DR. SPOHN'S SICK HEADACHE REMEDY.

TOR the permanent cure of this distressing complaint, never fails. When persevered in, it effectually renovales the system, and does away the tauses of the Sick and Nervous Headache. Thousands have tited it, and found precisely the teluse which the article promises to bestow. Certificates of the strongest kind, and from the nost respectable persons, are in the possession of the proprietor, some of which have been published, estitying to the permanent cure, and others to the immediate relief given by this remedy. It affords relief to the afflicted in 15 or 20 minutes from the first dose. It taken when the symptoms of an attack are first felt, it prevents the further progress of the complaint, and can produce no danger at any time by an excessive dose; as in such a case it would only throw off the contents of the stomach, leaving it sweet and healthy with an excellent appetite. All afflicted with headache should not fail to procure the article, and refleve themselves from so distressing a complaint.

Physicians in macy instances, to our knowledge, with great satisfaction have found it a certain cure. Sick and Nervous Headache is a complaint with which physicians do not wish to have anything to do, and generally prescribe only for temporary relief: consequently, Dr. Spohn's Sick Headache Remedy escapes the opposition which some other proprietory articles meet from that source.

Try it once and you never will regret it. It is DR.SPOHN'S SICK HEADACHE REMEDY

Try it care and you never will regret it. It is composed entirely of vegetables, and contains he poisonous drug of any kind, and does not require any change of liet or exercise.

HEWE'S NERVE & BONE LINIMENT.

This article is offered to the public as a neverfailing cure for the Rheumatism, and it has for a number of years sustained its reputation, and accomplished cures which had defied the power of every other article. In acute and recent cases, the relief is invariable, after one or two applications of the Liniaient, and in chronic Rheumatism the cases of cure are numerous. It is truly a remedy that reaches the stere and bone with the most happy effect.

ASK, INQUIRE ASK'THOSE WHO KNOW THOSE only who know by trial or immediate observation can form any idea of the effects, of the perfect relief, of the almost charm-like cures effected in cases of the Piles, Rheumatisms, all Swellings, and all external pains, no matter how severe, by the use of Hays' Liniment. Find one who has used it that will not laud it above all things ever used, and you will find—what cannot be found.

one who has used it that will not laud it above all things ever used, and you will find—what cannot be found.

For the relief of suffering human beings who may be afflicted, I beg you to ask—ask of those who know—ask the Hon. Alfred Conklin, U. S. Judge for that district, residing near Auburn; ask Matthew J. Myers, Esq. Athens, N. Y.; ask Gen. Duff Green, late of Washington city: each of these gentlemen know of cases unconquerable by all other remedies or physicians, though tried for many years, that have been cured by the use of the genuine Hays' Liniment. Thousands of other per:ons know similar cures. We appeal to their sense of justice—their human feelings.

It is but a duty you owe to your suffering fellow beings to let this great remedy be known. Speak of it then to all your friends. This will save much pain where the newspapers are not read, or where readers are incredulous, because so many worthless articles are advertssed for the same purpose. To buyers we say, if all who have used it do not say it is beyond all praise, then do not take it. The proprietor will not allow this article to be paid for unless it cures, when all the directions are fully followed. Will any one suffering refuse now to try it? If he does, he ought to be pitied more for his obstinacy than his suffering.

Mr. Hays would never consent to offer this article, were he not compel'ed by his sense of moral—of religious duty—to do all in his power for the victims of distress and misery. For this purpose he would sooner devote a fortune than secure a dollar for any worthless article.

LOOK OUT.—Some swindlers have counterfeited this article, and put it up with various devices. Do not be imposed upon. One thing only will protect you—it is the name of Comstock & Co.; that name must be always on the wrapper, or you are cheated. Do not forget it. Take this direction with you, and test by that, or never buy, for it is impossible for any other to be true or genuine.

It speedily refleves vomiting, gripings, flatulent and spasmodic cholics. Its anodyne properties render it peculiarly applicable in cramps, likewise restlessness and weariness of limbs. It is peculiarly useful for children when teething, as it allays irritation, induces moderate perspiration, and produces sleep.
