LONDON CORRESPONDENCE OF THE QUEBEC

GAZETTE.

Royal Exchange, London, Dec. 31, 1839.

"The approaching marriage of Her Majety is by the most important theme of polite conversa-"The approaching marriage of Her Majety is ow the most important theme of polite conversant, especially in the higher circles at the West and. The ceremony is now fixed to take place any in February. Political policy has something of oin the early celebration of this event. From that I learn, a dissolution of Parliament is not approbable about June next, and Ministers want. It the business of the Session to be disposed of fore that period. Her Majesty too, has expressal herself determined to keep almost secluded until the event "comes off," to use a sporting phrase, his determination rises, no doubt, from motives the delicacy which will be easily appreciated, escially recollecting the station of the Queen, he marriage will be celebrated, as I have said in se of my former letters, at about 8 o'clock, r. m. St. James? Chapel, in the presence of the elite the nobility of the country.

"We have many speculations as to what sum ariament will grant to Prince Alberton his marriage. Don't believe the story that the Queen in onversation said he ought to have £100,000 arear, or that Lord Melbourne considered £80,000 nough, or that the Duke of Wellington said £30,00 enough. You will find, I believe, that £50,00 a-year will be asked for and granted. The rince ought certainly to be very well satisfied ith this sum."

ith this sum."

"There was a general half-yearly Court of the
oprietors of the Canada Company, held at Cana House, Great St. Helen's, at which a half
arry dividend was declared. The statement
id before the meeting, relative to the affairs of company, was good. The sales of land this rap to the 30th September last, were 22,000 es-or 10,000 more than at this period last r. The average is 12s. 3d. per acre. The idead declared was at the rate of 6 per cent. per

"The Canadian produce markets are very hear, except for Red Pine Timber, which is scarce and in request. Ashes are steady. The Teade is in a brisk state, especially lower samples, fuch interest is directed to the approaching sales tea, at which a very considerable quantity—robably 92,000 packages, containing 6,700,000 s, will be offered for public competition. The is, will be offered for public competition. The itees are at present very nearly as high as they are been at any time since the news was received of the suspension of the trade with the Chinese. It grain markets are rising. American flour is 131s, per barrel and in good demand.

"Our funds left off firmly this evening at 92; reconsols for account. Exchequer Bills at parand Spanish 24;.

Buttish North American Bank Shares are at discount, and Canada Shares at 4 discount.

HE NATURE, ORIGIN, PROGRESS, PRESENT STATE AND CHARACTER OF METH a Sermon preached at Picton, U. C., by the kev. J. G. Manix, Wesleyan Minister, on Friday clober 25, 1839; on the occasion of the general relebation of the Centenary of Methodism; pub-sisked at the request of the Stewards' and Leaders' decting of the Hallowell Circuit; containing 88 ages 8 vo.; price one shilling and six pence.— he Author will derive no pecuniary benefit what or will derive no pecuniary benefit what-
