CERTAIN CURE FOR SICK HEADACHE which has been used in families, every mem-ber of which has had sick headache from infancy, as a constitutional family complaint, and has cu-red effectually in every instance yet known-amounting to many hundreds. It is not unpleasant to the taste, and does not prevent the daily avocations of one using it; it must be persevered in, and the cure is gradual, but certain and permain, and the cure is gradual, out certain and perharment. Instances are constantly multiplying where this distressing complaint is completely relieved and cured, although of years standing, by the use of Dr. Spohn's celebrated remedy. One decided preference is its pleasantness, having none of the

seating effect of common drugs. It is so perfectly satisfactory, that the proprietor has given direction for his agents to refund the price to any one who is not pleased with, and even cured by it. He hopes also that this may secure its great benefits to the distressed sufferers who are laboring under Headache.

The second of the most ancient and wealthy families of this city, who must be well known to numerous friends, having since the year 1818 up to recently, been bent nearly double, and for several years confined to his bed, has been rescored to good health—has regained his natural erect position—and has quitted his carriage, and now walks with ease!! We believe this is the gentleman's own description as near as possible, and there is with ease!! We believe this is the genteeman's own description as near as possible, and there is no exaggeration in it. We will give inquirers his address, and doubt not his humane feelings will excuse the liberty; so that any one doubt ng, may know these facts—though he requests his name with the colly first—the only f may not appear in print. Among other similar instances, Mr. Jas. G. Reynolds, 144 Christie street, has been restored, and will give personal assurances of the facts of his case.
