only object is to improve the Teachers of common schools, and any progress in the advancement of that object, it is quite apparent, must exert a salutary influence on the cause of education throughout the State.

During the year ending on the first day of July, 1546, seven hundred and forty thousand seven hundred and twenty-three children have been taught in our common schools. This number exceeds by 40,243 the whole number of children in the state between the ages of five and eighter. in the state between the ages of five and sixteen years, inclusive. The amount of public monies that has been received from all sources by the town superintendents, is \$766,24 66. Exclusive of the public money, \$460,307 68 has been paid on rate bills for teachers' wages. The district libraries contain 1,201,088 volumes. This whole subject will doubtless receive at your hands that consideration which its great importance demands."

After another storm of rain, which took place After another storm of rain, which took place the latter part of last week, the weather has become seasonably cold. Night before last the river in front of the town froze to Wolfe Island, and yesterday persons crossed on the ice. The sleighing is not yet good; but the atmosphere denotes the immediate setting in of mid-winter weather. If heavy winds do not rise soon, and the present cold continue a short time, there will be good crossing to the American shore in a few days.

THE LITERARY GARLAND-Montreal -The January number (being the commencement of the ninth volume,) of this truly interesting and well conducted monthly periodical, has been reerali difficulties, he joined the Prowe Kingston the Seat of Governthe accomplished every duty asy his Queen, and just at the close
ariamentary session, he closed his
hable life amidst the universal reworful people. We say to his manes
at in page."

well conducted monthly periodical, has been received. The present number is really a splendid one; containing a fine steel engraving of
a high literary order. The Garland has now
had an existence of eight years; and, notwithstanding the convulsions and derangements to
which the affairs of the Province have been sunincred in the converse of the revision. jected in the course of that period, all tending to unsettle society, and to destroy the taste for literary enjoyments, this work has pursued its course quietly and steadfastly—increasing in merit and popularity every year, until it now stands scarcely second to any similar publication on the continent. Its pages are graced with the productions of some of the best discovery matter. in British America; among whom the talented Mrs. Moodie stands conspicuously. May the Garland receive from a generous and enlightened people that increased patronage which its deserts so justly claim.

> In exoneration of the charges brought against Mr. Gunn, Assistant Engineer for the Fire Department, by the Captain of Company No. 1, for dereliction of duty, we publish the following certificates:

ing been brought before the City Council, by Mr. W. J. Martin, Captain of No. I Fire Company, respecting the conduct of Mr. William Gunn, assistant engineer for the city, I consider it my duty, in justice to Mr. Gunn in continuous control of the conduct of Mr. Gunn in continuous control of the conduct of Mr. Gunn in continuous control of the conduct of Mr. Gunn in continuous control of the conduct of Mr. Gunn in continuous control of the conduct of Mr. Gunn in control of the conduct of Mr. William Gunn, assistant engineer for the city of the conduct of Mr. William Gunn, assistant engineer for the city of the conduct of Mr. William Gunn, assistant engineer for the city of the conduct of Mr. William Gunn, assistant engineer for the city, I consider it my duty, in justice to Mr. Gunn in control of Mr. William Gunn, assistant engineer for the city, I consider it my duty, in justice to Mr. Gunn in control of Mr. William Gunn, assistant engineer for the city of the conduct of Mr. Gunn in control of Mr. G it my duty, in justice to Mr. Gunn, to certify that I have always been fully satisfied with his activity, zeal, and punctuality, in the discharge of his duties in the Fire department.

F. L'ESTAGE,

Kingston, Jan. 6, 1847.

This is to certify that I have been a member of No. 1 Fire Company for about six years, and safely say, that it was never in better order than while it was in the hands of Mr. William Gunn, as Assistant Engineer; and that I believe he always had it in as good order as it was possible

it to be in. THOS. O. BUTLER, late 1st Lieut. Kingston, Jan. 6, 1947.

Kingston, January 6, 1847. This is to certify that Assistant Engineer W. Gunn, has attended in every instance when required, to the wants of the Kingston Volunteer Hook and Ladder Company, as far as lay in his power to do so.

WM. BOYLE. Capt. K. V. H. & L. C.

This is to certify that Mr. W. Gunn, Assistant Engineer, has in all cases done justice to this Company, in his capacity as Engineer.

G. ORFORD. Capt. G. W. F. C.

THE CHRONICLE & GAZETTE.-We observe, THE CHRONICLE & GAZETTE.—We observe, by a notice in the Chronicle of Saturday week, that that old respectable establishment has reverted, by an order of the Court of Chancery, into the hands of its old proprietor, James Mackartane, Eeq., who in future will continue the business. We need hardly say, that Mr. Macfarlane and all connected with the "old Chronicle," have our warmest wishes for their prosperity and happiness. perity and happiness.

attl it was printed. But he is that nothing proceeding from compromises the character of thich might be construed into a morality, at least, of his readers, dication. Of all the exchange them. A Society has been formed in Montreal for the promotion of the art of Gardening, and more particularly the cultivation of Fruits and Flowers.

