The packet ship Westminster arrived yesterday from London, sheinging papers to she

news of interest.

The Carlow election committee had reported, exonerating Mr. O'Connell from the charges

bound to render an account of their efficial conduct only to their royal master. In a parliamentary impeachment, it is not the accused party that is required to prove in-norence, but the accusing party that is required to prove gnilt. But the houses of parliament, as a judicial tribunal, are as different from the people as is the Court of King's Bench and are as competent to From a body which may be expected to conduct only to their royal master. In a ince will be gratified to learn, from the Reparliamentary impeachment, it is not the accusing party that is required to prove in-norence, but the accusing party that is required to prove gnilt. But the houses of parliament, as a judicial tribunal, are as different from the people as is the Court of King's Bench and are as competent to required to prove gnilt. But the houses of parliament, as a judicial tribunal, are as different from the people as is the Court of King's Bench and are as competent to require to gnill to advise the Governor on all the fairs of the Province, be so essential to the committee to believe this? Canada would have brought it forware to gnill manœuvre to gain credit with the new Councillors, the Committee say that they "are forced to believe that they approintment of the new Councillors, the committee say that they "are forced to believe that they approintment of the new Councillors was a responsible Executive Council, having the province of Lake Birmon 594 teet; difference between the level of Lake Simcoe and Lake Huron 110 feet.—[Ib.]

Truth? Justice? No: it was wickedness.

The king himself may generally dismiss his servants; but he cannot, in strictness of language, punish them without the sanction of that city by the Russians, Austrians, and Prussians.

The British government is, said to have offered its guarantee to Russia, for the payment of the indemnification due by Turkey, on condition that the Russians evacuate the fortress of Silistria.

In the French chamber of deputies, the mortion for a political amnesty, in favor of Prince To the Frence chamber of deputies, the mo-tion for a political amnesty, in favor of Prince Polignac and his fellow prisoners, was lost by a large majority, on the ground that it is the prerogative of the king to originate acts of

From Texas.—Intelligence has been received at New Orleans announcing the defeat of Col. Fannin, and the capture of San Felipe by the Mexicans under Santa Anna. General Houston had retreated to the east of the Brazos. It was reported that Col. Fannin had been killed and his army annihilated. The inhabitants were moving in great haste to the Sabine. The Texians burnt San Felipe before they abandoned it.

Santa Anna's army was advancing upon the Brazos, in two divisons, one upon the coast and the other in the interior. It was the intention of the Texians to destroy all their towns, rather than suffer them to fall into the hands of the Mexicans.

All the country west of the Brazos had been abandoned. Reinforcements were daily joining the army under Gen. Houston.

The foregoing intelligence is gathered from the Mobile Register and Advertiser, the latter of which (12th inst.) has the following paraph in addition from which it appears that Matagorda also has been determed the selection occuping and the selection occuping the selection occuping the base has been determed the selection occuping the base has determed the selection occuping the base has been determed the selection occuping the base has determed the selection occuping the base has been determed but slight hopes of few they must be so crushed and mangled, that we entertained but slight hopes of few they must be so crushed and mangled, that we entertained but slight hopes of success. The work of destruction occuping the less time than we have taken to write thrown and at the stores immediately thove, the ice has risen so high that may individuals have written their names on the roof. The large stone store belonging to individuals have written their names on the roof. The large stone store belonging the safety and occupied by a cooper amed whit, has the intention of the distillery is a mass of ruins, and mittee.

All the avalanche, and it is feared the unformation of the distillery is a mass of ruins, and mittee.

All the country west of the Brazos had been a

of King's Bench and are as competent to brought against him.

The prince consort of Portugal had arrived in London.

The citadel at Plymouth had been destroyed by fire; the town major and his two daughters perished in the flames. The diplomatic envoy is said to have been despatched to Cracow, by the British governing.

The king himself may generally dismiss throughout the Province, we his servants; but he cannot, in strictness of look forward with confidence to a course of look forward with confidence

of Shitters.
