BALDNESS

A BEAUTIFUL HEAD OF HAIR

IS the grendest ornament belonging to the human frame. How strangely the loss of it changes the countenance, and prematurely brings on the appearance of old age, which causes many to recoil at being uncovered, and sometimes even shun society to avoid the jests and sneers of their acquaintance; the remainder of their lives is consequently spent in retirement. In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair. To avert all these unpleasant circumstances, OLDRIDGE'S BALM OF COLUMBIA stops the hair from falling off on the first application, and a few bottles restores it again. It likewise produces eyebrows and whiskers; prevents the hair from turning gray, makes it curl beautifully, and frees it from scurf. Numerous certificates of the first respectability in support of the virtues of Oldridge's Balm are shown by the proprietors.

☞ Read the following.

ROBERT WHARTON, Esq. late Mayor of Philadelphia, has certified as may be seen below, to the high character of the following gentlemen:

The undersigned do hereby certify that we have used the Balm of Columbia discovered by J. Oldridge, and have found it highly serviceable not only as a preventative against the falling off of hair, but also a certain restorative,

WM. THATCHER, sen.
Methodist Minister in St. George charge, No. 86 North Fifth st.

JOHN P. INGLIS, 331 Arch st.
JOHN D. THOMAS, M. D. 163 Race st.
JOHN S. FURREY, 101 Spruce st.
HUGH McCURDY, 243 South 7 st.
JOHN GARD, jr., 123 Arch st.

It will certainly raise its virtues in the estimation of the public, when it is known that three of the above signers are more than 50 years of age, and the others not less than 30.

[From the Mayor.]

COMMONWEALTH OF PENNSYLVANIA, } City of Philadelphia. }

I, ROBERT WHARTON, Mayor of said city of Philadelphia, do hereby certify that I am well acquainted with Messrs. J. P. Inglis, John S. Furey, and Hugh McCurdy, whose names are signed to the above certificate, that they are gentlemen of character and respectability, and as such full credit should be given to the said certificate.

In witness whereof, I have hereunto set my hand, and caused the seal of the city to be affixed, this sixth day of December.

[L. S.] &c.

ROBERT WHARTON, Mayor.

☞ THE LATE MAYOR of Philadelphia has certified under seal of the city to the character of several Divines, Physicians, and gentlemen of high standing who declare positively under their own hands (all of which may be seen at the place named below) that the Balm of Columbia is not only a certain preservative, but positively a restorative of the human hair; also, a sure cure for Dandruff. Who shall dispute, or who go bald?—The only true have a splended steel plate engraved wrapper with falls of Niagara, &c. on it. Enquire at the Druggists in Kingston.

DANDRUFF AND BALDNESS.

OLDRIDGE'S BALM OF COLUMBIA.—DANDRUFF AND BALDNESS.—The article named above is a chemical combination of such ingredients as have proved themselves efficacious in assisting the natural growth of the human hair, and removing all obstacles to its perfect developement.—In commending this article to the particular notice of a discerning public, the proprietor is but recapitulating the oft expressed sentiments of some of the many hundreds, who have successfully tested its efficacy and wonderful qualities—this compound having acquired for itself a character for singular merit and value. It is used by ladies and gentlemen generally, to keep the Hair moist and beautiful, and the head free from Dandruff, which it does most perfectly, and thus prevents Baldness.

☞ Cantion.—Observe that each bottle of the genuine Balsam of Columbia has a splendid engraved wrapper, on which is represented the Falls of Niagara, &c.

INFLUENZA, COUGHS, COLDS, ASTHMA, WHOOPING COUGH, SPITTING OF BLOOD, AND ALL AFFECTIONS OF THE LUNGS.

PREPARED ONLY BY THE SOLE PROPRIETOR.
DANIEL GODDARD, No. 8 GOLD ST. NEW-YORK.

In presenting this useful remedy to the public, the Proprietor is authorized by a Physician, from whom the Recipe was confidentially obtained, to state, that he has used it himself, and in his extensive practice in Pulmonary affections, with astonishing effect. The happy combination of vegetable substances, of which it is entirely composed, are peculiarly adapted to diseases of the Lungs, Liver, and Stomach.