On the morning of the Ist inst., the Factory belonging to Samuel Clark, Esq., at Camden East, was totally destroyed by fire. We have not learned how the fire originated. This is the third time Mr. Clark has suffered loss by fire.

taking upon itself the task of adding its mile to their encouragement. Now, we are not eversanctimonious ourselves; but we do like to see a little consistency in the management of so respectable a journal as the organ of the Wesleyan Methodist Church in Canada. For, however much the editor may screen himself by disavowing the authorship, the thing was sent to his subscribers, as emanating from his office, and he is responsible for it.

We observe a requisition to the Mayor of Montreal, to call a public meeting for the purpose of considering the propriety of adopting a congratulatory Address to his Excellency LORD ELGIN, on his assumption of the Government of Canada. The Requisition is headed by Mr. Listontains, and signed by the property of the contains. fontaine, and signed by the most respectable citizens of all parties. The meeting is called

DESPERATE ATTACK .- As Herr Driesbach, the celebrated lion tamer, was in the cage of a new lion, undergoing the taming process, he was attacked by the savage animal, and had his suit of clothes, made of the strongest Russian duck, used for such occasions, torn from his person, but without receiving bodily injury.—[Clincinnati

FROST BITTEN.—A Miss Fly, of Massacirusetts, has recovered 365 dollars of Mr. Frost, for a breach of promise of marriage. He courted her a year, and the Jury allowed her one dollar per day. Once in a while we hear of the bite getting bit. 1 100 100

CITY ELECTIONS.

We have only time to notice the returns for the Wards to-day. Cataraqui Ward.—Dr. Robison and Mr. Jus.
Meagher, Sen. for Aldermen, Messrs. R. Anglin
and John Patterson for Councilmen.
Frontenac Ward.—Mr. John Flanagan and
Mr. John Breden for Aldermen; Mr. John Harvey and Mr. John Crawford for Councilmen.
Sudment Ward.—N. Wichender Mr. John Councilmen.

Sydenham Ward.—Thos. Kirkpatrick, Esq., and J. B. Hall, Esq., for Aldermen, and Messrs. Samuel Smyth and George McMahon, for Councilman.

St. La cerence Ward .- J. Counter, Esq., and J. Mowat, E.q. for Aldermen, and Messrs. Wiley, and Allen for Councilmen.

Ontario Ward.—Messrs. Baker and Ford for Aldermen, and Messrs. Linton, and Channonhouse, for Councilmen.

A report having been circulated by some persons, for what reason we cannot tell, that a violent handbill reflecting upon the private character of some of the old members of the Council which has been posted about the streets, was got up and printed at our office, we have to state that we had nothing to do with it. We disapproved of it the moment we saw it.

We regret to announce that a man was drown ed this morning. It appears he jumpped from

ANOTHER DISASTER RUMORED .- The follow ANOTHER DISASTER RUMORED.—The following paragraph is extracted from a Washington
letter in the Baltimore Patriot of yesterday.

There is a rumor here that the frigate Congross has been lost in the Pacific Ocean, and all
on board of her. I know not whence the rumor
came. No one seems to know. It is therefore
most likely to be untrue.

It will be remembered that the frigate Congress was the flag ship of Commodore Stockton,
and was one of the new forty-four gun ships.

SECRETARY'S OFFICE, Montreal, 9th January, 1847. HIS EXCELLENCY THE GOVERNOR GENERAL has been pleased to appoint Isaac Fraszer, of Ernest Town, Esquire, to be Registrar of the Counties of Lenox and Addington, in the place of Allan McLean, Esquire.

A few days ago an extraordinary feat was per A low days ago an extraordinary feat was performed at Plymouth, (England,) by a man named Irvine. A rope was stretched from the lamp at Stonehouse Bridge to a pole on the opposite side, a distance of 400 feet. The rope was about 80 feet from the water, and he engaged to walk across it, executing his task amidst the cheers of at least 2,000 spectators.

WOODHOUSE ELECTION.-Notwithstanding the Woodhouse Electron.—Notwithstanding the desperate efforts made by the Simcoe, Officials to prevent J. W. Powell, Esq., M. P. P. for Norfol from being returned to the Municipal Council of the District, he was triumphantly elected on Monday last, by a sweeping majority, the largest that has ever been obtained in the Township, 172 votes having been polled for him and 104 for Henry Waters, Esq.—[Long Point Adv.

