tter by C. A. Hagerman Eq., addressed to a respectable gen-n, has been handed to us for onicle.] TORONTO, 3d April, 1837.

uently asked why I did not so misrepresentations that have did the ungenerous and misseen made upon me, in reference Rectories:—There are man at assign for not having done at a only two of them. In the blic officer, it is not fit that public controversy of any hine, the attacks that, for the meade upon me, were so unresonthat in the opinion of my friend in, they were not deserving

erson like yourself, with wheare that twenty years on temsifeel aggrieved at any thing or said, I should consider it a pleasure, to remove the end of the consider it is a pleasure, to remove the end of the consider it is a pleasure, to remove the end of the considering the same in the considering the

required no small exercise of the virtue of forbear-ance, but I would without hesitation appeal to you whether you have ever known me as the attacking party! When assailed, I have perhaps some-times exhibited a little too much ardor in realizing your national moto "nemo me impune lacessit." A Scotchman, however, should be the last to com-

tondon to the Hith ult. The accounts on Canada finitis room much amone accounts and common and common accounts and a few important monosistent accounts and common account accounts and common account accounts and common account accounts and common account accounts and common accounts accounts and common accounts accounts and common accounts and common accounts and common accounts accounts accounts a

In the second place, I was defending the Government of which I was a member, against the charge of having "acted upon on organized system of theoring the Church of Scotland, in the attainment of their just and legal rights," and of having done that which was "unjust, ILLEGAL—AND UNCONSTITUTIONAL."

And in the third place—I was resisting on at

the miserable weakness and cowardice of the patchwork "resolutions" now laid before Parliament, to persevere in their course of vexatious resistance to entirely understood,—whatever warmth of expressions escaped me, whatever arguments or temarks were used by me, that could by possibility give offence, were directed against the petitions; and against the report founded on these petitions; and against the report founded on these petitions; and against the report founded on these petitions; and against the round of the same right to choose the statements and expressions they contain, I have no apology to offer; in remarking upon them, I exercised the same right to choose the statements and principles contained in them, that their authors did in drawing them up, and I take it for granted, that no reasonable mar will complyin of me for having done this.—It has been said by some persons, that I unnecessarily indulged in national reflections—words used in the heat of debate, on an exciting subject, should not be too closely servinized—but I feel a thorough conviction, that I only man in the World, that does not respect and reverence he rinstitutions—her particism, and her piety.

I have written you this letter, after a few moments reflection, and you have my permission to make it public.—I wish the reasonable portion of the same tight to the avalence of the end of commons yesterday morning, and the several divisions that too places, which respect and restricted the same disorder and anarchy before the end of another year.

CANADA RESOLUTIONS.—Owing to the confusion there was in the House of Commons yesterday morning, and the several divisions that too places, when the reasonable portion of the same times the restriction of the same disorder and anarchy before the end of another year.

London to the 11th ult. The accounts on Canada affairs are rather confused, but it will be seen that the amendment for an elective legislative Council

THE CANADAS.

As every thing relating to Canada is interesting at this moment, we copy the following from the London Times of the 10th of March. As every thing relating to Canada is interesting at this moment, we copy the following from the London Times of the 10th of March.

It would be too much to say that the Canada bimselves, in strict accordance with the terms of the Constitution, without in the slightest degree interfering with the rights of others. Now I will merely ask any man, whether conscientiously believing as I Did—that the Church of England had been, in the manner I have mentioned, most unjustly and ungenerously attacked, and that the Government had been falsely charged with acting not only illegally, but criminally—it could be expected, that in repelling these statements, every feeling of indigation, every term or sentiment of reproach, should be suppressed and restrained?—Is there a high minded Scotchman in the World, that would answer in the affirmative? NOT ONE.

There is only another point, upon which I de-

In any written you this letter, after a few moments reflection, and you have my permission to make it public.—I wish the reasonable portion of the community, whom I respect, to understand the truth so far as my feelings and conduct are concerned. I enter into no discussion of the general question of the future appropriation of the Clergy Reserves, I have given proof, which none can dearly, of my desire to see it settled on just and reasonable terms. For the present, I wish to confine nyself to the single point, to which I have referred—and upon which I have been misrepresented. I am, my dear Sir,

Yours, very faithfully,

Cra. A. HAGERMAN.

Pet Ashes are selling here in small lots at 27s. 6d. 28s.; Pearls at 30s. No change in Wheat; as ale was made yesterday at 8s. 4d. for very good Lower Canada, deliverable on the opening of the navigation. Holders of fine Flour demand 50s.—47s. 6d. is offered.—Montreal Courier, April 6th.]