This medicine has been used very extensively, and the proprietor has not known a single instance in which it has failed in giving relief in diseases for which it is recommended; even in cases approaching to consumption, attended with bleeding at the Lungs, and where all other remedies had failed, the most decided and flattering success has attended its use. Common colds, which are generally the effect of obstructed perspiration, will yield to its influence in a few hours; when used in asthma, hoarseness, wheezing, and shortness of breath, it gives immediate relief, procuring tranquil rest and sleep. In whooping cough it is without a rival. It operates by gentle expectoration, and may be given to infants with perfect safety.

The Proprietor would add, that he is constantly receiving numerous testimonials of the value and efficacy of this remedy, some certificates of which may be seen on the bill of directions accompanying each bottle. Any person using it will be sure to recommend it again.

HAY'S LINIMENT.

NO FICTION.—This extraordinary chemical composition the result of science and the invention of a celebrated medical man, the introduction of which to the public was invested with the solemnity of a death-bed bequest, has since gained a reputation unparalleled, fully sustaining the correctness of the lamented Dr. Gridley's last confession, that "he dared not die without giving to posterity the benefit of his knowledge on this subject," and he therefore bequeathed to his friend and attendant, Solomon Hays, the secret of his discovery.

It is now used in the principal hospitals, and the private practice in our country, first and most certainly for the cure of the *Piles*, and also so extensively and effectually as to baffle credulity, unless where its effects are witnessed. *Externally* in the following complaints:

For Dropsy—Creating extraordinary absorption at once.

All Swellings—Reducing them in a few hours.

Rheumatism—Acute or Chronic, giving quick ease.

Sore Throat—By cancers, ulcers or colds.

Croup and Whooping Cough—Externally, and over the chest.

All Bruises, Sprains and Burns—Curing in a few hours.

Sores and Ulcers—Whether fresh or long standing, and fever sores.

Its operation upon adults and children in reducing rheumatic swellings, and loosening coughs and tightness of the chest by relaxation of the parts, has been surprising beyond conception.—The common remark of those who have used it in the *Piles*, is "it acts like a charm."

THE PILES.—The price $1 is refunded to any person who will use a bottle of Hay's Liniment for the Piles, and return the empty bottle without being cured. These are the positive orders of the proprietor to the Agents; and out of many thousands sold, not one has been unsuccessful.

We might insert certificates to any length, but prefer that those who sell the article, should exhibit the original to purchasers.

CAUTION.—None can be genuine without a splendid engraved wrapper, on which is my name, and also *that of the Agents.*

SOLOMON HAYS.

TO EDITORS, &c.—All country papers who will insert the above 12 months, and send one number to the agents shall be entitled to one dozen of the Liniment.

Sold wholesale and retail by COMSTOCK, & CO., sole Agents, 2 Fletcher street, near Maiden Lane, one door below Pearl street, New York, and by one Druggist in every town in the Canadas.

HEADACHE.

DR. E. SPOHN, a German physician of much note, having devoted his attention for some years to the cure and removal of the causes of NERVOUS AND SICK HEADACHE, has the satisfaction to make known that he has a remedy which by removing the causes cures effectually and permanently this distressing complaint.—There are many families who have considered Sick Headache a constitutional incurable family complaint. Dr. S. assures them that they are mistaken, and labouring under distress which they might not only alleviate, but actually eradicate by the use of his remedy.

It is the result of scientific research, and is entirely of a different character from advertised patent medicines, and is not unpleasant to the taste.

HEADACHE, SICK OR NERVOUS.

The extraordinary reputation that Dr. Spohn's remedy for this distressing complaint is every day gaining is certainly a matter of much astonishment. That so much suffering should have existed for ages without any discovery of an effectual preventive, or cure, is truly a subject of much regret, but Dr. S. now assures the public that such a remedy has been invented as will convince the most credulous. The principles upon which it acts are simple and plain. It is an admitted fact that this complaint, whether called Sick Headache, or Nervous Headache, arises primarily from the stomach—those who think they have the Nervous Headache may rest assured that this organ, the stomach, is the first cause, that the system has become vitiated or debilitated, through the stomach, and that only through the same channel must they expect a restoration of the natural and healthy functions of the system. This object, Dr. Spohn's remedy is eminently calculated to attain. The truth of this position cannot be controverted, and the sooner sufferers with the headache become convinced of it, the sooner will their sufferings end in restoration of health. Dr. Spohn pledges his professional reputation on this fact. The remedy may be had of apothecaries generally throughout the Canadas.
