THE TRUE BRITON, AND

MONTREAL CONSTITUTIONAL ADVOCATE.

"For God, the King, and the People."

When we take into consideration the number of Newspapers published within this city, and throughout this and the Sister Provinces, little ground we confess, appears to be left for our present undertaking.—
Yet the increased and increasing population of Montreal and the country at large, seem in some degree, to warrant the present essay, and to call forth the exertion of our humble abilities to the arduous duties of the Press.

Although we do not flatter ourselves that

Although we do not flatter ourselves that we shall be able to compete with many of our Brethern in exhibiting to the Merchant the details he requires to conduct his speculations to a successful issue, or to guide him in those he may project—yet we feel confident that to the general reader, the Agriculturist, the Mechanic, and those who may neither possess the inclination, nor afford the time. may neither possess the inclination, nor af-ford the time, to peruse daily Newspapers, our columns will be found productive of several advantages, and will prove sources of usefullness and improvement.

alists.

Some travelling and observation have wrought in us the conviction, that under the British Constitution, those inestimable ingredients in our happiness—"Civil and payment will be one-tenth of the pub. Religious Liberty"—are no where better secured and enjoyed than in Great Britain and her Colonies; and under this conviction we shall sedulously endeavour to maintain their permanency within this and the Sister Provinces. But in making this confession of our Political Faith, we wish to be indicated and all sedulously endeavour to maintain their permanency within this and the Sister Provinces. But in making this confession of our Political Faith, we wish to be indicated and all sedulous translation and understood-and pledge our reputation and honour, that public abuses of any and every kind, shall have our unqualified reproba

In Religion we are Episcopalian. Attached by principle and habit to the doc-trines of the Established Church of England, and to the decent propriety of its Rites, we shall zealously, yet temparately, support its Tenets and Temporalities, when-ever they may be assailed on the one hand, or neglected on the other. While, however, we assert these points, we desire to re-main in peace with all men. We have livmain in peace with all men. We have lived long enough to bear witness to the truth of our Saviour's declaration that "God maketh the Sun to rise on the evil and on the good, and sendeth his rain on the just and unjust." In using this quotation, we do not advocate lukewarmness in the faith in which we were brought up—but because we sincerely believe it is not given to man to pronounce that his own form of prefession bears the exclusive stamp of infallibility. We shall therefore cheerfully grant to others what we ciaim for ourselves to others what we ciaim for ourselves-Liberty of Conscience-and shall on all occasions that require its exercise, uphold the maxim of "Unity in things needful, and Charity in all," as indispensibly necessary to the welfare of the community in which

As our constant end and aim will be; to present a Miscellany that shall, as far as possible meet the wishes of all classes of readers, we intend to insert copious extracts from the latest English, Irish, and Scotch Newspapers, as well as whatever may be interesting to our Naval and Military readers: and as we shall also form a careful NOTICE.

UPWARDS. our subscribers residing in the United den.

To our Fellow-Countrymen residing in the Upper Province, the events now in progress in Lower Canada, cannot fail to impart a deep and anxious interest. It may, without fear of contradiction, be asserted, that the proceedings of the Com-missioners now in Quebec, for the adjust-ment of the affairs of this Province, conment of the affairs of this Province, con-cern the inhabitants of that Province equal-ly with ourselves: We shall therefore en-deavour to make "The True Briton," a faithful Record of the proceedings of His Majesty's Commissioners, and shall spare no means within our reach to accomplish that object.

As our publication will be delayed, during the Summer months, at least, until after the ar. ival of the Southern Mail, its pa-

ges will consequently contain the latest in-telligence from Europe, which may have arrived by the New York Packets.

As we intend to appropriate Three Col-umns out of the Twenty-four of which our Paper will be composed to Advertisements, we trust the circumstance of our being one day in the Week in advance of most of our Contemporaries, will insure to us the pa-tronage of our Mercantile friends. The brief space of a Prospectus precludes a more extended annunciation or illustration of our views—we shall, therefore, merely add, that our efforts will, at all times

be directed to affect the maintenance of the Civil and Religious rites of our fellow countrymen; and to maintain, inviolable, the great principle of the Constitution, un-der which we have the happiness to live. The TRUE BRITON will be printed with new Long Primer, on good paper, and in Twenty-four Columns. Subscriptions in the City, Two Dollars, out of the City, (if by Post). Three Dollars per Annum. To be paid in advance. Communications and Advertisements, are requested to be directed 'TRUE BRITON,' Office, Great St. Inmas' Street—apposite the residence of The TRUE BRITON will be printed with rected 'TRUE BRITON,' Office, Great St. James' Street—opposite the residence of Dr. Holmes. If by mail, to be post paid.
