short time; and the daily sight of each their countenances was sufficient relief, together with the conciousness of not being sufferers like, to render their incarceration tolerable; in that, instead of the punishment being severe magic to fill the offenders with dread of again larg subjected to its severities, many would leave the more comfortably than before, will eave the prison with feelings of less absence than when they entered it, and with ease the prison with recings of less auethan when they entered it, and with
fally as corrupt. This view of the case,
is, has been borne out by the experience
penientiary within the few years of its
ce. There may be instances of deep
in and reformation resulting from peniyouishment; but we have heard of very
ares of individuals returning from that e are of opinion that a great many go heir old habits of crime, like the sow to and the Pententiaries, both United States and ever, will bear us out in this assertion. And that bear us out in this assertion. And that bear us of Turney, the reputed persuite of the cold-blooded murder at Marking millage. This man has undergone the pention of the cold-blooded murder at millage. This man has undergone the pention of the cold-blooded murder at Marking millage. The man has undergone the pention of the cold-blooded murder at Marking millage. ms trimes by two or three terms of impri-io our penitentiary; yet he appears to tome hardened in his transgression; to st all moral restraint, and, from petty to gave gone on, step by step, until he a wicked enough to commit that awful or which he stands charged. Nor is this state of this extreme nature. Several programme stands charged. 136 is this process of this extreme nature. Several resuffered the final penalties of the law conalike circumstanced. We therefore the process of the law conalities of the Chaplains to materiary is very great indeed. Without many laws and the constant of the chaptains to materiary is very great indeed.

bold, an intense excitement in Toronto, and be surrounding country. One Stephen Turney pieca arrested, and has undergone several expensions. He has attempted to inculpate a say man by the name of John Biggins, by stattating the step of the state of the THE MAGNETIC TELEGRAPH.—This wonder

We find (says the Montreal Herald,) that ou active Chief of Police, Capt. Wiley made a cap-ture yesterday of no less than 400 loaves on ac-count of deficiency of weight. The spoil was brought from the Quebec Suburbs to the Station House and sent from thence to the different charitable Institutions of the city. Many of these loaves were deficient 5 ozs. on the 6tb and none were less than 4 ozs. below the just weight.

A fire occurred in Hamilton on the night of the 23rd inst. which destroyed nine houses; sit-uated on King and John streets. The news of the fire was sent 45 Teronto by the magnetic telegraph next morning. The following are among the sufferers: Jones, watchmaker; Mul-lin, Farmers' Inn; Tracy, shoemaker; Milligan, innkeeper; Lees, baker

Township Elections .- There are four can Township Electrons.—There are four candidates in the field for the honor of representing the Township of Kingston in the District Council, viz. Dr. Beamish, Mr. Angus McLeod, Mr. Thos. Mostyn, and Mr. John Graham.

J. B. Marks, Esq., the present Warden, Mr. Birmingham, and Mr. John Strachan, we understand, are the candidates for Pittsburgh.

Doings of the City Sathers.

MONDAY EVENING, DEC. 28.

Monday Evening, Dec. 28.

Present—His Worship the Mayor, Mesers.
Anglen, Allen, Benson, Brent, Baker, Breden,
Ford, Flanagau, Meagher, (Alder.) Meagher,
(Councilman,) Rourk, Smyth, Thibodo, Wiley.
Minutes of last Council read.
Letter read from Solicitor, Thos. Kirkpatrick,
Esq., requesting to know whether he shall defend the case in Chancery, brought by Commercial Bank, in the name of John Counter, as well
as the City of Kingston.
A Committee was appointed to confer with
Mr. Kirkpatrick on the subject. Another letter
was read from Mr. Kirkpatrick, who deemed it
right to report what progress he had made in the

was read from Mr. Kirkpatrick, who deemed it right to report what progress he had made in the settlement of Neil McIntyre's case, which was, that he had explained the subject fully to Mr. Mackenzie, Counsel for Mr. McIntyre, but had not received any definite answer.

A. Manahan, Esq. sent in a letter conveying notice to the Council of his non-acceptance of the office of Returning Officer for Cataraqui Ward. Mr. John Strachan was chosen in his stead.

Committee on Fire and Water got further time of one week to report on Mr. Gunn's letter, threatening to resign if his salary were not raised.

Of sundry persons, to close Market at I o'clock every day except Saturday, then at 9, P. M.—Laid on the table.

Market Committee reported in faver of remitting Stall rent in arrears of John Burk, in consequence of floor being laid which lessened its value—adopted.

The Treasurer submitted a Financial Report from the 19th June to the 26th December, inst.; said Report ordered to be printed in all the City report in the week.

said Report ordered to be printed in all the City papers this week.

The Finance Committee were ordered to examine the Treasurer's Account, and report at next meeting of Council.

We are glad to see this, as it shows the Council are not ashamed to let their constituents know what they have been doing. Had the old Corporation published their accounts regularly according to the Act, and shown a disposition to keep every thing above board, they would have been spared much of the censure they have received.

ceived.

Mr. Anglin, the City Treasurer, accompanied the Financial Report with the following Statement of the liabilities and assets of the City, which, if the estimated value of City property be near the correct one, certainly presents a much more favorable view of the solvency of the Town than we had imagined.

MEDICINAL USES OF THE
WILD CHERRY.

Ever since the settlement of America, Wild
Cherry has been known to possess very important medicinal virtue. Every body knew this
fact, but nobody knew how to extract its essential properties. Every mother gives Wild Cherry tea to her children for worms, for colds, and
for almost every disease; and adults throughout
our country are in the habit of making a comour country are in the habit of making a compound or syrup of wild cherty our, and chird ingredients, to be used in spring as an antidote to complaints incident to that changeful season. It is found by experiment that the wild cherry possesses even far more important qualities than was ascribed to it. For the first stages of Conwas ascribed to it. For the first stages of Consumption, Asthma, no matter how long standing, Coughs, Liver Complaint, etc., it is proved to be the best medicine known to man. Dr. Wistar's Balsam of Wild Cherry is a chemical extract, combined with a similar extract from Tar, which enhances its value. Its success in curing Pulmonary disease, in almost every state, after our best physicians could do no more, has astonished the faculty, and led them to confess that Wistar's Balsam of Wild Cherry possesses a principle heretofore unknown among medical a principle heretofore unknown among a
