**PROSPECTUS.**  
In the latter end of November, or the be-  
ginning of December, will be published  
No. 1 of our Weekly Periodical, to be en-  
titled **THE TRAVELLER; OR, PRINCE  
EDWARD GAZETTE.**  
As it is now nearly eleven months since  
any newspaper has been published in the  
District, it is presumed that the Traveller  
will receive support from persons of every  
party, who, laying aside their prejudices,  
will unite in establishing a vehicle for the  
expression of their wants and wishes, their  
feelings and opinions, instead of annually  
sending away several hundred pounds for  
the purchase of newspapers, whose wishes  
are often opposed to our own.  
Its publisher is pledged to no party what-  
ever; but although devotedly attached to  
his King, his Country, and the Constitution  
of Canada, he will always be ready and  
willing to expose any known abuse in the  
Government, any departure from the path  
of duty in a servant of the Crown.  
And being well aware that the present  
and future prosperity of Upper Canada  
mainly depends on its connexion with the  
British Empire, it will always be his de-  
sire to cherish that connexion, and to fru-  
strate the designs of those who, by dissolv-  
ing it, would lead us to destruction.  
The publisher of the Traveller is well ac-  
quainted with the duties
