THE NEW FEATURE.

THE PHILADELPHIA SATURDAY COURIER is the largest and cheapest family newspaper ever issued in the United States—and is unparalleled patronage which has been awarded to it is the best evidence of its approval. Its increase, during the last two years, has been more than double that of any other paper, embracing at present a list of

285,000 SUBSCRIBERS!

This popular journal contains articles upon every topic usually introduced in a public paper: embracing Literature, Science and the Arts, Education, Medicine, Agriculture, Internal Improvements, Narratives, Tales, Sketches, Biographies, Poems, Sonnets, Foreign and Domestic News of the latest date, and being supplied with the sales, markets, and monetary generally.
The new feature which we introduced of presenting the best books of the present literature of the day, has been eminently successful.
We shall draw from the whole range of the current literature, our arrangements supplying us the earliest moment they can be received in the country, with all the best periodicals of Europe, the choicest gems of which will be always given to the readers of the Courier the first moment they can be disseminated on this side the Atlantic.

ENGLISH ANNUALS.

We have made arrangements to receive early copies of all the English Annuals, and shall immediately spread before our readers all the best articles, which are not dependent upon the accompanying engraving for illustration, or of an exclusively local character. In this way we shall have the gratification of furnishing our readers, in a few months to come, with matter, which, if purchased in the manner in which it appears, would alone cost between fifty and sixty dollars.

AMERICAN ANNUALS.

We have already given several articles from these splendid books, and shall continue to furnish some of the choicest gems from their pages.
The correspondents of the Courier embrace many of the best writers of the country. We have had the pleasure of presenting stories, sketches or poems from the pens of
Miss Sedwick, John Neal, Mr. Sigourney, William Gaylord Clark, Mrs. C. L. Hentz, Miss Leslie, Miss Seymour, Dr. M'Henry, Professor Ingraham, J. J. Pease, O. W. Holmes, Grenville Meilen, and many others, and numerous others, whose pens will continue to add interest to our columns.

CAPT. MARYATT'S SEA STORIES.

A sea story, by Captain Maryatt, is now in course of publication in the Courier, in addition to the great variety of other entertaining matter, embracing a vast and unappreciated variety; each week enough to fill a Common book of two hundred and fifty pages, and equal to fifty two volumes, or at least three hundred thousand pages, scattered in all parts of the country, from Maine to Florida, and from the sea board to the lakes.
This approved family newspaper is strictly neutral in religious and political matters, and the uncompromising opponent of quackery of every kind.

As an additional inducement for the great aid we have received in extending the list to an extent already unparalleled we offer

FEMALE LOST.

WHEREAS, ELLEN HANNAH, a native of Scotland, of light complexion, aged about thirty, suddenly disappeared from her brother John Hannah's House, in Tucker Smith Township, Huron County, taking with her an Infant in May 1836, and being supposed that she had strayed and lost herself in the woods, strict search by her brother and neighbours has been repeatedly made through the woods, without finding her:—Now a report having come to her brother's knowledge that she has, by some unaccountable means, arrived at, and is now in Toronto or its neighbourhood, instigates him to pray any one that knows of her to give information to the Editor of the Christian Guardian; and, as her return would be like the return of one from the dead, he begs any and every one knowing any thing of his unfortunate sister to contribute their assistance in giving him such information as they may possess.
Description.—Middle size; sallow complexion; long face; brown hair; grey eyes. The child is now about two and a half years old: She calls it "James"; but the cunning incident to such people may possibly have induced her to change its name and her own—which pray take notice.
The editors of the other Papers in the Province are most humbly requested, as an act of humanity, to insert this advertisement.

Kingston, November 2, 1837.

THE VILLAGE OF THOROLD occupies both sides of the mountain ridge, or summit level of the Welland Canal, 350 feet above the level of Lake Ontario, and is known to be peculiarly healthy. There are neither swamps nor marshes in its vicinity; and it stands in the centre of a fertile and well-cultivated wheat country, in a direct line between the City of the Falls and St. Catharines, in the Niagara District.

But 5 years can be dated from its origin, and so rapidly has it progressed, that it now contains more than 400 souls; two Churches, a School-House, Post office, several good Shops, and a Medical Establishment; an extensive Flour mill, a Brewery, and four Sawmills, with Blacksmiths, Carpenters, Shoemakers, Carmakers, Tailors, and several other Tradesmen's establishments, are at full work. A new Carding and Felling mill, and Grind mill, are nearly ready for work, and a great number of additional houses are nearly completed.
There is a direct communication to Lake Ontario, and Lake Erie, by a constant succession of Schooners and Boats, affording great advantages for the conveyance of merchandise and agricultural produce to different markets. The water has a fall of forty feet, and power to an extent equal to a fulling machinery for any manufacturing purpose, for which eligible mill sites can be had. A good Tannery could be worked to great advantage, bark being so easily obtained from the forests of Chippewa and the Grand River.
The Subscriber, in calling the attention of Manufacturers and Merchants to this rising Village offers to sell some very advantageous Lots, on moderate terms, and long credit, to actual settlers only.
