This Expectorant Syrup will in every case prevent the complaint. It is quite impossible for any person ever to have consumption who will use this remedy on the first approach of cough and pain in the side, and in many instances it has cured when physicians had given up the cases as incurable.

Their stock of FANCY and STAPLE DRY GOODS presents a great variety, and as they still adhere to the maxim by which they professed to be governed when they commenced business—"small profits and quick returns,?"—the adoption and practice of which they have no doubt has contributed largely to the share of public patronage with which they have been hitherto favored, they hope still to merit the title by which their establishment has been distinguished, that is,—THE CHEAP STORE.

It would take up too much time to give anything like an inventory of the different articles they offer, suffice it to say that they pledge themselves not to be undersold by any house in the trade. LOOK TO YOUR PANTRIES AND BEDROOMS.

THE subscriber has for some years been in the habit of supplying many families with this certain and immediate remedy for these noxious vermin, and has consented, at the strong solicitation of his friends, to bring it out in this public manner. He now has the positive affirmations of a great number of citizens, (some of whom are the most wealthy and fashionable ladies in Chesnut street,) that this Bare is in all cases a sure and certain remedy: and these certificates are in the hands of his Agents, where any one wishing can convince themselves of their genuineness. This is better than all the puffing of a thousand unknown names; and the unprecedented sale which the ROACH AND BED BUG BANE.

DR. SPOHN'S SICK HEADACHE REMEDY.

The Complaint, never fails. When persevered in, it effectually renovates the system, and does away the causes of the Sick and Nervous Headache. Thousands have tried it, and found precisely the relief which the article promises to bestow. Certificates of the strongest kind, and from the most respectable persons, are in the possession of the proprietor, some of which have been published, estifying to the permanent cure, and others to the immediate relief given by this remedy. It affords relief to the afflicted in 15 or 20 minutes from the first dose. If taken when the symptoms of an attack are first felt, it prevents the further progress of the complaint, and can produce no danger at any time by an excessive dose; as in such a case it would only throw off the contents of the stomach, leaving it sweet and healthy with an excellent appetite. All afflicted with headache should not fail to procure the article, and relieve themselves from so distressing a complaint.

Physicians in many instances, to our knowledge, with great satisfaction have found it a certain cure. Sick and Nervous Headache is a complaint with which physicians do not wish to have anything to do, and generally prescribe only for temporary relief: consequently, Dr. Spohn's Sick Headache Remedy escapes the opposition which source.

Try it ence and you never will regret it. It is DR.SPOHN'S SICK HEADACHE REMEDY

Try it once and you never will regret it. It is composed entirely of vegetables, and contains no poisonous drug of any kind, and does not require any charge of diet or exercise.

HEWE'S NERVE & BONE LINIMENT.

THIS article is offered to the public as a neverfailing cure for the Rheumatism, and it has for a number of years sustained its reputation, and accomplished cures which had defied the power of every other article. In acute and recent cases, the relief is invariable, after one or two applications of the Liniment, and in chronic Rheumatism the eases of cure are numerous. It is truly a remedy that reaches the merve and bone with the most happy effect.

ASK, INQUIRE-ASK THOSE WHO KNOW THOSE only who know by trial or immediate observation can form any idea of the effects, of the perfect relief, of the almost charn-like cures effected in cases of the Piles, Rheumatisms, all Swellings, and all external pains, no matter how severe, by the use of Hays' Liniment. Find one who has used it that will not laud it above all things ever used, and you will find—what cannot be found.

things ever used, and you will find—what cannot be found.

For the relief of suffering human beings who may be afflicted, I beg you to ask—ask of those who know—ask the Hon. Alfred Conklin, U. S. Judge for that district, residing near Aubum; ask Matthew J. Myers, Esq. Athens, N. Y.; ask Gen. Duff Green, late of Washington city: each of these gentlemen know of cases unconquerable by all other remedies or physicians, though tried for many years, that have been cured by the use of the genuine Hays' Liniment. Thousands of other persons know similar cures. We appeal to their sense of justice—their human feelings.

It is but a duty you owe to your suffering fellow beings to let this great remedy be known. Speak of it then to all your friends. This will save much pain where the newspapers are not read, or where readers are incredulous, because so many worthless articles are advertssed for the same purpose. To buyers we say, if all who have used it

or where readers are incredulous, because so many worthless articles are advertssed for the same purpose. To buyers we say, if all who have used it do not say it is beyond all praise, then do not take it. The proprietor will not allow this article to be paid for unless it cures, when all the directions are fully followed. Will any one suffering refuse now to try it? If he does, he ought to be pitied more for his obstinacy than his suffering.

Mr. Hays would never consent to offer this article, were he not compelled by his sense of moral—of teligious duty—to do all in his power for the victims of distress and misery. For this purpose he would sooner devote a fortune than secure a dollar for any worthless article.

LOOK OUT.—Some swindlers have counterfeited this article, and put it up with various devices. Do not be imposed upon. One thing only will protect you—it is the name of Comstock & Co.; that name must be always on the wrapper, or you are cheated. Do not forget it. Take this direction with you, and test by that, or never buy; for it is impossible for any other to be true or genuine.

And he pledges himself to the public that the prices shall always be low enough to make it an object for the purchaser to pay cash.

It is unnecessary here to enumerate the articles he offers for sale, as so doing might have the appearance of exaggeration, which has now become too fashionable; but would rather solicit a personal examination of his stock, which may not be found inferior to any in town; and by renewed exertion and a particular desire to please in every thing connected with the business, he respectfully solicits and hopes to receive a share of public partronage.