Musker Ball.—At the arsenal, near St. Louis, they have a machine by which they make one hundred and eighty balls a minute. Within two weeks it is thought two millions of balls were shipped from that point to the seat of war.

Exeter, Me., Sept. 30, 1845.
This certifies that I have recommended the use of Wistar's Balsam of Wild Cherry for dis-

eases of the Lungs, for two years past, and many bottles, to my knowledge have been used by my patients, all with beneficial results. In two cases where it was thought confirmed consump-tion had taken place the Willd Cherry effected

E. BOYDEN, Physician at Exeter Corner. None genuine, unless signed I. BUTTS on the wrapper.

In The above articles may be had of NOBLE PALMER, Druggist, Market Square, Kingston.

Married. On Saturday, the 9th inst., at St. George's Church, Kingston, by the Ven. Archdeacon Stuart, Mr. Wm. Armstrong, eldest son of the late Robert Armstrong, Esq. Merchant, Edinburgh, to Catherine, second daugh-ter of the late Michael Moran, Esq., of Kingston.

Died. On Saturday morning, the 9th inst., Mr. George Oliver, an old and respectable inhabitant of Kingston, aged 79.

The friends and acquaintances are requested to attend the funeral, from his late residence in King Street, to-morrow (Wednesday) at 2 o'clock.

With profound regret we have to amounce to our fellow citizens the death of the Rev. Caleb Stroug, M. A. Pastor of the Presbyterian church—[Mont. Gaz. At Bath, on the 4th inst. aged 89 years, Mrs. Ann Bagerman, mother of Mr Justice Hagerman Troato, and widow of the late Nicholas Hagerman Eaq of Adolphustown.

NOTICE.

NOTICE is hereby given, that the Annual Meeting of the Stockholders of the Cataraqui Bridge Company, will beholden on MONDAY the 25th day of January, 1847, at the Office of the said Company, at I o'clock, P. M., for the purpose of electing Directors for the ensuing year, according to law, and transacting other busi-

ness connected with the Bridge.

The accounts for the past year will be then and there submitted for the inspection of the Stockholders.

EIGHT HUNDRED THOUSAND ACRES OF LAND

IN THE Y BEN GADA DAID HURON TRACT.

NOTICE TO OLD SETTLERS, EMIGRANTS AND OTHERS.

THE CANADA COMPANY

Have again thrown open all their Lands in the HURON TRACT for disposal, way of LEASE for TEN YEARS-NO MONEY BEING REQUIRED DOWN. The Rent payable on the 1st February in each year, is not much more than the Interst upon the upset price of the Land—the right to purchase the Freehold at any time within the ten years, at a fixed price named in Lease, is secured to the Settler, who

vould thus save all further payments of Rents.

The Huron District is known to be one of the most healthy and fertile Tracts of Land in Canada—it has more than doubled its population within four years. The Huron Tract in the year 1842, contained 7101 souls—in June tast year, the Huron Dis-

The above lands are in Blocks, therefore, affording facility for the undivided settletent of Families, of Old Settlers and their Friends.

Maps, Printed particulars, and every requisite information upon the Huron and the Canada Company's other Lands in the Province, will be furnished FREE OF CHARCE, by application (if by letter post-paid) to the Canada Company's Office, at Toronto, and Goderich and Stratford, in the Huron District. BUTCHART'S FAMILY MEDICINES Have been a number of years before the public, and have given general satisfaction wherever they have obtained a fair trial. We dislike puffing, and will simply mention their properties in plain language, knowing that they will bear us out in all we

that they will bear us out in all we say respecting them.

RESTORATIVE BALSAM,
AN INFALLIBLE cure for Bloody Flux and all Looseness of the Bowels in either old or young; also Cholers, Billous Vomiting, Nausea, Nervous Affection, Jaundice, Sea Sickness, &c. It is an excellent Nervous Cordial; a tea-spoonful or two will at any time dissipate that painful affection; it instantly neutralizes Bile on the Stomach; and if taken in the merning, will give a keen appetite for breakfast. In all Bowel Complaints its effects are palpable;—within a few minutes after a full due has been taken complete relief is obtained; in recent cases one dose is sufficient, but when that does not happen to give relief, it must be repeated cases one dose is sufficient, but when that does not happen to give relief, it must be repeated every eight hours, till the cure is effected. To Children during the time of Teething it is a most valuable Medicine; a dose will instantly dispel Gripes in infancy. It may be given with perfect safety to any age or constitution. It is not the nature of this Medicine to I-ave the hoursel in a costive stee her should are discovered in the stee stee stee should be should as the should are discovered in the steel should be supplied to the steel should be should be supplied to the steel sh
