DWIN said that before the question whe must again take the liberty of tres-zer a few moments on the attention of those. That indeed he might claim this as ray of reply in support of the motion ad had the honor of submitting to the on of the House when he last addreshen. But he confessed that after giving lest attention to the debate, he found nothing teation to the debate, he found nothing a The answers which some hon, gendon had spoken in favour of the bill, had some of the objections which he had sale the already fully and triumphantly to by he hon. friends on that side of the Besides they touched after all but the saints while the measure as a whole, it was the language of the hon, and member for Kingston)—the whole bill—thing but the bill, had not been attemptive distanded even by the ministers themdefended even by the ministers them-sho had indeed left their places well that they had secured an obedient ma-nd wisely deepning it. sely deeming it unnecessary to at-nece of a bill, where he (Mr. B.) was not a man in that House the hon and learned father of the Bill to amend the Militia Act of U. Canada so as to exempt Menonists and Tunkers from fines, and the man in that House and the proteome setting this obnoxious bill upon the country that the house and the Province at large man bouse into endors the country such a spacure as its wants at the large man bouse and the province of the Largialature, in the way of the country such a space as a seasure as its wants at the large man bouse and the province of the Largialature, in the way of the country such a space as a seasure as its wants at the large man bouse and the province of the Largialature, in the way of the country such a space as a seasure as its wants as the large man bouse and the province at large man bouse and the province of the special council man that it is not precise the first to expose their iniquity and corruption, and he was the first to fall before their ungodly hands.

The Act passed by a tory Parliament of Upper Canada, whose expiring a party man, after referring to the province of persecution was never perpetrated in a christian land. We therefore hope the Unitary bursten and twenty years has been denied him.

the embarrassment under which he had acted dwide with all his former professions, he stated to myself a severament member, of Russells, with all his former professions, he with a severament member, stated to myself a severament member, and the ministers have been called to the government; and is more course, and if he is always found of the people in the severament and condition of the people is more different of the province feeling themselves justifiable in acquiescing in that course, and if he is always found and carried. The hon, member has a more ourse, and if he is always found the several sev density swallow the bill. If the whole bill, and the sadd the list. Be have, brought about a right to and the dangerous influences either of intimidation or corruption, of hopes or fears, which had, or at least may have, brought about such result. He spoke not of this question in particular, nor of that hon. member individually, but spoke generalized the sadd the latter by have brought about such result. He

spoke not of this question in particular, nor of that hon. member individually, but spoke generally, and time alone will rectify all palic mep, and time alone will rectify all palic mep. The hon. member has further complained of ill-treatment at the hands of his friends, and here again if the hon. member referred to him, he would tell that hon. gentleman that with respect to the doubts which had insinuated themselves in some quarters, as to the course the hon. member or member of my duty as a representative of the hon they have been was pursuing, he (Mr. B.) had neither originated them, repeated them, nor sanctioned them, and that it was with the hon. member himself against necessarily rest the means of demon-

them, and that it was with the hon member himself saust necessarily rest the means of demonstrating their utter groundlessness.

But again: the kon member had referred to the support which he had afforded to the Reform cause. No one, he believed, more highly appreciated the talents of the kon member than he (Mr. B.) did, and no one was more ready to acknowledge the important benefits which that hon gentleman had conferred upon the country by his powerful advocacy of the great principle of Responsible Government, which he (Mr. B.) notwithstanding all that they saw going on around them, yet believed to be the only one by the honest application of which harmony among the different branches of the Legislature can be accomplished, and the peace and happiness of the honest application of which harmony among the different branches of the Legislature can be accomplished, and the peace and happiness of the people secured. These most valuable services of the house. I trust, Mr. ber, when I consider the dignity of this elements in the dignity of every hon. members and satisfaction, whatever might be the political relation in which that hon. gentleman and himself (Mr. B.) was equally ready, and be should be on all occasions, to acknowledge the personal support which he (Mr. B.) had reother; and he (Mr. B.) might stand to each twice to retaliate any indignity.

