HEADACHE, SICK OR NERVOUS. The extraordinary reputation that Dr. Spohn's remedy for this distressing complaint is every day gaining is certainly a matter of much astonishment to those who are not conversant with the progress of a discovery of an effective preventive, or cure, is truly a subject of much regret, but Dr. S. now assures the public that such a remedy has been invented as will convince the most credulous. The principles upon which it acts is simple, and its effects are such as to give relief, whether called Sick Headache, or Nervous Headache, arises primarily from the stomach—those who think they have the Nervous Headache may rest assured that this organ, the stomach, is the first cause, that the system is overburdened with food, and that the stomach is not sufficiently supplied with the necessary nutriment, and that the system is overburdened with food, and that the stomach is not sufficiently supplied with the necessary nutriment.

BALDNESS

A BEAUTIFUL HEAD OF HAIR IS the grandest ornament belonging to the human frame. How strangely the loss of it changes the countenance, and prematurely brings on the appearance of old age, which causes many to recoil at being uncovered, and sometimes even shun society to avoid the jests and sneers of their acquaintance; the remainder of their lives is consequently spent in retirement. In short, not even the loss of property fills the generous thinking youth with that heavy sinking gloom as does the loss of his hair. To avert all these unpleasant circumstances, OLDRIE'S BALM OF COLUMBIA stops the hair from falling off in the first application, and a few bottles restores it again. It likewise produces eyebrows and whiskers; prevents the hair from turning gray, makes it curl beautifully, and frees it from scurf. Numerous certificates of the first respectability in support of the virtues of Oldrie's Balm are shown by the proprietors.

ROBERT WHARTON, Esq. late Mayor of Philadelphia, has certified as may be seen below to the high character of the following gentlemen who have used Oldrie's Balm of Columbia discovered by J. Oldrie, and have found it highly serviceable not only as a preventative against the falling off of hair, but also a certain restorative.
