## THE CANADA COMPANY

NOTICE TO OLD SETTLERS, EMIGRANTS AND OTHERS.

Have again thrown open all their Lands in the HURON TRACT for disposal, way of LEASE for TEN YEARS-NO MONEY BEING REQUIRED DOWN The Rent payable on the 1st February in each year, is not much more than the Interest upon the upset price of the Land—the right to purchase the Freehold at any time within the ten years, at a fixed price named in Lease, is secured to the Settler, who would thus save all further payments of Rents.

The Huron District is known to be one of the most healthy and fertile Tracts of Land in Canada—it has more than doubled its population within four years. The Huron Tract in the year 1842, contained 7101 souls—in June last year, the Huron District numbered 14,983 souls, according to the Official Returns.

The above lands are in Blocks, therefore, affording facility for the undivided settlement of Families, of Old Settlers and their Friends.

Maps, Printed particulars, and every requisite information upon the Huron and the Canada Company's other Lands in the Province, will be furnished FREE OF CHARGE, by application (if by letter post-paid) to the Canada Company's Office, at Toronto, and Goderich and Stratford, in the Huron District.