Solution of the interest of the should be on all occasions, to acknowledge the personal support which he (Mr. B.) had received from that hon gentleman. But if, what he could not and did not believe, the charge of ingratitude, which had escaped the lips of the hon. member, was meant to be applied to him, he would take leave to say, and no one knew it better than the hon. member himself, that support had not been applied to him, he would take leave to say, and no one knew it better than the hon. member himself, that support had not been all occasions, to acknowledge the personal support which he (Mr. B.) was equally ready, and he should be on all occasions, to acknowledge the personal support which he (Mr. B.) had received from that hon gentleman. But if, what he could not and did not believe, the charge of ingratitude, which had escaped the lips of the hon. member, was meant to be applied to him, he would take leave to say, and no one knew it better than the hon. member himself, that support which he (Mr. B.) had received from that hon gentleman. But if, what he could not and did not believe, the charge of ingratitude, which had escaped the lips of the hon. member, was meant to be applied to him, he would take leave to say, and no one knew it better than the hon. member himself. would not been all on one side; that support had not been all on one side; that on all occasions the people of their dearest rights. It is sone and in all places wherever he thought he struck by that money is power, and in this bill I see a deadly is power, and in this bill I see a deadly be at the power of the people. I see, Sir, use come to the conclusion to divide the off this House with other bodies, that they more easily trample upon the rights of the I see a spirit of centralization in cultive—they want the power of control-switch of the see and they have the set of the Province as in that of the honest yeomen who had done the hon. member the hone of returning him to that house, he (Mr. B.) had stood by the character, both private and political, of that hon. member, and not unfrequently with the discomfort of knowing that he was listened to with any thing but satisfaction, and that as well in those hours of storm to which the hon. gentleman had so feelingly alluded, as when from spirit of the age. teman had so feelingly alluded, as when from altered circumstances more cheering prospects opened upon the cause. For himself (Mr. B.) all who knew him were aware that though slow to enter into connections of any kind, he ever that they the may more easily control it. The Honorable Gentlemen to look at the could assure the hon member for Oxford. that if the time should come when the political tie which bound them to each other, was to be severed forever, it would be to him (Mr. B.) by far the most painful which had occurred in the course of his political life.

> The Municipal Council bill passed the Assembly on Thursday evening last, by a majority of 12. The following are the Yeas and Nays.

To Correspondents.—Several communications are unavoidably postponed, among which appears.

THE FIFTH PERIODICAL SALE, of five pounds for the due performance of such agreement as may be entered into tions are unavoidably postponed, among which are: the letter of John Diamond, which appears claim insertion, notwithstanding our late expressed determination net to publish anything urther upon the subject in which he is engaged; the communication of Mr. Gourlay, "Apollonius" and "Fiat Justitia."

TERRIBLE DISASTER AT SYRACUSE. By the Sackett's Harbor Journal of yesterday, we learn, that on the evening of Friday last, a fire broke out in a stove shop on the Canal at fire broke out in a stove shop on the Canar at Syracuse, which communicated with a large quantity of powder, (16 kegs.) blowing up the building, and killing and wounding a great many individuals. Twenty-seven dead bodies have been taken from the ruins, and the inhabitants were in search of more.

It is stated that up to the 14th instant 24.187 emigrants had arrived at Quebec. We would like some one of those who have enticed these poor creatures to leave their homes on such a long wild goose chase, to inform us where these song wild goose chase, to inform us where these emigrants are at the present time, what amount of capital they have brought into the country, and whether they stand any chance of "wintering over."

The bill to establish a National Bank for the United States, having passed the Senate and Congress, the President has exercised his prerogative in disallowing it-much to the surprize and chagrin of the party to which he owes his seat in the Presidential Chair.

attended-particulars next week.

establishment was opened a few days since in Mr. Rourke's new stone building, Quarry Street. We are informed by those who have visited it that it is highly worthy of public patronage. We shall probably speak of its merits hereafter.

Dieb. At the residence of Mr. David Leahy, near this Town, Mrs. Mary Henry, eldest daughter of the late Mr. James Henry, Inu-keeper, highly respected and much regretted—aged 25 years.
